Concordia head coach **Shannon Currier** has announced four captains for the 2017 season with senior tight end **Matt Bjork** (De Pere, Wis.) repeating as a two-time captain. He's joined by seniors **Andrew Capirchio** (CB, Fountain Hills, Ariz.) and **Frantz Polimice** (LB, Palm Bay, Fla.) and fourth year sophomore **Rich Kelly** (OG, Plainfield, Ill.).

To become a captain, players had to go through an formal application process that also included reading three books, community service and obtain letters of recommendation. The team voted on the applicants who completed the process to select its captains.

SERIES NOTES: MINNESOTA STATE 9, CONCORDIA 2

The Golden Bears will be looking to snap a six game skid against the Mavericks with Concordia's last win over MSU coming in CSP's 2010 Mineral Water Bowl campaign, a 28-26 win in Mankato as current Carolina Panthers defensive lineman **Zach Moore** blocked a field goal with 33 seconds remaining. The Golden Bears are 1-4 against MSU in home games and 0-4 against MSU at Sea Foam Stadium (2009-present). CSP's lone home win came in 2005 at Griffin Stadium, a 35-21 triumph in CSP's second NSIC Championship season which also resulted in a Mineral Water Bowl berth.

The Golden Bears and Mavericks will meet for the first time under head coach **Shannon Currier**, as the series started in 2004, one year after Currier left CSP in his first stint.

ABOUT THE MAVERICKS

The sixth-ranked Minnesota State Mavericks own a 4-0 record after shutting out Northern State 36-0 last weekend at Blakeslee Stadium. So far this season, MSU leads the league in scoring offense with 41.2 points per game while holding opponents to the second fewest point per game at 12.2. In terms of yardage, the Mavericks pace the NSIC with 497.5 yards of total offense a game, including an NSIC-best 302.8 yards on the ground. In comparison, the MSU defense is allowing 299 yards of offense a game, including just 93 yards on the ground.

Leading the way for league-best rushing attack, sophomore Nate Gunn paces the MSU rushing attack with 619 yards and six touchdowns, with freshman Justin Taormina following with 225 yards and two touchdowns. In the passing game, sophomore quarterback Ryan Schlichte has thrown for 540 yards and eight touchdowns this season. Sophomore Shane Zylstra leads the MSU receiving corps with 295 receiving yards and five touchdown catches, while senior Ty Dennis has posted 216 yards and two touchdowns.

On the other side of the ball, junior Michael Palme leads the Maverick defense with 24 tackles, to go along with 2.0 tackles for a loss and one sack. Senior Evan Perrizo has a team-leading five tackles for a loss and two sacks, and senior Jerry Nash III has three fumble recoveries and one interception. On special teams, kicker/punter Casey Bednarski is 5-6 on field goals including two of 50-plus with an NSIC record 63-yard field goal against Minnesota Crookston.

LAST MEETING, 2016: MSU 45, CONCORDIA 10

Concordia-St. Paul struck first on the road as **Ron Johnson** found **Darius Chapes** for a 39-yard passing play out of the backfield to set up a 32-yard **Jonas Schenderlein** field goal.

CSP's defense held strong throughout the first quarter, holding the Mavericks to a field goal on the following drive. Concordia's defense would keep MSU out of the end zone in the first quarter, although the Mavericks would score on a punt return for a 10-3 lead at the quarter break.

After the Mavericks scored a pair of touchdowns in the second quarter, Concordia opened the second half by chipping into the lead on the opening drive. Chapes scored on a 14-yard run to cap off an impressive 15-play, 76-yard drive that claimed nearly half of the third quarter, consuming 7:27 of clock to make it a two score game, 24-10.

But the Mavericks responded with a four minute touchdown drive to reverse CSP's momentum and would score again just a couple minutes later on a 1-play, 18-yard drive.

Chapes had a big day in the Key City, rushing 19 times for 89 yards and a touchdown while the 37-yard catch gave him 126 combined yards for the game.

As a team, CSP was able to bruise the Mavericks for 128 yards on the ground, attempting 42 rushes on the day which led to CSP holding time of possession 31:18 to 28:42.

Entering the sixth week of the season, linebacker **Sam Johnson** was the league leader in tackles and added nine more to his total to give him 53 for an average of 10.6 per game, having missed a contest earlier in the year. **Kelly Pierce** also added a sack, 1.5 tackles for loss and three tackles up front.

MSU was led in the game Virgil Hammond's eight carries for 115 yards (14.4 avg) while the four MSU quarterbacks combined to complete 27-37 for 291 yards and four touchdowns.

LAST WEEK: MSU MOORHEAD 21, CONCORDIA 20

Sophomore running back **Darnell Rolle** rushed for a career-high 172 yards on 22 carries including a nine yard touchdown run on the opening drive of the game to give CSP the first lead.

The Dragons countered with the next two touchdowns in the game, the first being aided by a 51-yard field position difference following a pair of penalties on a punt.

The Golden Bears would add a 35-yard field goal by **Jonas Schenderlein** before MSUM scored a third touchdown to take a 21-10 lead into the break.

In the second half, Concordia's defense held strong, shutting out the Dragons the rest of the way. Junior cornerback **Dion Wallisch** excelled in his assignment by holding All-America wide receiver Damon Gibson to just three catches for 24 yards before halftime before a silent second half.

Offensively, CSP backup quarterback and 2016 starter **Ron Johnson** in the third quarter and he executed by completing 4-6 on his first drive under center of the season. Rolle aided the offense's efforts with a 48-yard run on the first play of the drive, but it was Johnson who found **Marcus Gustaveson** for an 8-yard touchdown to make it a 21-17 game.

On CSP's second drive of the second half, Rolle once again ripped off a big gain, this time for 33 yards to once again put CSP into Dragon territory. The drive came to a close near the goal line, as Johnson was hit lunging toward the end zone, fumbling to the Dragons near the end of the third quarter.

The Bears would get back inside the 10 yard line again on their third drive of the half, with Johnson converting a 3rd and 15 by scrambling out of the pocket towards the far sideline, planting and firing a strike to **Jake Tanner** for a 40 yard gain to the MSUM five yard line. The Bears weren't able to punch the ball in from there and settled for Schenderlein's second field goal, a 23 yarder with 9:37 to play in the game to cut it to 21-20.

The Dragon defense held from there as CSP would only get one first down in the closing minutes while the Dragons successfully iced the clock with their ground game.

MSUM rushed for 234 yards on the night as CSP held its high powered passing attack to just 156 yards.

Concordia countered with 220 team rushing yards on 42 carries while passing for 233 yards between starter Maxon Hutton (12-22, 120 with 9-41 rushing) and Johnson (8-16, 113, TD).

Defensively the story was how CSP was able to hold Gibson, Demetrius Carr and th Dragon passing game in check. Wallisch finished with six tackles. Linebackers **Billy Brown** (13) and **Frantz Polimice** (12) led the team in tackles with Polimice providing underneath coverage help on Gibson frequently. **Jackson Dobbs** led the defensive line with nine tackles and a fourth down sack in the first half.

STANDOUT SPECIAL TEAMS UNITS

A preseason emphasis was placed on the importance of special teams across all of the units under special teams coordinator **Jake Munkwitz**: kickoff and punt coverage, kickoff and punt return, kick and punt block and the kicking game. CSP already brought a pair of All-NSIC specialists to the kicking game, and invested heavily on practice time to ensure the rest of the units would be as efficient as the two kicking legs.

On coverage, sophomore running back **Darnell Rolle** leads the special teams with six total tackles including three in week one, with five of the six stops on punt coverage. Senior **Billy Brown** follows with three tackles - all in punt coverage while senior **Breon Hoosier** also adds three special teams tackles.

Long snapper **Dalton Smerchek** forced and recovered a fumble on punt coverage in the red zone at Bemidji State, setting up an easy touchdown for the offense.

The team has produced a pair of blocked kicks (**Dylan Wood**, blocked FG vs Minot, **Cole Riemer** blocked PAT at BSU) in each of the first games. The special teams has not allowed a blocked kick or punt all season, either.

In the return game in week one, **Jake Tanner** had three punt returns for 68 yards with a long of 43 and ranks 23rd in the country in punt return average (12.8) on the year (6-77). **Elias Arlington** added a 91-yard kickoff return for a touchdown in week two and averages 26.6 yards to rank 34th in the country and third in the NSIC in return average on the year.

Meanwhile, **Jonas Schenderlein** has produced touchbacks on 11 of his 17 kickoffs and the coverage unit has held opponents to an 17.2 average compared to CSP's 24.0 average.

Schenderlein is also 4-5 on field goals including his second career 50-plus yarder (50) at Bemidji State.

ALL-CONFERENCE KICKING GAME RETURNS

The Golden Bears return an All-NSIC kicking tandem in 2016 All-NSIC South Division First Team kicker **Jonas Schenderlein** and Second Team punter **Sam Maedke**. The duo are in their third years as the starter at the positions, with Maedke now a senior and Schenderlein a junior. Schenderlein has added kickoffs to his repertoire for 2017. More on the pair in the next 2 sections:

MEET THE STARTING QB: MAXON HUTTON

In head coach Shannon Currier's offensive philosophy, versatility is valued across the field from up front, to the backs and receivers and includes the quarterback. The Golden Bears have three multi-faceted quarterbacks on the roster, 2016 starter **Ron Johnson**, third year spot starter **Trevor Tillett** and the 2017 starter **Maxon Hutton**. While comfortable with all three in the huddle, Hutton claimed the starting nod out of camp.

In game one in his first career start, Hutton was not sacked and committed just one turnover while engineering a balanced offense that played comfortably with the lead in a 24-0 win over Minot State.

Backups Johnson and Tillett bring plenty of experience to the group. Last year, Johnson passed for 2,115 yards and 14 touchdowns and added six rushing touchdowns. Johnson played the second half of week four at MSUM, completing 6-16 for 113 yards and a touchdown in his first snaps of 2017. Tillett has played in 10 games in his career, passing for 859 yards and four touchdowns. All three have thrown at least 15 passes in 2017.

HEAD COACH SHANNON CURRIER | 6TH SEASON

Originally the eighth head coach of Concordia football in 2000, Shannon Currier returned to lead the program for his second stint in December, 2015.

He entered his fifth season leading the team in 2016 and remains the program record holder for career winning percentage.

In his first stint, he compiled a 32-12 (.727) record and brought the program its first NSIC Championship

in 2003 when he was named NSIC Coach of the Year. The conference title also brought a berth in the Mineral Water Bowl, the first postseason game in school history.

He coached Concordia to four consecutive winning seasons and is the only coach in program history to achieve the feat - consecutive or cumulative.

THE GRIFF MYTH - PROTECTING HOME TURF

The team also established the longest home winning streak in school history under his guidance. Known to the teams as the "Griff Myth," Concordia tallied 19 consecutive home victories down the street at Griffin Stadium. The streak began in 2002 and stretched two years after Currier left through the 2005 season, finally falling at the beginning of 2006.

In Currier's first four years, his teams only lost two home games, producing a record of 18-2 after winning his first and last nine home games.

CAREER AT TRUMAN

Following the program's 2003 NSIC Championship run, Currier accepted the head coach position at Truman (State) University where he turned a losing program into a pair of 6-5 winning campaigns in his third and fourth seasons.

His tenure was highlighted in his third year, leading the Bulldogs to a 6-3 record in a strong MIAA, finishing fourth in the league. He left the program following a 4-7 season in 2008 with a 20-35 overall record.

PRIOR TO REJOINING CONCORDIA'S SIDELINES

Following his departure from Truman, Currier spent seven years working outside of the coaching profession as a senior sales manager with iHigh.com working to build a digital platform for high school sports, reaching up to 1.5 million Minnesotans in his final year with the company.

NSIC BACKGROUND & ST. PAUL PRIVATE EDUCATION

He arrived at Concordia in 1999 as offensive coordinator and recruiting coordinator for former head coach and athletics director Dan O'Brien, now an assistant coach for the University of Minnesota.

Prior to joining Concordia, Currier spent two years each in similar roles at Southwest Minnesota State and Minnesota Crookston following his start in college coaching at Bemidji State as an offensive graduate assistant where earned his master's degree in physical education.

A native of Cosmos, Minnesota, Currier was a quarterback at Hamline University where he graduated with a degree in physical education in 1993.

SOPHOMORES SPEARHEAD OFFENSE

In week one, the skill positions were led by a sophomore trio that could be a playmaking force for years to come. Quarterback **Maxon Hutton** engineered the offense effectively, using big plays with the arm in the first half in building a lead before ceding to the run game in the second half to preserve the win. He finished with 199 yards of total offense (168 pass, 31 rush).

His top target was sophomore **Marcus Gustaveson** (6-116, 1 TD) as the duo connected for a career-long (for each) 45 yard play to set-up an 11 yard touchdown between the pair in the second quarter. Gustaveson topped 100 yards in the first half.

On the ground, sophomore **Darnell Rolle** rushed for the bulk of his 107 yards in the third quarter (6-84), finishing with 17-107 and a touchdown after going for just 11 for 23 in the first half. In his first career 100-yard day, Rolle wasn't used in the fourth quarter as the deep backfield helped preserve the big lead.

After four weeks, Hutton has passed for 709 yards and five touchdowns, Rolle leads the team and is fourth in the NSIC with 345 rushing yards at 6.1 per carry and three total touchdowns (2 rush, 1 rec) and Gustaveson is second on the team in catches (12), yards (224) and receiving scores (3).

ARLINGTON & GUSTAVESON BREAKING OUT

Sophomore **Marcus Gustaveson** had a pair of 100-yard games as a true freshman when the lights were shining brightest against UMD (7-115, 2) in week three and Augustana in week 10 (10-129, 1). He led the team in catches (41), yards (564) and touchdowns (5) as a true freshman while missing one game and being slowed in parts of others due to injury. In the spring, he became a two-sport star by breaking the program record in the shot put at the NSIC Outdoor Track & Field Championships hosted on his home turf at Sea Foam Stadium.

He opened 2017 with his third 100-yard receiving game of his career with 6-116 and a touchdown in a 24-0 win over Minot. After four weeks, he's the top red zone threat with three receiving touchdowns as well as the top big play threat with a team best 18.7 receiving average. He's second on the team in receptions (12) and yards (224).

Through four weeks, senior **Elias Arlington** has emerged as a top threat opposite Gustaveson, recording his first career 100-yard receiving game in week three against SCSU (5-126, 1 TD) before posting a career-high eight catches in week four at MSUM (8-80). He leads the team in catches (16), yards (248) and has a touchdown.

Overall, the receiving corps is based on depth as CSP's three quarterbacks have completed at least two passes to 10 different options and has connected with 11 different receivers on the year. Six players have at least six catches. Joining Gustaveson with 12 receptions is junior **Jake Tanner** (12-124, long 40).

YOUTH IN THE SUNSHINE STATE BACKFIELD

Led by true sophomore **Darnell Rolle** (Miami), Concordia's running backs share multiple common traits: the top three in the rotation all come from Florida, and all three are underclassmen as Rolle is joined by freshmen **Lajuan Preston** (Fort Myers) and **Shaq Johnson** (St. Petersburg).

In the opener, the trio combined for 165 yards on 25 attempts (6.6 avg) led by Rolle (17-107, TD). The backfield is deeper than the three youngster from Florida, however, as junior **RaQuan Cunnigan** is second on the team among running backs in attempts (13), yards (57) and average (4.4) with Rolle leading the team across the board (55-345, 2 TD). Johnson (13) and Preston (10) are right there with Cunnigan on carries with Johnson adding 43 yards and a touchdown and Preston bringing 26 yards.

OFFENSIVE LINE GROWS IN STRENGTH, CONTINUITY

When head coach **Shannon Currier** was hired in December, 2015 he inherited four offensive linemen. In 2016, the Golden Bears provided the young offensive line a chance to compete and play as true freshmen, gaining valuable experience early in their careers. This year, the starting five up front include junior tackles **Ben Lawrence** and **Terrell Taylor** with a sophomore interior of **Hunter Kauffman** at center surrounded by **Rich Kelly** and **Ethan Aune** at the guard spots. The team is not expected to play a true freshman up front this year and only has one senior.

So far in 2017, the offensive line ranks 28th in the country (3rd NSIC) with just 4.5 tackles for loss per game allowed while ranking 4th in the league (50th DII) in fewest sacks allowed (1.5/game).

The unit has also blocked for two 100-yard rushing performances by **Darnell Rolle** (week 1 vs Minot & week 4 at MSUM) in games where the team ran for 199 and 229, respectively.

100 TACKLE CLUB

Three senior Golden Bears have topped the 100-tackle plateau and represent each level of the defense. In the secondary, senior safety **Breon Hoosier** leads all players with 119 career tackles including 18 in 2017. Up front, its fourth year starting nose tackle **Chazz Roberts** with 106 including 20 for loss and five sacks. He's made nine tackles so far this year. Leading the linebacking corps is **JJ Przybylka** with 100 career tackles including 5.5 for loss. He's made a pair of tackles while battling injury during his senior campaign. The next closest to reaching 100 is junior safety **Brandon Russell** with 85.

DEFENSIVE LINE FEATURES EIGHT MAN ROTATION

The 2017 defensive line two deep features a bright future with fourth year starting nose tackle **Chazz Roberts** as the only senior and junior defensive tackle **Adam Miller** as the only junior on the unit. Sophomores **Dylan Wood**, **Cole Riemer** and **Kelly Pierce** start along side Roberts and all three made an impact as freshmen a year ago.

Pierce (20 tackles, 2.0 TFL) and Wood (19 tackles, 1.0 sack, 1 blk) lead the unit statically while sophomore **Jackson Dobbs** came on strong in his return from injury the past two games with 11 tackles, producing nine of them with a sack last week at MSUM. Riemer and Wood have each blocked a kick on special teams as well.

Adding youth to the mix on the second line are redshirt freshmen **Rahiem Ladson** and **Malik Patterson** and true freshman **Chris Garrett**. Garrett and Patterson each produced a sack in their debuts, with Garrett's being a strip-sack and fumble recovery in the 24-0 shutout over Minot in the opener.

VETERAN LINEBACKERS LEAD THE WAY

The starting linebackers for CSP are among the most experienced position on the roster with seniors **Billy Brown** and **Frantz Polimice** on the outsides and junior **Mitch Zillman** at the Mike. Senior **JJ Przybylka** also sees significant time at the Mike and junior **Isaiah Walker** adds experience at SLB behind Brown. The veteran players are joined by true freshmen **Blake Evans** and **Gabe Nkumu**.

After career-high performances by Brown (13 tackles) and Polimice (12) in week four at MSUM, it's Zillman lead the unit with 27 tackles followed by Brown & Polimice (24).

SZUTKOWSKI A TACKLES MACHINE AT SAFETY

Sophomore **Brian Szutkowski** has led the team for a majority of the early season, producing 29 through the first four weeks including a career-high of 11 in week three against SCSU. He's made at least five tackles in each game and also has two tackles for loss and two pass breakups.

Senior strong safety **Breon Hoosier** had a strong debut in 2017 with a pair of sacks blitzing Minot from the secondary. Now a fourth year contributor, Hoosier has 119 career tackles, 5.0 for loss, and seven pass breakups with one interception.

Junior **Brandon Russell** provides depth with 85 career tackles, 6.0 for loss and produced 48 tackles (5.0 for loss) a year ago.

TRANSFERS START AT THE CORNER

Nearing the midway point of 2017, junior Dion Wallisch has emerged as one of the top defensive players on the team. He held BSU's All-NSIC second team receiver to 3-21 receiving and upped his effort against MSUM's All-American Damon Gibson to 3-24. Also a sound tackler, Wallisch is fifth on the team with 22 tackles and second in solo stops (13) while leading the team with three pass breakups. As a true freshman at Minnesota Crookston in 2015, he was fourth on the team with 56 tackles including 4.5 for loss.

Senior captain **Andrew Capirchio** returns at the other starting corner spot after working his way into spot starts in 2016 as a junior transfer from Scottsdale CC. He's made 11 tackles with two pass breakups on the year. Redshirt freshman **Desmond Hudnall** and true freshman **Lorenzo Kendricks** provide depth.
