SENIOR DAY TO BE AT SEA FOAM STADIUM IN FINALE

Concordia athletics and the football team announced that the season finale on November 11 against Southwest Minnesota State has been relocated back to campus at Sea Foam Stadium. The originally scheduled home game was moved to Hamline University's Klas Field prior to the season starting to accommodate the inflation of the Concordia Dome over the Sea Foam Stadium turf. The athletic department and football team were able to push the date of the bubble inflation back, securing a complete six game home schedule. This will be the third six game home schedule since opening Sea Foam Stadium in 2009 joining the 2010 and 2015 seasons.

ABOUT THE WILDCATS

Wayne State had a strong start to the season and was just two plays away from a 6-0 start, falling 23-16 at Northern State in the season opener and 34-31 in double overtime at home to Minnesota Duluth. The big start included blowout wins over U-Mary (48-10) and at Minnesota Crookston (33-14) in the NSIC North along with narrow NSIC South wins at Augustana (16-13) and at home against Southwest Minnesota State (20-6).

The Wildcats have excelled this season at building early leads with a 61-12 margin in the first quarter on the season. Playing with the lead, WSC's secondary has been aggressive against opposing pass games, leading the country with 16 interceptions. Seven of those interceptions came in a week five 16-13 road win over Augustana. **Glenn Harris** is third in the country and leads the league with six interceptions in eight games.

Offensively, **Rashad Trimble** leads the team with 673 yards and five touchdowns and is the league's third leading rusher. The pass game features three players with at least 30 catches led by **Layne Sullivan's** 45-456-2 while **Nate Rogers** (30-421) is second in the league with nine receiving touchdowns. **Willie Walton** (30-420-2) and **Sam Wegner** (12-315-3) give the team a strong third and fourth option.

Three different QB's have thrown at least 35 passes led by **Zach Osborn** (108-192-5, 1480, 14 TD), but he is not listed on WSC's week eight two deep. **Taylor Reedy** (20-39-3, 144, 1 TD) is listed as the team's starting quarterback this week.

MEET THE 2017 TEAM CAPTAINS

Concordia head coach **Shannon Currier** has announced four captains for the 2017 season with senior tight end **Matt Bjork** (De Pere, Wis.) repeating as a two-time captain. He's joined by seniors **Andrew Capirchio** (CB, Fountain Hills, Ariz.) and **Frantz Polimice** (LB, Palm Bay, Fla.) and fourth year sophomore **Rich Kelly** (OG, Plainfield, Ill.).

To become a captain, players had to go through an formal application process that also included reading three books, community service and obtain letters of recommendation. The team voted on the applicants who completed the process to select its captains.

SERIES NOTES: CONCORDIA 9, WAYNE STATE 9

The series began in 1999 when Concordia joined the NSIC and Division II. The two teams have played every year since, splitting their 18 meetings including an identical home/road split. CSP is 5-5 against WSC in St. Paul and 4-4 against the Wildcats in Wayne. However, the Golden Bears have won two of their last three trips to Wayne America, falling 20-17 last time in 2015 but winning 28-24 in 2013 and 17-14 in 2010 during CSP's Mineral Water Bowl season. Overall, WSC has on the last three meetings between the programs and four of the last five.

The Golden Bears are 4-1 against WSC under head coach **Shannon Currier**, winning the four meetings during his first stint from 2000-03 including Currier's only trip to Wayne State in 2001, a 14-11 Golden Bear win.

LAST MEETING, 2016: WAYNE STATE 45, CONCORDIA 10

The Golden Bears and Wildcats combined to turn the ball over nine times, but Concordia committed six of those and didn't capitalize on the three it forced as WSC outscored CSP 24-3 on turnovers in the contest.

Early in the game, following a Wayne State touchdown in the first quarter, the Bears started the turnover fest as **Dominic Nabak** picked up his second interception of the year on a deep pass down the sideline. The Bears scored 10 players later as **Jonas Schenderlein** converted a 35 yard field goal to start the year 4-4 on field goal tries.

Following the Schenderlein field goal, CSP's offense would hit a snag with three punts, two fumbles lost and an interception. The Wildcats capitalized on the turnovers, turning short fields in the second quarter into a 24 yard touchdown drive before a 30 yard drive turned into a field goal for a 17-3 halftime lead.

In the first half, Concordia found success on the ground with 15-70 team rushing yards while holding WSC to 23-58 rushing. WSC had success through the air behind quarterback **Zach Osborn** who completed 15-23 for 158 but CSP intercepted him three times in the first half (**Nabak**, **David Reed**, **Andrew Capirchio**).

In the first half, turnovers were even (3-3) but WSC had built a 10-3 margin off turnovers as Concordia was unable to build momentum off its interceptions of Osborn.

In the second half, **Maxon Hutton** took over under center and ripped off runs of two, eight and 49 yards to put the Bears in the red zone before the Wildcats picked off a pass in the end zone on first and goal from the seven.

Although CSP's defense responded with a stop, the Wildcats picked off a pass, their fifth forced turnover, and returned it for a touchdown for a 24-3 lead midway through the third quarter.

On WSC's next drive, the Bears had WSC facing a 3rd and 6 from their own 22, but the Wildcats were able to execute a 78 yard touchdown to put the game out of reach, 31-3.

It was a devastating string of events: red zone turnover as CSP was driving, the pick-six by WSC and the big third down touchdown for a 21-point swing.

In the fourth quarter, **Ron Johnson** re-entered the contest and engineered an 11-play, 75-yard scoring drive that he punched in with his fifth rushing touchdown of the year on a seven yard keeper. He finished 10-28 for 78 yards while Hutton was 5-8 for 52 yards. The duo combined for 130 yards passing. They also combined for 14-67 rushing (Johnson 6-31, Hutton 8-36).

Elias Arlington was the top target with 4-37 receiving while **Darius Chapes** led the ground game with 10-52, a solid 5.2 per carry while adding 2-27 receiving for 79 combined yards.

Osborn finished 18-28-3 for 251 yards and four touchdowns for WSC. **Shymere Williams** led the Wildcats with 6-160 and two

touchdowns including the 78-yarder. **Rashad Trimble** led the ground game with 27-94.

Concordia's defense was led by the early season NSIC tackles leader **Sam Johnson** with 10, his third double-digit tackle game of the first five weeks. He added 1.5 of CSP's 8.0 team TFL.

In addition to his interception, Reed added eight tackles and a tackle for loss while **Ryan McKee** had six tackles and a sack.

LAST WEEK: #15 SIOUX FALLS 27, CONCORDIA 9

Just a week after leading #13 Winona State 3-0 at the end of the first quarter - CSP's first lead at the end of the first quarter all season along with the first points scored against WSU's nationally-ranked defense in the first quarter all year - the Bears were back at it again early in the game against a nationally-ranked team with one of the top defenses in the land.

Maxon Hutton broke loose for a 61 yard run on the second play of the game to put CSP in scoring position at the USF 27 yard line. Although the drive stalled, **Jonas Schenderlein** executed the 46 yard field goal into the wind with plenty of distance for the 3-0 lead just two and a half minutes into play.

Schenderlein tied a CSP record in the game by connecting on three field goals from 46, 29 and 58 - the second longest in school history, just a yard shy of the record. He also had notable misses, a 63-yard try that had the distance and just narrowly missed right, a 54-yarder that was blocked and a 44 yard try that snapped his streak of 16-straight makes inside of 50 yards.

His big day also included three touchbacks on four kickoffs.

The big story was that CSP was able to get in scoring position six times in the game against the second ranked scoring defense, run defense and total defense in Division II football.

Schenderlein's 58 yard field goal with 7:40 to play in the third quarter brought Concordia within a one score margin, trailing the Cougars 17-9 at the time, and had he been able to convert all six attempts, the Bears could have held an 18-17 lead entering the fourth quarter.

One of Schenderlein's field goals, his 29 yarder in the second quarter, was set up by freshman **Lorenzo Kendrick** forcing a fumble recovered by senior **Andrew Capirchio** at the USF 33.

Concordia, who won the turnover margin 1-0 just a week before against the top ranked turnover team in the country (WSU, +2.17/ game), held a 1-0 turnover margin entering the fourth quarter before a fourth quarter interception evened the final tally.

While CSP was able to get in scoring position for six field goals, the defense held the Cougars to five scoring opportunities with USF able to cash in on all five including three touchdowns.

After three quarters, the Cougars only had a 251 to 202 margin in total offense with CSP rushing for 91 yards in three quarters.

But by game's end, when USF was able to run with a stiff wind at its back in the fourth quarter, the Cougars finished with 231 yards on the ground and 386 yards of total offense compared to CSP finishing 28-93 rushing and 238 yards of total offense.

The fourth quarter featured USF out-gaining Concordia 135 to 37, leading to the decisive touchdown and field goal to pull away.

The Golden Bear defense held USF to 6-of-14 on third down and forced six Cougar punts. The Bears, who punted five times, had a +14.8 yard advantage in the punting game behind Sam Maedke's 45.8 average with two inside the 20 and a long of 58.

The defensive effort was led by **Antonio Zepeda's** 14 tackles followed by **Blake Evans** with 11. The two linebackers were joined by CSP's other starting linebacker **Billy Brown** with nine tackles and 1.0 for loss as the trio racked up 34 tackles.

They played behind a more effective defensive line led by **Dylan Wood's** seven tackle, 3.0 TFL, 2.0 sack performance playing inside between defensive ends **Chris Garrett** and **Jackson Dobbs** who played together for the first time in a game this year.

USF's defense was led by **Dennis Gardeck** who entered leading the country with 1.43 sacks per game, adding two more to his total while tallying 4.0 TFL.

Elias Arlington led Concordia's offense with 168 all-purpose yards, hauling in 5-82 receiving with a long of 31 to go with 3-86 returning kickoffs with a long of 34.

Jason Towns rushed for 125 yards and a touchdown on 25 carries for the Cougars. **Ian Fieber** completed 13-22 for 155 yards with two touchdowns. Seven of his nine incomplete passes were pass breakups by CSP.

STANDOUT SPECIAL TEAMS UNITS

A preseason emphasis was placed on the importance of special teams across all of the units under special teams coordinator **Jake Munkwitz**: kickoff and punt coverage, kickoff and punt return, kick and punt block and the kicking game. CSP already brought a pair of All-NSIC specialists to the kicking game, and invested heavily on practice time to ensure the rest of the units would be as efficient as the two kicking legs.

On coverage, sophomore running back **Darnell Rolle** leads the special teams with 10 total tackles including three in week one, and nine total on punt coverage. His 12 total tackles rank 18th overall on the team.

Long snapper **Dalton Smerchek** forced and recovered a fumble on punt coverage in the red zone at BSU, setting up an easy touchdown for the offense and is second on the team with eight special teams tackles (all on punts).

The team has produced four blocked kicks: **Dylan Wood** FG vs Minot; **Cole Riemer** PAT at BSU, **Elias Arlington** punt at UIU and **Antonio Zepeda** FG vs WSU. The kicking unit, by comparison, has only allowed one blocked kick (54 yd FG vs USF, wk 8).

Adding a wrinkle to the mix in week five, CSP executed a 35-yard fake punt with punter **Sam Maedke** connecting with senior tight end **Justin Axelson** against Minnesota State. A 2016 All-NSIC Second Team performer, Maedke is once again among the upper echelon of Division II punters, ranking 31st in DII and 1st in the NSIC (40.7).

In the return game junior **Jake Tanner** opened the year 3-68 on punt returns with a long of 43 and currently ranks 35th in the country in punt return average (9.9) on the year (11-109). **Elias Arlington** added a 91-yard kickoff return for a touchdown in week two and averages 23.6 yards to rank fourth in the NSIC.

Meanwhile, **Jonas Schenderlein** has produced touchbacks on 22-of-33 kickoffs (best rate in DII football) compared to 15 of 49 by opponents.

Schenderlein is also 10-14 on field goals including a pair of 50-plus yard makes (50, wk 2 at BSU & 58, wk 8 vs USF). His 58 yard field goal is the second longest in DII this year and second longest in CSP history. He ranks 22nd in the country in field goals made (1.25/game) and 44th in percentage (.714).

HEAD COACH SHANNON CURRIER | 6TH SEASON

Originally the eighth head coach of Concordia football in 2000, Shannon Currier returned to lead the program for his second stint in December, 2015.

He entered his fifth season leading the team in 2016 and remains the program record holder for career winning percentage in year six.

In his first stint, he compiled a 32-12 (.727) record and brought the program its first NSIC Championship in 2003 when he was named NSIC Coach of the Year. The conference title also brought a berth in the Mineral Water Bowl, the first postseason game in school history.

He coached Concordia to four consecutive winning seasons and is the only coach in program history to achieve the feat - consecutive or cumulative.

THE GRIFF MYTH - PROTECTING HOME TURF

The team also established the longest home winning streak in school history under his guidance. Known to the teams as the "Griff Myth," Concordia tallied 19 consecutive home victories down the street at Griffin Stadium. The streak began in 2002 and stretched two years after Currier left through the 2005 season, finally falling at the beginning of 2006.

In Currier's first four years, his teams only lost two home games, producing a record of 18-2 after winning his first and last nine home games.

CAREER AT TRUMAN

Following the program's 2003 NSIC Championship run, Currier accepted the head coach position at Truman (State) University where he turned a losing program into a pair of 6-5 winning campaigns in his third and fourth seasons.

His tenure was highlighted in his third year, leading the Bulldogs to a 6-3 record in a strong MIAA, finishing fourth in the league. He left the program following a 4-7 season in 2008 with a 20-35 overall record.

PRIOR TO REJOINING CONCORDIA'S SIDELINES

Following his departure from Truman, Currier spent seven years working outside of the coaching profession as a senior sales manager with iHigh.com working to build a digital platform for high school sports, reaching up to 1.5 million Minnesotans in his final year with the company.

NSIC BACKGROUND & ST. PAUL PRIVATE EDUCATION

He arrived at Concordia in 1999 as offensive coordinator and recruiting coordinator for former head coach and athletics director Dan O'Brien, now an assistant coach for the University of Minnesota.

Prior to joining Concordia, Currier spent two years each in similar roles at Southwest Minnesota State and Minnesota Crookston following his start in college coaching at Bemidji State as an offensive graduate assistant where earned his master's degree in physical education.

A native of Cosmos, Minnesota, Currier was a quarterback at Hamline University where he graduated with a degree in physical education in 1993.

The duo are in their third years as the starter at the positions, with Maedke now a senior and Schenderlein a junior. Schenderlein has added kickoffs to his repertoire for 2017. MEET THE QUARTERBACKS: HUTTON & JOHNSON

In head coach Shannon Currier's offensive philosophy, versatility is valued across the field from up front, to the backs and receivers and includes the quarterback. The Golden Bears have three multi-faceted quarterbacks on the roster, 2016 starter **Ron Johnson**, third year spot starter **Trevor Tillett** and the 2017 starter **Maxon Hutton**. While comfortable with all three in the huddle, Hutton claimed the starting nod out of camp.

In week one in his first career start, Hutton was not sacked and committed just one turnover while engineering a balanced offense that played comfortably with the lead in a 24-0 win over Minot.

Tillett has also played in 11 games in his career, passing for 863 yards and four touchdowns. All three QBs have thrown at least 15 passes in 2017.

100-YARD PERFORMERS

Three different Golden Bears have combined for four 100-yard rushing or receiving performances on the season. It started in week one when sophomores **Darnell Rolle** (17-107, TD) and **Marcus Gustaveson** (6-116, TD) topped the century mark via the ground and air, respectively. The duo powered CSP's 24-0 season opening win over Minot State.

Senior **Elias Arlington** joined the club in week three with 5-126 and a touchdown through the air against St. Cloud State.

In week four, Rolle topped 100 for the second time with career-highs 22 carries for 172 yards and a touchdown.

GUSTAVESON A BIG THREAT AT WIDE RECEIVER

Sophomore **Marcus Gustaveson** had a pair of 100-yard games as a true freshman when the lights were shining brightest against UMD (7-115, 2) in week three and Augustana in week 10 (10-129, 1). He led the team in catches (41), yards (564) and touchdowns (5) as a true freshman while missing one game and being slowed in parts of others due to injury. In the spring, he became a two-sport star by breaking the program record in the shot put at the NSIC Outdoor Track & Field Championships hosted on his home turf at Sea Foam Stadium.

He opened 2017 with his third 100-yard receiving game of his career (6-116, TD) in a 24-0 win over Minot. In week six, Gustaveson had a career-high three TD receptions, hauling in 9-93 at Upper Iowa. He's 24th in the country and third in the league with seven touchdowns and ranks 19th in the NSIC in yards (378) and 19th in catches (27). He's had a TD catch in five of CSP's eight games this year.

ARLINGTON & TANNER EXCEL AT WR & KR/PR

Senior **Elias Arlington** has emerged as a top threat in the pass game, recording his first career 100-yard receiving game in week three against SCSU (5-126, 1 TD) before posting a career-high eight catches in week four at MSUM (8-80). He's eighth in the league in receiving yards/game (66.7), 11th in catches (4.3), fourth in KR average (23.6) and fifth in all-purpose (118.7).

Junior **Jake Tanner** is the league's third ranked punt returner (9.9) and is third on the team in catches (18) and receiving yards (181) while compiling 347 all-purpose yards (4th on CSP).

Overall, the receiving corps is based on depth as CSP's quarterbacks have completed at least two passes to 11 different options and have connected with 13 different receivers on the year. Six players have at least nine catches and five have at least 14 grabs.

YOUTH IN THE SUNSHINE STATE BACKFIELD

Led by true sophomore **Darnell Rolle** (Miami), Concordia's running backs share multiple common traits: the top three in the rotation all come from Florida, and all three are underclassmen as Rolle is joined by freshmen **Lajuan Preston** (Fort Myers) and **Shaq Johnson** (St. Petersburg).

Rolle is ninth in the NSIC in rushing yards (103-521) and is a dual threat with 9-64 receiving and three total TDs (2 rush, 1 rec). He has two 100-yard performances (17-107, TD vs Minot & 22-172, TD at MSUM) and a combined 100-yard game (21-86 rush, 3-40 rec at UIU).

Preston (24-106, long 46) and Johnson (21-60, TD) have been solid as rookies in relief of Rolle.

OFF. LINE GROWS IN STRENGTH, CONTINUITY

When head coach **Shannon Currier** was hired in December, 2015 he inherited four offensive linemen. In 2016, the Golden Bears provided the young offensive line a chance to compete and play as true freshmen, gaining valuable experience early in

their careers. This year, the starting five up front include junior tackles **Ben Lawrence** and **Terrell Taylor** with a sophomore interior of **Hunter Kauffman** at center surrounded by **Rich Kelly** and **Ethan Aune** at the guard spots. The team is not expected to play a true freshman up front this year and only has one senior.

So far in 2017, the offensive line ranks fifth in the NSIC with just 5.6 tackles for loss per game. The group has developed continuity, with all five starting all seven games with only one exception (**Caleb Sheets** at RT in week four).

WALLISCH EMERGES AS DEFENSIVE STOPPER AT CB

Just past the midway point of 2017, sophomore **Dion Wallisch** has emerged as one of the top defensive players on the team. He held BSU's All-NSIC second team receiver to 3-21 receiving and upped his effort against MSUM's All-American Damon Gibson to 3-24. He's also picked off passes against nationally-ranked opponents in the first quarter: against #6 MSU in the end zone and #13 Winona State on its opening drive in CSP territory with a 45-yard return to the WSU red zone, setting up a field goal.

Also a sound tackler, Wallisch is sixth on the team with 38 tackles while leading the team with six pass breakups. He adds a 23.8 average on kickoff returns. As a redshirt freshman at Minnesota Crookston in 2015, he was fourth on the team with 56 tackles including 4.5 for loss. He missed last year at UMC due to medical reasons and joined CSP at the semester break last winter.

Senior captain **Andrew Capirchio** returns at the other starting corner spot after working his way into spot starts in 2016 as a junior transfer from Scottsdale CC. He's made 33 tackles with three pass breakups on the year. Redshirt freshman **Desmond Hudnall** and true freshman **Lorenzo Kendrick** provide depth at CB with Kendrick forcing a fumble and adding a high of seven tackles against USF in week eight.

100 TACKLE CLUB

Three senior Golden Bears have topped the 100-tackle plateau and represent each level of the defense. In the secondary, senior safety **Breon Hoosier** leads all players with 131 career tackles including 30 in 2017. Up front, its fourth year starting nose tackle **Chazz Roberts** with 125 including 22 for loss and five sacks. He's made 28 tackles and 2.5 TFL so far this year. Leading the linebacking corps is **JJ Przybylka** with 101 career tackles including 5.5 for loss. He's made three tackles while battling injury during his senior campaign. The next closest to reaching 100 is junior safety **Brandon Russell** with 89.

DEFENSIVE LINE BATTLING THROUGH INJURIES

The 2017 defensive line has experienced a number of injuries. Through week eight, the statistical leader up front has been **Dylan Wood** (44 TT, 7.5 TFL, 4.0 SK). Wood has had back-to-back 3.0 TFL games against #13 WSU & #15 USF including his first 2.0 sack game against USF. Senior **Chazz Roberts** has had a strong year inside, creating chaos for opposing lines while piling up 28 tackles and 2.5 TFL.

Adding youth to the mix is true freshman **Chris Garrett** who produced a strip sack and recovered the fumble in his debut in a 24-0 shutout win over Minot in the opener. Although he missed weeks two through five, he came back with a pair of sacks and eight tackles in week six at Upper Iowa and has amassed 23 tackles, 4.0 TFL and 3.0 sacks in just four games. Garrett finally got to play his first snaps with veteran **Jackson Dobbs** in week eight against USF as each lineman has missed four contests this year. Dobbs has 16 tackles, 1.0 TFL and 1.0 sacks.

EVANS BREAKING THROUGH AT LINEBACKER

Freshman **Blake Evans** has nudged his way into the starting lineup the last three weeks and is now second on the team in tackles (61) following a team-season high 14 tackles against #13 Winona State and 11 more last week against #15 Sioux Falls. He has 40 tackles in the last four games and at least three tackles every game in 2017. Senior **Billy Brown** has registered 43 stops including 21 over a two game period against SCSU (8 TT, 1.0 TFL, 1 SK) and at MSUM (13 TT). Sopho-
