THIS WEEK: BEARS OPEN TWO GAME ROAD STRETCH

Concordia embarks on its only 2-game road swing of the season starting this Saturday with a 6 p.m. night game at Wayne State before heading to St. Cloud State to start four weeks of NSIC North-South play next Saturday.

The Golden Bears and Wildcats meet for the 21st time, each having registered 10 victories in the all-time series. Concordia is coming off of a 29-3 loss to #3 Minnesota State while Wayne State saw a 13-0 second quarter lead evaporate in a 26-13 loss at Augustana last week.

CSP LED BY "COACH C" - ALL-TIME WINS LEADER AT CSP

Last year in his seventh as head coach at Concordia, **Shannon Currier** became the school's all-time wins leader, winning his 41st game 16-10 at SMSU in week 10 on November 3, 2018, surpassing **Mark Mauer** (40-39), who coached the program for seven seasons from 2004-10.

Currier, now in his eighth season, carries a 43-37 career record, has a 25-13 home record and is 8-0 in home openers. He's been head coach across two different stints, 2000 to 2003 and 2016-present while also serving as head coach at Truman State for five seasons from 2004-08. He was 2003 NSIC Coach of the Year, leading the program to its first NSIC Championship.

COACHES SHOW RETURNS TO TWIN CITIES RADIO IN 2019

The Coaches Show with **Shannon Currier** is back for a second year, once again hosted by **Wally Langfellow** of Minnesota Score. The show airs following the Minnesota high school football game of the week, typically on Friday evenings in the 9 p.m. to 10 p.m. hour on KYCR 1440 AM radio, available in the Twin Cities metro area. This week's guests include senior wide receiver **Marcus Gustaveson** and junior cornerback **Preston Piltoff**.

For fans who miss the show or are outside of the radio station's Twin Cities reach, the entire show is accessible via the CSP Bears Podcast, available in Spotify, iTunes, Stitcher and Google Play Music. It will typically be uploaded late Friday night (after the initial air time) or Saturday morning prior to the game.

CSP MAKES FROGTOWN RADIO DEBUT IN ST PAUL

Concordia continues to make a positive impression in the St. Paul community with local radio station WFNU (94.1 FM) starting a regular segment to air on Saturday mornings at 9:30 a.m. For those outside the listening range, the station has started recording interviews for a podcast titled "Concordia-St. Paul Scoreboard" which is available on Spotify and Anchor. Follow WFNU Frogtown Radio's CSP connections at @ScoreboardCSP and @651SportsUpdate for regular updates.

2019 TEAM CAPTAINS

CSP head coach **Shannon Currier** will have rotating team captains each week for the second year in a row in 2019. Captains are selected by the coaching staff based on performance on the field and as a leader in practice, meetings and day-to-day activities.

This week's game captains: senior offensive lineman **Rich Kelly** (4x) and senior quarterback **Maxon Hutton** (4x) on offense and junior **Chris Garrett** (4x) and senior **Jackson Dobbs** on defense. *A full listing of the team captains is available on page 5.*

DOBBS HONORS FALLEN FRIEND WITH NUMBER CHANGE

Senior defensive end **Jackson Dobbs** changed jersey numbers from 98 to 26 to honor **Billy Brown, Jr.**, a linebacker who graduated from CSP in May, 2018. Billy passed away shortly after graduating while working out in the Twin Cities in June. The two were close friends, and head coach **Shannon Currier** has opted to honor Brown by selecting a player who fits Billy's work ethic and commitment to the program to wear the number each season.

Dobbs has racked up 141 career tackles, 23.5 TFL and 14.0 sacks in 31 games and is a sixth year senior.

NOTES ABOUT THE WILDCATS

Wayne State entered 2019 picked 13th in the NSIC Preseason Coaches Poll, behind Upper Iowa and SMSU who were tied for 11th, but picked sixth by the NSIC South Division coaches, ahead of SMSU and UIU who were tied for seventh.

The Wildcats are off to a 1-2 start to the season, falling 37-20 at Winona State and 26-13 at Augustana in week 1 and 3 road games, while sliding past SMSU 19-13 in overtime in the week two home opener.

Last week, Wayne State saw a 13-0 lead late in the second quarter disappear in a 26-13 loss at Augie.

The Wildcats have been solid on third down, converting 45 percent (22-49) but have punched the ball in the end zone just five times in 11 trips.

WSC has also been outscored 30-0 on turnovers on the season although they've averaged over 400 yards of total offense including 272 through the air and an average of 21 first downs per game.

Defensively, they've allowed 375 yards per game but they've held strong in the red zone, allowing just three touchdowns although opponents have been to the red zone an average of five times per game.

Andy McCance is the league leader with 817 passing and 960 yards of total offense, although the freshman has thrown 7 INTs and 5 TD passes.

His top two targets are **Mason Lee** (15-172, 2 TD) and **Taurean Grady** (13-197, 2 TD).

Aaron Wright leads the league with a 31.8 KR average including a TD and **Ethan Knudson** has made 4-4 PATs and FGs for 16 points to lead special teams.

Jacob Protzman leads the defense with an NSIC best 6.0 TFL while **Kevin Ransom** is third in the league with four pass breakups and 12th with 21 tackles.

Concordia's entrance into the NSIC and held a 6-2 record in the first eight meetings through 2006. From there, Wayne State won eight of the next 11 including three straight from 2007 to 2009 and four straight from 2014 to 2017. Concordia snapped the four game skid in the series with last year's 29-7 win on MidcoSN's Thursday Night Football Game of the Week on a stormy night at Sea Foam Stadium in St. Paul.

In Wayne, Concordia holds a 4-5 all-time record and has lost two in a row in Wayne America, 27-23 in the last trip in 2017 and 20-17 in 2015. The last four games played in Nebraska have been decided by four points or less and only two of the nine games played there all-time have been decided by more than four points, 1999 (WSC 39, CSP 21) and 2008 (WSC 41, CSP 17).

Head coach **Shannon Currier** holds a 5-2 record against Wayne State and is 1-1 in two trips to Wayne America. In Currier's first term in 2000-to-2003, the Golden Bears went 4-0 against the Wildcats, winning their only road trip 14-11 in 2001. Since rejoining the sidelines in 2016, Currier's Golden Bears are 1-2 against the Wildcats, falling 27-23 in the only trip there in 2017 but winning last year's game 29-7 in St. Paul.

LAST MEETING, 2018: CONCORDIA 29, WAYNE STATE 7

Concordia couldn't be slowed down by a pair of lightning delays or the Wayne State Wildcats on Thursday night football last year in week four, winning 29-7 to snap a four game losing streak to WSC while evening the all-time series at 10-10.

It was also the program's first three game winning streak at Sea Foam Stadium, which opened in 2009.

The game had a kickoff delay of 25 minutes followed by a one our, 29 minute first quarter delay after CSP took a 7-0 lead on a 13-yard **Shaq Johnson** touchdown run.

Johnson had 12 carries for 94 yards along with the TD to lead CSP to a 200-yard rushing performance on 43 team attempts. Johnson also had his season ended due to injury in the contest.

Following the delay, defensive end **Jackson Dobbs** secured a sack that led to a 3-and-out with WSC snapping the ball out of the end zone for CSP's first safety since 2012 and a 9-0 lead.

Following an early second quarter 30-yard field goal by **Jonas Schenderlein**, quarterback **Dom McKinzy** connected from 31 and 40 yards to **Marcus Gustaveson** and **MJ Williams**, respectively.

The McKinzy-Williams TD came with just five seconds to play in the half and gave CSP a 26-0 lead.

In the second half, WSC didn't score until 4:25 to play in the fourth quarter, a 1-yard touchdown run by **D'andre Vanexel** who finished the game with seven carries for 45 yards.

Schenderlein added his second field goal with 1:36 to play from 36 yards out after CSP recovered WSC onside kick.

Gustaveson finished with four catches for 85 yards while Williams had six for 79. McKinzy completed 15-of-31 for 198 yards and leading a turnover free offense, adding 10-for-43 rushing with a long of 28.

Concordia's secondary combined to shut down one of the league's top receivers, **Nate Rogers**, to just 40 yards on five receptions in the game while **Marcus Haskins** picked off his fourth pass in as many games, added a forced fumbled (recovered by **Shawn Aarhus**) and had a pair of pass deflections.

Concordia's defensive front had six quarterback hurries and three sacks which led to eight pass breakups. CSP held WSC quarterback **Aaron Bleil** who was averaging over 290 yards per game entering play, to just 103 yards on 11-of-28 passing. WSC as a team completed 14-of-39 for 160 on the game.

Kelly Pierce and **Chris Garrett** joined Dobbs with a sack apiece.

LAST WEEK: #3 MINNESOTA STATE 29, CONCORDIA 3

In a battle of the last two unbeaten in the NSIC South Division, third-ranked Minnesota State prevailed 29-3 over Concordia as the two teams' defenses were the centerpiece of the competition.

MSU capitalized on a significant early game field position advantage, averaging a start at its own 48 in the first quarter while Concordia averaged the 22 yard line and was faced with the wind in addition to the stingy Maverick defense.

By game's end, MSU carried a 16 yard average starting position advantage.

The Maverick defense certainly played a part in that, holding CSP to 14 rushing yards, 134 yards of total offense and eight first downs.

Concordia's defense had a tough task, with the nation's third-ranked team boasting 550 yards of total offense and 364 per game on the ground.

The Golden Bears held firm against MSU, limiting well below those marks but MSU still managed to total 386 yards of offense and 220 rushing yards.

The defense was led by sophomore linebacker **Jake Portz** with his second-straight 15-plus tackle performance, securing 15 tackles after racking up 18 last week and pushing his season total to 40 which ranks second in the country.

Senior defensive end **Jackson Dobbs** had eight tackles, 2.0 for loss and a third down sack to stop MSU's opening drive on a 3-and-out.

Also adding strong defensive performances were junior linebacker **Dalton Smerchek** with seven tackles and a sack, junior defensive end **Chris Garrett** had five tackles, 1.5 TFL and a sack.

The secondary recorded its first interception of the season by junior **Lorenzo Kendrick**, halting a second quarter MSU drive at the 30 yard line - his first career interception.

The offense was led by senior wide receiver **MJ Williams** with four catches for 52 yards and a long of 35 while senior **Jabril Clewis** had two catches for 39 yards.

Senior quarterback **Maxon Hutton** completed 11-of-21 for 120 yards and a long of 35 while adding 15 yards on the ground with a long of 19.

Danny Laudet led the special teams with a strong 42.3 punting average on seven punts with a career long of 63, adding a fourth yard 44 yard field goal.

PRESEASON & RETURNING ALL-AMERICAN: CHRIS GARRETT
Junior defensive end **Chris Garrett** comes into 2019 as a D2Football.com Preseason All-America First Team selection. He is off to a strong start with at least a sack in each game, racking up 4.0 sacks, 4.5 TFL and 16 tackles through three games.

He is coming off a year in which he was named All-America First Team by the AFCA and Associated Press, Second Team by D2C-CA and Third Team by Don Hansen's Football Gazette.

Last year, he led the country with 1.65 sacks per game and was fourth in the nation with 1.90 tackles for loss per game.

He set the school single season sacks record with 16.5 in just 10 games.

After finishing his sophomore year on a torrid pace with 14.0 sacks, 16.0 tackles for loss and 36 total tackles in the last six games, Garrett's streak has carried over into 2019, giving him 18.0 sacks, 20.5 TFL and 52 total tackles in a nine game stretch.

FROM THE "GRIFF MYTH" TO "HOME SWEET FOAM"

Prior to head coach **Shannon Currier** returning to lead the Golden Bears, CSP had posted an 11-24 record at Sea Foam Stadium (2009 to 2015) and had never posted more than two home wins in a row with just two winning seasons since football returned to campus in 2009.

In Currier's first season back, the Bears won the 2016 home opener and did so again to start the 2017 season.

In 2017, CSP also nabbed a win in the home finale, a 37-20 win over SMSU started a three game home winning streak including the first two games of 2018 for the first time in Sea Foam Stadium's history. It was also the first three game home winning streak since the 2005 NSIC Championship season, played down the street at St. Paul Central High School's Griffin Stadium.

In Currier's first term leading the Bears (2000-03), he posted an

18-2 home record at Griffin Stadium, starting the "Griff Myth," a 19-game home winning streak that began in 2002 and spanned four full seasons of perfect home football (2002, 2003, 2004, 2005).

Currier now holds a 25-13 career record in home games at Concordia, a perfect 8-0 mark in home openers, a 4-4 mark in home finales and led the team to a winning record at Sea Foam Stadium in 2018 for the third time since 2009.

HOME SWEET FOAM: HOW SWEET IS IT?

With a 3-2 home record in 2018, Concordia-St. Paul enjoyed a home field advantage a year ago. The run game topped 200 yards in four out of five home games and held opponents to 131 yards or less four times. Concordia averaged 5.1 yards per carry in home games while opponents mustered just 3.1 yards per rush.

Overall, CSP held a 403.2 to 364.2 average total offense margin and racked up 5.9 yards per play while limiting foes to 4.8 in 2018 home games.

The defense also racked up 6.8 TFL per game while the offensive line limited the damage to just 3.4 opponent TFLs per home contest. Further, the defense held a 17-to-11 margin in sacks leading to 104-to-57 difference in lost yardage. The defense also stifled opponents on fourth down to just 2-for-12 (16.7%).

In the 2019 home opening win over Sioux Falls (41-17), Concordia won the turnover margin 2-0, registered six sacks and held the Cougars to 0-of-3 on fourth down and 4-of-13 on third down.

HEAD COACH SHANNON CURRIER | 8TH SEASON

Originally the 8th head coach of CSP football in 2000, Shannon Currier returned to lead the program for his 2nd stint in December, 2015.

He became the program's all-time wins leader on November 3, 2018 with a 16-10 win at SMSU.

In his first stint, he compiled a 32-12 (.727) record and brought the program its first NSIC Championship in 2003 when he was named NSIC Coach of the Year. The conference title also brought a berth in the Mineral Water Bowl, the first post-season game in school history.

He coached Concordia to four consecutive winning seasons and is the only coach in program history to achieve the feat - consecutive or cumulative.

THE GRIFF MYTH - PROTECTING HOME TURF

The team also established the longest home winning streak in school history under his guidance. Known to teams of the era as the "Griff Myth," Concordia tallied 19 consecutive home victories down the street at Griffin Stadium. The streak began in 2002 and stretched two years after Currier left through the 2005 season, finally falling at the beginning of 2006.

In Currier's first four years, his teams only lost two home games, producing a record of 18-2 after winning his first and last nine home games.

He opened his return to the program with a 17-0 shutout win over U-Mary in 2016, snapping a 6-game home losing streak and a former school record 8-game overall losing streak. His CSP teams are 8-0 all-time in home openers and he holds a career 25-13 home mark at Concordia between Griffin & Sea Foam Stadium.

CAREER AT TRUMAN

Following the program's 2003 NSIC title run, Currier accepted the head coach position at Truman State where he turned a losing program into a pair of 6-5 winning campaigns in his 3rd and 4th seasons.

His tenure was highlighted in his third year, leading the Bulldogs to a 6-3 record in a strong MIAA, finishing fourth in the league. He left the program following a 4-7 season in 2008 with a 20-35 overall record.

PRIOR TO REJOINING CONCORDIA'S SIDELINES

Following his departure from Truman, Currier spent seven years working outside of the coaching profession as a senior sales manager with iHigh.com working to build a digital platform for high school sports, reaching up to 1.5 million Minnesotans in his final year with the company.

NSIC BACKGROUND & ST. PAUL PRIVATE EDUCATION

He arrived at Concordia in 1999 as offensive coordinator and recruiting coordinator for former head coach and athletics director Dan O'Brien, now an assistant coach for the University of Minnesota.

Prior to joining Concordia, Currier spent two years each in similar roles at Southwest Minnesota State and Minnesota Crookston following his start in college coaching at Bemidji State as an offensive graduate assistant where earned his master's degree in physical education.

A native of Cosmos, Minnesota, Currier was a quarterback at Hamline University where he graduated with a degree in physical education in 1993.

Concordia head coach **Shannon Currier** has improved to 8-0 in his CSP career in home openers including 4-0 at Sea Foam Stadium in his second stint. Across the eight home opener wins between Sea Foam and Griffin Stadium, Currier's Bears have average a 30.9 to 9.4 margin of victory, a total of 247 to 75.

TOUGH HOME SLATE IN 2019 & OTHER SCHEDULE NOTES

After playing a tough road schedule a year ago, the flipped opponents in the South Division leads to a rough home slate in 2019. Concordia's six home opponents in 2019 combined for a 45-21 overall record last year, and only one of them (SMSU) had a losing season (4-7). The Golden Bears host, in order, Sioux Falls (7-4), Minnesota State (11-0), MSU Moorhead (8-3), Bemidji State (7-4), SMSU (4-7) and Winona State (8-3) in 2019.

CSP's last win over a nationally-ranked team was a 27-24 win vs #24 Wayne State in 2011 at Sea Foam Stadium and the last win over a nationally-ranked team on the road was a 28-26 win at #11 Minnesota State in CSP's 2010 Mineral Water Bowl campaign. CSP has now lost 18 straight games to ranked teams.

The Bears snapped a 13-game road losing streak in week seven in 2018 with a 17-7 win at UMary, snapped a 12-game NSIC South road losing streak in week 10 at SMSU in 2018 and in 2019 the program snapped a 10 game road night game losing streak with a 28-23 win over Upper Iowa in a streak that dated back to 2013.

TURNOVERS MATTER

As CSP's program has grown under head coach **Shannon Currier**, the team's steady veteran offensive line has provided more protection for its quarterbacks, leading to more consistent ball control. Defensively, a talented and deep defensive line has helped create pressure in opposing backfields, leading to more forced fumbles and hurried passes leading to interceptions down field under third year defensive coordinator **Craig Stern**.

Since Currier has rejoined the program in 2016, Concordia has produced a 5-3 record when winning the turnover battle including three straight wins. In week two at Upper Iowa, the Golden Bears lost the turnover battle (2-0) but came away with a 28-23 win, just the second time they've done so in 18 games since 2016 when losing turnover margin. When turnovers are even, CSP is 4-6 since 2016.

DEVIN FLAKES BLOCK PARTY

Freshman defensive back **Devin Flakes** got off to an exceptional start to his college career, blocking a pair of punts while seeing regular action on special teams in his debut as a true freshman. The blocked punts came in a 24-0 second quarter for CSP in a season-opening 41-17 win over Sioux Falls. The first, recovered by junior defensive back **Preston Piltoff**, set up a two play scoring drive while the second was recovered by junior defensive back **Lorenzo Kendrick** for a touchdown at the end of the quarter for a 27-7 halftime lead over the Cougars.

The special teams is led by third year special teams coordinator **Jake Munkwitz**, with the Golden Bears blocking 10 kicks and punts since 2017 in 24 games.

DEEP & EXPERIENCED ON THE LINE OF SCRIMMAGE

The 2019 Golden Bears' strength is up front, returning all but one combined starter between the offensive and defensive lines. While four year starting tackle Terrell Taylor graduated from the offensive line, the Golden Bears actually return five blockers with starting experience, along with all four starting defensive linemen. (**Games started listed below**)

On defense, the four starters: **Kelly Pierce** (28), **Jackson Dobbs** (28), **Dylan Wood** (23) and **Chris Garrett** (14) have played a majority of snaps together over the past three years. The past two weeks, senior **TJ Diallo** (has worked his way into the interior defensive line starting lineup while sophomore **Shawn Aarhus** got the start in week three against MSU.

On offense, **Rich Kelly** (33), **Ethan Aune** (23), **Tanner Haechten** (14), **Cris Wasylciw** (11) and **Matthew Montgomery** (5) have provided the Golden Bears with the muscle up front. Montgomery earned the starting center role in 2018 as a redshirt freshman before his season ended with injury early on, but is now in his third year in the program while Wasylciw was a transfer with prior experience.

SENIORS FLANK GARRETT ON D-LINE

While junior **Chris Garrett** garners the attention that comes with All-America and Preseason All-America honors, he's joined by four tenacious seniors who are accomplished in their own right: **Dylan Wood**, **TJ Diallo** and **Kelly Pierce** on the interior and **Jackson Dobbs** on the opposite end.

The statistical leader of the trio, Dobbs has compiled 141 career tackles, 23.5 tackles for loss and 14.0 sacks across 31 games.

In 30 games, Pierce has 110 tackles, 18.0 for loss and 10.0 sacks while Wood has played in the most games (36) with 113 tackles, 18.5 for loss and 11.5 sacks. Diallo, a second year transfer, earned the start in weeks two and three alongside Wood on the interior and has made 21 tackles (1.0 TFL) in 14 career games.

So far in 2019, Pierce has 14 tackles, 1.5 TFL and 0.5 sacks, Dobbs with 17 tackles, 3.5 TFL and 1.5 sacks while Wood has 12 tackles, 2.0 TFL.

The depth on the defensive line is notable with senior **Cole Marmor** and sophomores **Richard Ficociello** and **Shawn Aarhus**. Ficociello had a big season opener with five tackles, 1.5 TFL and a sack and Aarhus added a sack in the opening win, too.

The defensive line combined for five of the team's six sacks in the season opening 41-17 win over Sioux Falls and has nine of the team's 11 sacks on the season.

SHAQ & LP LEAD A DEEP GROUND GAME

The running back group is led by sophomore **Shaq Johnson** and junior **Lajuan Preston**. Preston became an All-NSIC South Division honorable mention rusher a year ago when Johnson's season ended in week four against Wayne State.

Prior to his season ending injury, Johnson was on a torrid pace with over 100 combined rushing/receiving yards per game (367 rushing, 49 receiving) and five total touchdowns in four games. He had 22 carries for 110 yards and 2-26 receiving with a TD against Upper Iowa and two touchdowns in the season opener at Sioux Falls.

Preston picked up where Johnson left off, gashing Minnesota Duluth, Northern State and Minnesota Crookston for 100-plus rushing yards in a four game stretch including 21-141 against Northern. He finished the year averaging 6.5 per carry with 704 rushing yards.

Through three games, Preston leads the team with 151 yards, a 5.8 average and two touchdowns and is just 13 yards away from 1,000 for his career with 167 carries for 987 yards and a 5.9 career average.

Johnson made his 2019 debut in week two, reaching 100-plus yards for the third time in his career with 12 carries for 118 yards, adding a 36 yard catch and 25 yard kickoff return for 179 yards on 14 touches in a win at Upper Iowa. He also found the end zone for his ninth career touchdown (10 with passing included).

Adding to CSP's ground threat is athletic quarterback **Maxon Hutton**. The senior, who had 100-plus rushing in the 2018 finale at Winona State last year, has already rushed for 142 yards on 36 carries with a TD run.

All three have 100-yard performances: Preston (3), Johnson (3) and Hutton (1).

NEWCOMERS TO THE BACKFIELD

It was senior **Cole Kirchoff** who drew the start in week one, producing 21 combined yards on eight touches with 6-12 rushing and 2-9 receiving. He also found the end zone in week two at UIU.

Kirchoff joined the football roster in 2019 after a four year run with the baseball team where he was a starting outfielder with three homers, three triples, 17 stolen bases and was third on the team with 20 RBIs.

Darios Crawley-Reid made his career debut in week two at Upper Iowa, and the true freshman got off to a strong start with 7-45 rushing and a touchdown and a 15 yard catch. Crawley-Reid is the younger brother of **Chris Garrett**.

Look for DI transfer **Ethan Falaniko** from South Dakota to also make an impact in the ground game, so far with one carry for four yards but also without the ball as a strong blocking back.

HUTTON UNDER CENTER

Senior quarterback **Maxon Hutton** has ascended to the starting quarterback role after starting multiple games each of the past two seasons. The dual-threat quarterback has compiled 2,516 yards of total offense and 15 total touchdowns in his career.

In the season opener, Hutton completed 13-of-22 (.591) for 159 yards and two touchdowns while adding 67 rushing yards on 14 carries and a touchdown. The senior also showed the poise necessary to lead a turnover-free offense.

On the year, Hutton has produced a career-best 54.2 completion percentage (32-59) for 373 yards and two touchdowns, throwing just two INTs in three games. He's added 36-for-142 on the ground with a rushing touchdown.

Backing him up is senior **Jared Olsgaard**, a transfer from Alabama A&M by way of Minnesota State Community & Technical College. In addition to being the backup QB, Olsgaard has the unique distinction of a dual-role as the main punt returner, holding an 8.5 average (4-34) to rank fifth in the NSIC and 32nd in the country.

Depth at the position is provided by junior transfer **Johnny Saavedra** and redshirt freshmen **Darion Manning** and **Abe Schwartz**. Schwartz has earned a role on the roster as a special teams contributor, and has made three tackles on special teams, tied for the team-high in punt return tackles (2).

THREE DEEP WITH SENIOR WIDE RECEIVERS

Senior quarterback **Maxon Hutton** has three senior wide receiver targets with complimentary skillsets: fourth year starter **Marcus Gustaveson**, second year junior college transfer **MJ Williams** and graduate Division I transfer **Jabril Clewis**.

In three games, the trio has combined for nearly 70 percent of the team's receiving yards and both touchdowns.

Williams leads the group in receptions and his 113 yards trail Clewis (117) by four. Clewis, on seven catches, averages a team-high 16.7 yards.

GUSTAVESON CLIMBING THE RECEIVING CHARTS

He's tied for ninth in career touchdown catches (17), 10th in receptions (112) and 11th in receiving yards (1,681). He

opened the year with two catches for 25 yards and a 20-yard TD in a 41-17 win over Sioux Falls.

SOPHOMORE SAFETIES

Sophomore safety **Dez Bassett** enters 2019 as the team's starting strong safety (rover) and was the second leading tackler on the 2018 team as a redshirt freshman with 65. So far in 2019, Bassett has picked up 15 tackles with a season-high of seven in the 28-23 win at Upper Iowa.

Bassett's redshirt freshman 2018 season also included seven pass breakups and a 77-yard interception return for touchdown in a win at UMary in addition to the 65 tackles.

Joining Bassett at the safety position are fellow sophomores **Rhett Sheehan** and **Parker Powers** at free safety.

Sheehan has started all 14 career games with 48 tackles, producing 11 stops in three games as a sophomore with one pass breakup.

Powers has 30 career tackles, four pass breakups and an interception. He has a pair of three tackle performances against Sioux Falls and MSU among his six tackles in 2019.

SMERCHEK IN WEEK ONE, PORTZ IN WEEK TWO FOR LBs

Sophomore mike linebacker **Jake Portz** has emerged as one of the nation's elite tacklers early in 2019. His 13.3 per game average ranks second in the country and leads the Northern Sun. The team's leading tackler in 2018 as a redshirt freshman with 77, he's already more than halfway to that total in just three games in 2019 with 40 total tackles.

Portz produced 18 tackles in a 28-23 road win at Upper Iowa to earn NSIC Defensive Player of the Week honors and followed that up with 15 tackles against #3 Minnesota State.

The 18 tackle performance is the second most tackles in a game in school history, an NSIC single game high and the fourth most in a game in DII football through three weeks.

While Portz has grabbed the recent headlines, it was junior WLB **Dalton Smerchek** who had the impact performance in week one to earn NSIC Player of the Week honors, giving the position group NSIC Player of the Week in each of the first two games of the season.

In a 41-17 win over Sioux Falls, Smerchek made nine tackles, 1.5 for loss, forced a fumble at the goal line, recovered a muffed punt, had a pass breakup and pair of hurries. One of his tackles was a TFL at the goal line, forcing a field goal two plays later and one of his hurries came on fourth down in the second half as he continued to make impact plays of all kinds.

Initially a long snapper and key special teams contributor, Smerchek has turned into one of the top players on the defense in his junior season. In 25 career games, he's recorded 76 tackles, 4.5 for loss, three fumble recoveries and two forced fumbles.

Smerchek is second on the team with 19 tackles, adding 2.5 TFL, a sack, 1 FF and 1 FR in three games in 2019.

The unit is complimented by SLB **Gabe Nkumu** who is fourth on the defense with 16 tackles.

Nkumu rejoined the program after a year away when he played nine games as a freshman in 2017 with six tackles, 2.5 for loss, 1.5 sacks and a forced fumble.

CORNERS PRODUCE IN NEW ROLES

The Golden Bears have a pair of new starters at corner, junior transfer **Preston Piltoff** and junior **Lorenzo Kendricks** in his third year in the program. Kendricks was one of the team's co-captains in week one, making three tackles and falling on a blocked punt for a touchdown. He's played in 25 career games with 53 tackles and four pass breakups in his career.

Kendricks secured his first career interception in week three against Minnesota State, the team's first of the year.

Piltoff had four tackles (three solo) in his debut with CSP, also adding a fumble recovery at the goal line and recovering a blocked punt in a busy first half in a 41-17 win over Sioux Falls. Through three weeks, Piltoff has registered 12 tackles with at least three each game and has a pair of pass breakups

LAUDET ASSUMES KICKING AND PUNTING DUTIES

Replacing one of the top kickers in the country is not an easy task, but the Golden Bears turned to an internal option with **Danny Laudet** who is in his third year in the program and has familiarity with the graduated **Jonas Schenderlein**.

Further, Schenderlein has remained in the program as a graduate assistant, working with Laudet and the specialists.

Laudet has responded to the additional duties, converting 2-of-2 field goals (30, 29), all five PATs for 11 points, three of eight kickoffs for touchbacks in his debut at kicker in the 41-17 win over Sioux Falls.

Through three weeks, he's cashed in all nine of his PATs, has hammered four kickoff touchbacks, has made 3-of-4 field goals including a long of 44 yards. He ranks 29th in the country with a 75.0 percent field goal percentage and 34th with 1.0 field goals made per game.

As a punter, Laudet continued to deliver on his reputation for high, long hang time punts that confound opponents. He had a 48.0 average on four punts in week two at Upper Iowa with a long of 51 and two inside the 20, and averaged 42.3 yards on seven punts with a career long of 63 in week three against Minnesota State.

He's 16th in the country with a 42.2 punting average in 2019.

His 42.19 season average and his career average of 39.89 puts him in line to contend for the season (41.32) and career (39.32) punting average records.

TRENDING TOPICS: QB PERCENTAGE

A point of emphasis for the Golden Bears entering 2019 is a more efficient passing game. Even a slight improvement in completion percentage and a decrease in interceptions can lead to a significant boost in wins.

Since **Shannon Currier** has returned to the program in 2016, when the Golden Bears complete at least 54 percent of passes, the team is an above .500 squad with a 6-5 record including wins in three of the last four when achieving that 54.0 percent mark.

Below is a look at year-by-year season results:

| YEAR | C-A-I | PCT | YDS | TD | W-L |
|------|------------|------|-------|----|-----|
| 2016 | 202-402-10 | 50.2 | 2,351 | 15 | 2-9 |
| 2017 | 171-374-15 | 45.7 | 2,214 | 15 | 2-9 |
| 2018 | 145-293-15 | 49.5 | 1,873 | 15 | 5-6 |
| 2019 | 32-61-2 | 52.5 | 373 | 2 | 2-1 |

TRENDING TOPIC: SACKS / WINS CORRELATION

In the 36 games since head coach **Shannon Currier** has been back with the program since 2016, the CSP defense has produced 4-plus sacks 10 times and had more sacks than the opponent 14 times.

In the 4-plus sack games, Concordia has a 7-3 record and has won four of its last five games when sacking the quarterback four or more times including the 2019 season opener with six sacks in a 41-17 win over USF.

When producing more sacks than the opponent which factors line play on both sides, Concordia is 9-6 but has won four of the last five including the first two games of 2019 when CSP had a 6-2 advantage in sacks against Sioux Falls and 2-1 at Upper Iowa.

FOUR DIFFERENT PLAYERS WITH RUSHING TDS

In Concordia's 28-23 win at Upper Iowa in week two, the Golden Bears had four different players reach the end zone on the ground, in order: **Cole Kirchoff**, **Shaq Johnson**, **Darios Crawley-Reid** and **Lajuan Preston**.

The last time Concordia had four different players score rushing touchdowns in the same game was a 73-13 win over Minnesota Crookston on October 7, 2005 when **Aaron Cawthorn** scored four rushing touchdowns while **James McNear**, **Brian Holmes** and **John Robinson** each had one.

GROUND CONTROL LEADS TO VICTORIES

Since 2016 when **Shannon Currier** returned to CSP's sidelines, Concordia has rushed for 200-plus yards 10 times, producing a 7-3 record including a week two 28-23 win at Upper Iowa with a 300-yard team effort.

By contrast, when Concordia holds opponents under 100 yards, a much tougher feat, the Golden Bears are 5-1. Five of those six sub-100 opponent rushing games came last year with CSP producing a 4-1 record, only falling 24-20 in the season finale at Winona State.

Just four times since 2016 have the Golden Bears rushed for 200-plus and held an opponent to under 100 yards in the same game - all coming in 2018 with Concordia beating Upper Iowa (34-7), UMary (17-7) and Minnesota Crookston (21-13) while losing at Winona State (20-24).
