THIS WEEK: BEARS OPEN NSIC NORTH COMPETITION

As Concordia closes out its only 2-game road swing of the season this Saturday at 1 p.m. at St. Cloud State, the game also opens the first of four games against the NSIC North Division.

The Golden Bears are seeking the program's first win over St. Cloud State, meeting for the sixth time. Concordia will be making its third trip to Husky Stadium.

Concordia is off to a 3-1 start for the first time since 2013, that year its lone loss in the first four weeks was a 34-3 home defeat to St. Cloud State, ranked #24 in the country at the time.

CSP LED BY "COACH C" - ALL-TIME WINS LEADER AT CSP

Last year in his seventh as head coach at Concordia, **Shannon Currier** became the school's all-time wins leader, winning his 41st game 16-10 at SMSU in week 10 on November 3, 2018, surpassing **Mark Mauer** (40-39), who coached the program for seven seasons from 2004-10.

Currier, now in his eighth season, carries a 44-37 career record, has a 25-13 home record and is 8-0 in home openers. He's been head coach across two different stints, 2000 to 2003 and 2016-present while also serving as head coach at Truman State for five seasons from 2004-08. He was 2003 NSIC Coach of the Year, leading the program to its first NSIC Championship.

COACHES SHOW RETURNS TO TWIN CITIES RADIO IN 2019

The Coaches Show with **Shannon Currier** is back for a second year, once again hosted by **Wally Langfellow** of Minnesota Score. The show airs following the Minnesota high school football game of the week, typically on Friday evenings in the 9 p.m. to 10 p.m. hour on KYCR 1440 AM radio, available in the Twin Cities metro area. This week's guests include senior kicker/punter **Danny Laudet** and freshman running back **Darios Crawley-Reid**.

For fans who miss the show or are outside of the radio station's Twin Cities reach, the entire show is accessible via the CSP Bears Podcast, available in Spotify, iTunes, Stitcher and Google Play Music. It will typically be uploaded late Friday night (after the initial air time) or Saturday morning prior to the game.

CSP MAKES FROGTOWN RADIO DEBUT IN ST PAUL

Concordia continues to make a positive impression in the St. Paul community with local radio station WFNU (94.1 FM) starting a regular segment to air on Saturday mornings at 9:30 a.m. For those outside the listening range, the station has started recording interviews for a podcast titled "Concordia-St. Paul Scoreboard" which is available on Spotify and Anchor. Follow WFNU Frogtown Radio's CSP connections at @ScoreboardCSP and @651SportsUpdate for regular updates.

2019 TEAM CAPTAINS

CSP head coach **Shannon Currier** will have rotating team captains each week for the second year in a row in 2019. Captains are selected by the coaching staff based on performance on the field and as a leader in practice, meetings and day-to-day activities.

This week's game captains: senior offensive lineman **Rich Kelly** (5x) and senior quarterback **Maxon Hutton** (5x) on offense and senior **Dylan Wood** (2x) and sophomore **Jake Portz** on defense. A full listing of the team captains is available on page 5.

DOBBS HONORS FALLEN FRIEND WITH NUMBER CHANGE

Senior defensive end **Jackson Dobbs** changed jersey numbers from 98 to 26 to honor **Billy Brown, Jr.**, a linebacker who graduated from CSP in May, 2018. Billy passed away shortly after graduating while working out in the Twin Cities in June. The two were close friends, and head coach **Shannon Currier** has opted to honor Brown by selecting a player who fits Billy's work ethic and commitment to the program to wear the number each season.

Dobbs has racked up 146 career tackles, 23.5 TFL and 14.0 sacks in 32 games and is a sixth year senior.

NSIC PLAYERS OF THE WEEK

NOTES ABOUT THE HUSKIES

St. Cloud State enters Saturday's contest ranked second in the Northern Sun and ninth in the country in scoring defense, allowing just 13.0 points per game. SCSU's defensive front has led the charge, submitting just 63.8 rushing yards per game to the opposition, also ninth-best in the land.

The Huskies hold opponents to a paltry 27.0 pct (17-63) on third downs, as well.

They entered the season picked on spot ahead of CSP in the NSIC Overall Preseason Poll and fourth in the NSIC North Division, where they carry a 2-2 record through four weeks.

But SCSU has dropped two in a row, 20-14 at #3 UMD and last week's 20-17 home loss to Northern State.

Prior to the two-game skid, the Huskies opened the year with a pair of convincing victories and were featured in the AFCA Division II Top-25 receiving votes portion of the national poll. They won 35-12 in the season opener at UMary and blanked Minnesota Crookston 38-0 in their home opener in week two.

Dwayne Lawhorn leads the offense, averaging 173.8 passing yards and 197.0 total offense per game with nine TD passes and just 3 INTs.

His top target is **Tanner Teige** with 17-216 and two TDs while **John Solberg** has 11-168 receiving with a team-leading 3 TDs. **Nathan Gimza** gives SCSU three receiving options with 100-plus yards (9-103, TD). Six different Huskies have caught TD passes on the year.

Joe Blando leads an SCSU team rushing attack that produces 4.0 yards per game and 5 TDs. He has 203 yards at a 3.7 average and one TD. **Paris Howell** adds 18-94 (5.2) and **Curtwan Evans** chips in 27-93 (3.4) with a TD. Lawhorn also adds 93 rushing yards (3.1 avg) and leads the team with two rushing TDs.

Sophomore defensive back **Devon Krzanowski** leads the defense with 6.8 tackles per game, adding 3.5 sacks to rank third in the league along with teammate **Ferris Ingraham**, a senior defensive end. Krzanowski is also tied for the league lead with 7.0 TFLs.

SERIES HISTORY: ST CLOUD STATE 5, CONCORDIA 0

St. Cloud State has captured wins over Concordia in each of the first five meetings in a series that started in 2010 after SCSU joined the Northern Sun, formerly being members of the now-defunct North Central Conference. Since, the teams have played every other year, rotating sites between St. Paul & St. Cloud.

The Golden Bears have not scored more than 21 points in the series or held the Huskies to less than 28 with the closest margin being an 18 point loss in 2015 in St. Cloud (28-10).

CSP has made two unsuccessful trips to Husky Stadium, falling 41-13 in 2011 and 28-10 in 2015.

Head coach **Shannon Currier** has only faced the Huskies once, in his second year back with the program in 2017 at Sea Foam Stadium. In that meeting, Concordia scored 21 points, the most in a game in the five meetings. Prior to that, CSP had not scored more than 13 points against St. Cloud State.

LAST MEETING, 2017: ST CLOUD STATE 56, CONCORDIA 21

A slow start by the CSP offense, failing to convert a first down on four possessions in the first quarter, led to St. Cloud State getting off to a 21-0 start in the opening 15 minutes. SCSU added another touchdown midway through the second to put CSP into a 28-0 hole.

From there, **Maxon Hutton**, then a sophomore, threw for a pair of late first half touchdowns the first from 30 yards to fellow sophomore **Marcus Gustaveson** and the second a 2-yarder to running back **Darnell Rolle** as CSP went into the break trailing 35-14.

St. Cloud State scored the first two touchdowns of the second half to push the lead back to 49-14 before Hutton connected with **Elias Arlington** for a 65-yard touchdown in the fourth.

As the game unfolded, SCSU scored its first two touchdowns in key situations, the first on a 3rd-and-goal from the two and the second came on 4th-and-6 from the 33.

Hutton set a career-high with 15 completions (15-32), which he surpassed last week with 16 against Wayne State. His 249 passing yards and three TDs in the game remain career-highs.

Arlington had a big day with 5-126 receiving and the 65-yard TD and added 4-84 on kickoff returns for 207 all-purpose yards.

Gustaveson had 3-66 receiving including the 30-yard TD.

St. Cloud State was led by then-sophomore quarterback **Dwayne Lawhorn** who completed his first 11 passes en route to a 12-13 for 161 yard and three TD passing first half, adding 7-56 and a 36-yard rushing TD. He finished the game 18-25 for 254 yards and four passing TDs and 11-73 rushing with the TD.

Lawhorn had a pair of 100-yard receivers, **Cole Otton** (8-111, TD) and **John Pass** (7-110, 2 TD).

The Huskies were 5-of-5 in the red zone with five touchdowns and held CSP to just one trip to the red zone, the Hutton-to-Rolle TD. SCSU also had a 27-to-11 edge in first downs and converted 10-of-15 on third down and held CSP to 4-of-13 on 3rds.

SCSU finished the game with a 482-274 edge in total offense and 43:10 to 16:50 in time of possession.

LAST WEEK: CONCORDIA 28, WAYNE STATE 21

For the second time in a row, the Golden Bears pulled out a win in a road night game. In week two, CSP's 28-23 win at Upper Iowa snapped a 10-game losing streak in road night games that dated back to 2013.

The win pushed CSP to 11-10 in the all-time series against Wayne State and was the team's first win in Wayne, Nebraska since 2013.

After taking the game's first lead, 3-0 and holding that edge through the end of the first quarter thanks to the defense forcing and recovering a fumble on WSC's opening drive and a goal line stand on WSC's second drive, the Wildcats finally broke through.

Wayne State scored two touchdowns in a row in the second quarter for a 14-3 lead.

After starting ahead 3-0, Concordia finished the first half and started the second half strong to get back into the game. With 27 seconds to play before the break, senior QB **Maxon Hutton** connected with senior WR **Marcus Gustaveson** from six yards out.

Coming out of the break and starting with the ball, senior kicker **Danny Laudet** made his second field goal of the game, this one

from 21 yards out after hitting from 49 in the first quarter. The 10-straight points brought the margin to 14-13 in the middle of the third quarter.

Three and a half minutes later, Hutton broke free on 3rd and 6 from the CSP 24 yard line for a 76-yard touchdown run to give Concordia the lead back, 20-14 with 5:20 to play in the third.

Wayne State reclaimed a 21-20 lead with a 17-yard TD pass midway through the fourth quarter.

The Golden Bears responded with a powerful 12-play, 75-yard drive that spanned 4:44. Freshman **Darios Crawley-Reid** capped it with a three yard rushing score, and Hutton found senior **Jabril Clewis** for the 2-point conversion for a 28-21 lead.

Wayne State responded on the ensuing drive looking to tie the game with an offense that finished the day with 440 yards on the day. But on 4th down just past midfield, senior **Chris Garrett** batted down the pass to halt the Wildcats comeback with 1:11 to go.

Garrett finished with eight tackles, two for loss, forced a fumble, had the big pass breakup and had a QB hurry to lead the defense.

Hutton, meanwhile, played turnover free football on the other side as Concordia won the turnover-battle 1-0. He completed a career-high 16 passes on 24 attempts (75.0), had 292 yards of total offense with 172 passing and his second 100-yard rushing performance with 120 on the ground. He accounted for a pair of touchdowns in the win.

In the game's three phases, Laudet joined Garrett & Hutton with a big performance on special teams. In addition to his career-long 49 yard field goal and making all four kicks (2-2 FG, 2-2 PAT), he drilled five of his six kickoffs for touchbacks and set a school record with an 82-yard punt while averaging 51.0 on four punts.

Concordia was out-gained 440-to-363 in the game, but CSP converted 8-of-14 on third downs and committed just three penalties for 16 yards while making timely plays at big spots.

Junior RB **Lajuan Preston** topped 1,000 career yards in the win (1,013) with 6-26 on the ground and 2-28 receiving. Crawley-Reid added 9-46 rushing and 2-18 receiving.

Hutton connected with seven different targets, finding six of them at least twice in the game. Senior **MJ Williams** was the leader with four catches for 50 yards while Gustaveson had 3-46 and the touchdown.

PRESEASON & RETURNING ALL-AMERICAN: CHRIS GARRETT

Junior defensive end **Chris Garrett** comes into 2019 as a D2Football.com Preseason All-America First Team selection. He is off to a strong start with at least 1.5 TFL in each game, racking up 4.0 sacks, 6.0 TFL and 24 tackles through four games.

Through four games, he's 21st in the country in sacks (1.0/game) and 40th in tackles for loss (1.6/game).

He is coming off a year in which he was named All-America First Team by the AFCA and Associated Press, Second Team by D2C-CA and Third Team by Don Hansen's Football Gazette.

Last year, he led the country with 1.65 sacks per game and was fourth in the nation with 1.90 tackles for loss per game.

He set the school single season sacks record with 16.5 in just 10 games.

After finishing his sophomore year on a torrid pace with 14.0 sacks, 16.0 tackles for loss and 36 total tackles in the last six games, Garrett's streak has carried over into 2019, giving him 18.0 sacks, 22.5 TFL and 60 total tackles in a 10 game stretch.

FROM THE "GRIFF MYTH" TO "HOME SWEET FOAM"

Prior to head coach **Shannon Currier** returning to lead the Golden Bears, CSP had posted an 11-24 record at Sea Foam Stadium (2009 to 2015) and had never posted more than two home wins in a row with just two winning seasons since football returned to campus in 2009.

HEAD COACH SHANNON CURRIER | 8TH SEASON

Originally the 8th head coach of CSP football in 2000, Shannon Currier returned to lead the program for his 2nd stint in December, 2015.

He became the program's all-time wins leader on November 3, 2018 with a 16-10 win at SMSU.

In his first stint, he compiled a 32-12 (.727) record and brought the program its first NSIC Championship in 2003 when he was named NSIC Coach of the Year. The conference title also brought a berth in the Mineral Water Bowl, the first post-season game in school history.

He coached Concordia to four consecutive winning seasons and is the only coach in program history to achieve the feat - consecutive or cumulative.

THE GRIFF MYTH - PROTECTING HOME TURF

The team also established the longest home winning streak in school history under his guidance. Known to teams of the era as the "Griff Myth," Concordia tallied 19 consecutive home victories down the street at Griffin Stadium. The streak began in 2002 and stretched two years after Currier left through the 2005 season, finally falling at the beginning of 2006.

In Currier's first four years, his teams only lost two home games, producing a record of 18-2 after winning his first and last nine home games.

In Currier's first season back, the Bears won the 2016 home opener and did so again to start the 2017 season.

In 2017, CSP also nabbed a win in the home finale, a 37-20 win over SMSU that started a three game home winning streak including the first two games of 2018 for the first time in Sea Foam Stadium's history. It was also the first three game home winning streak since the 2005 NSIC Championship season, played down the street at St. Paul Central High School's Griffin Stadium.

In Currier's first term leading the Bears (2000-03), he posted an 18-2 home record at Griffin Stadium, starting the "Griff Myth," a 19-game home winning streak that began in 2002 and spanned four full seasons of perfect home football (2002, 2003, 2004, 2005).

Currier now holds a 25-13 career record in home games at Concordia, a perfect 8-0 mark in home openers, a 4-4 mark in home finales and led the team to a winning record at Sea Foam Stadium in 2018 for the third time since 2009.

HOME SWEET FOAM: HOW SWEET IS IT?

With a 3-2 home record in 2018, Concordia-St. Paul enjoyed a home field advantage a year ago. The run game topped 200 yards in four out of five home games and held opponents to 131 yards or less four times. Concordia averaged 5.1 yards per carry in home games while opponents mustered just 3.1 yards per rush.

Overall, CSP held a 403.2 to 364.2 average total offense margin and racked up 5.9 yards per play while limiting foes to 4.8 in 2018 home games.

He opened his return to the program with a 17-0 shutout win over U-Mary in 2016, snapping a 6-game home losing streak and a former school record 8-game overall losing streak. His CSP teams are 8-0 all-time in home openers and he holds a career 25-13 home mark at Concordia between Griffin & Sea Foam Stadium.

CAREER AT TRUMAN

Following the program's 2003 NSIC title run, Currier accepted the head coach position at Truman State where he turned a losing program into a pair of 6-5 winning campaigns in his 3rd and 4th seasons.

His tenure was highlighted in his third year, leading the Bulldogs to a 6-3 record in a strong MIAA, finishing fourth in the league. He left the program following a 4-7 season in 2008 with a 20-35 overall record.

PRIOR TO REJOINING CONCORDIA'S SIDELINES

Following his departure from Truman, Currier spent seven years working outside of the coaching profession as a senior sales manager with iHigh.com working to build a digital platform for high school sports, reaching up to 1.5 million Minnesotans in his final year with the company.

NSIC BACKGROUND & ST. PAUL PRIVATE EDUCATION

He arrived at Concordia in 1999 as offensive coordinator and recruiting coordinator for former head coach and athletics director Dan O'Brien, now an assistant coach for the University of Minnesota.

Prior to joining Concordia, Currier spent two years each in similar roles at Southwest Minnesota State and Minnesota Crookston following his start in college coaching at Bemidji State as an offensive graduate assistant where earned his master's degree in physical education.

A native of Cosmos, Minnesota, Currier was a quarterback at Hamline University where he graduated with a degree in physical education in 1993.

The defense also racked up 6.8 TFL per game while the offensive line limited the damage to just 3.4 opponent TFLs per home contest. Further, the defense held a 17-to-11 margin in sacks leading to 104-to-57 difference in lost yardage. The defense also stifled opponents on fourth down to just 2-for-12 (16.7%).

In the 2019 home opening win over Sioux Falls (41-17), Concordia won the turnover margin 2-0, registered six sacks and held the Cougars to 0-of-3 on fourth down and 4-of-13 on third down.

HOME OPENER SUCCESS

Concordia head coach **Shannon Currier** has improved to 8-0 in his CSP career in home openers including 4-0 at Sea Foam Stadium in his second stint. Across the eight home opener wins between Sea Foam and Griffin Stadium, Currier's Bears have average a 30.9 to 9.4 margin of victory, a total of 247 to 75.

TOUGH HOME SLATE IN 2019 & OTHER SCHEDULE NOTES

After playing a tough road schedule a year ago, the flipped opponents in the South Division leads to a rough home slate in 2019. Concordia's six home opponents in 2019 combined for a 45-21 overall record last year, and only one of them (SMSU) had a losing season (4-7). The Golden Bears host, in order, Sioux Falls (7-4), Minnesota State (11-0), MSU Moorhead (8-3), Bemidji State (7-4), SMSU (4-7) and Winona State (8-3) in 2019.

CSP's last win over a nationally-ranked team was a 27-24 win vs #24 Wayne State in 2011 at Sea Foam Stadium and the last win over a nationally-ranked team on the road was a 28-26 win at #11 Minnesota State in CSP's 2010 Mineral Water Bowl campaign. CSP has now lost 18 straight games to ranked teams.

The Bears snapped a 13-game road losing streak in week seven in 2018 with a 17-7 win at UMary, snapped a 12-game NSIC South road losing streak in week 10 at SMSU in 2018 and in 2019 the program snapped a 10 game road night game losing streak with a 28-23 win over Upper Iowa in a streak that dated back to 2013.

TURNOVERS MATTER

As CSP's program has grown under head coach **Shannon Currier**, the team's steady veteran offensive line has provided more protection for its quarterbacks, leading to more consistent ball control. Defensively, a talented and deep defensive line has helped create pressure in opposing backfields, leading to more forced fumbles and hurried passes leading to interceptions down field under third year defensive coordinator **Craig Stern**.

Since Currier has rejoined the program in 2016, Concordia has produced a 6-3 record when winning the turnover battle including four straight wins. In week two at Upper Iowa, the Golden Bears lost the turnover battle (2-0) but came away with a 28-23 win, just the second time they've done so in 18 games since 2016 when losing turnover margin. When turnovers are even, CSP is 4-6 since 2016.

DEVIN FLAKES BLOCK PARTY

Freshman defensive back **Devin Flakes** got off to an exceptional start to his college career, blocking a pair of punts while seeing regular action on special teams in his debut as a true freshman. The blocked punts came in a 24-0 second quarter for CSP in a season-opening 41-17 win over Sioux Falls. The first,

recovered by junior defensive back **Preston Piltoff**, set up a two play scoring drive while the second was recovered by junior defensive back **Lorenzo Kendricks** for a touchdown at the end of the quarter for a 27-7 halftime lead over the Cougars.

The special teams is led by third year special teams coordinator **Jake Munkwitz**, with the Golden Bears blocking 10 kicks and punts since 2017 in 25 games.

DEEP & EXPERIENCED ON THE LINE OF SCRIMMAGE

The 2019 Golden Bears' strength is up front, returning all but one combined starter between the offensive and defensive lines. While four year starting tackle Terrell Taylor graduated from the 2018 offensive line, the Golden Bears actually return five blockers with starting experience, along with all four starting defensive linemen. (*Games started listed below*)

On defense, the four starters: **Kelly Pierce** (29), **Jackson Dobbs** (29), **Dylan Wood** (24) and **Chris Garrett** (15) have played a majority of snaps together over the past three years. In weeks 2 & 3, senior **TJ Diallo** has worked his way into the interior defensive line starting lineup while sophomore **Shawn Aarhus** got the start in week three against MSU.

On offense, **Rich Kelly** (34), **Ethan Aune** (24), **Tanner Haechten** (14), **Cris Wasylciw** (12) and **Matthew Montgomery** (6) have provided the Golden Bears with the muscle up front. Montgomery earned the starting center role in 2018 as a redshirt freshman before his season ended with injury early on, but is now in his third year in the program while Wasylciw was a transfer with prior experience. In week four, it was redshirt freshman **Sam Marshalek** making his first career start in Haechten's spot due to injury while sophomore **Tyson Kauffman** saw numerous snaps throughout the win at Wayne State, as well.

SENIORS FLANK GARRETT ON D-LINE

While junior **Chris Garrett** garners the attention that comes with All-America and Preseason All-America honors, he's joined by four tenacious seniors who are accomplished in their own right: **Dylan Wood**, **TJ Diallo** and **Kelly Pierce** on the interior and **Jackson Dobbs** on the opposite end.

The statistical leader of that group, Dobbs has compiled 146 career tackles, 23.5 tackles for loss and 14.0 sacks across 32 games.

In 31 games, Pierce has 111 tackles, 18.0 for loss and 10.0 sacks while Wood has played in the most games (37) with 116 tackles, 18.5 for loss and 11.5 sacks. Diallo, a second year transfer, earned the start in weeks two and three alongside Wood on the interior and has made 25 tackles (1.0 TFL) in 15 career games.

So far in 2019, Pierce has 15 tackles, 1.5 TFL and 0.5 sacks, Dobbs with 22 tackles, 3.5 TFL and 1.5 sacks while Wood has 15 tackles, 2.0 TFL.

The depth on the defensive line is notable with senior **Cole Marmor** and sophomores **Richard Ficociello** and **Shawn Aarhus**. Ficociello had a big season opener with five tackles, 1.5 TFL and a sack and Aarhus added a sack in the opening win, too.

The defensive line combined for five of the team's six sacks in the season opening 41-17 win over Sioux Falls and has 10 of the team's 12 sacks on the season.

SHAQ & LP LEAD A DEEP GROUND GAME

The running back group is led by sophomore **Shaq Johnson** and junior **Lajuan Preston**. Preston became an All-NSIC South Division honorable mention rusher a year ago when Johnson's season ended in week four against Wayne State.

Prior to his season ending injury in 2018, Johnson was on a torrid pace with over 100 combined rushing/receiving yards per game (367 rushing, 49 receiving) and five total TDs in four games. He had 22 carries for 110 yards and 2-26 receiving with a TD against Upper Iowa and two TDs in the season opener at Sioux Falls.

Preston picked up where Johnson left off, gashing Minnesota Duluth, Northern State and Minnesota Crookston for 100-plus rushing yards in a four game stretch including a high of 21-141 against Northern State. He finished the year averaging 6.5 per carry with 704 rushing yards.

Through three games, Preston leads the backs with 177 yards, a 5.5 average and two TDs. In the week four win at Wayne State, Preston surpassed 1,000 career rushing yards with 1,013 on 173 carries, averaging 5.9 per carry.

Johnson made his 2019 debut in week two, reaching 100-plus yards for the third time in his career with 12 carries for 118 yards, adding a 36 yard catch and 25 yard kickoff return for 179 yards on

14 touches in a win at Upper Iowa. He also found the end zone for his ninth career touchdown (10 with passing included). In two games in 2019, Johnson has 122 yards and is averaging 5.1 per carry, adding 4-63 receiving.

Adding to CSP's ground threat is athletic quarterback **Maxon Hutton**. The senior, who had his second career 100-yard rushing game with 120 yards and a 76-yard TD run in week four at Wayne State, leads the team in rushing with 262 yards and a pair of scores with a 5.0 average.

All three have multiple 100-yard performances in their careers: Preston (3), Johnson (3) and Hutton (2).

In week four, Preston was seen leaving the field with an injury at Wayne State and did not return to the field. He is also not listed on the team's official week five two deep.

NEWCOMERS TO THE BACKFIELD

It was senior **Cole Kirchoff** who drew the start in week one, producing 21 combined yards on eight touches with 6-12 rushing and 2-9 receiving. He also found the end zone in week two at UIU.

Kirchoff joined the football roster in 2019 after a four year run with the baseball team where he was a starting outfielder with three homers, three triples, 17 stolen bases and was third on the team with 20 RBIs.

Darios Crawley-Reid made his career debut in week two at Upper Iowa, and the true freshman got off to a strong start with 7-45 rushing and a touchdown and a 15 yard catch. Crawley-Reid is the younger brother of **Chris Garrett**.

Crawley-Reid had another strong performance in week four at Wayne State with 46 yards on nine carries and his second TD. On the year, he has 91 yards on 16 carries, averaging 5.7 per carry while adding 3-33 receiving.

Look for DI transfer **Ethan Falaniko** from South Dakota and returning DI transfer **Jeremiah Pierce-Johnson** from Akron to also make an impact in the ground game. They are both physical backs capable of blocking or providing a bruising presence with the ball. They have a combined four carries and a long of four yards through four weeks.

HUTTON UNDER CENTER

Senior quarterback **Maxon Hutton** has ascended to the starting quarterback role after starting multiple games during his sophomore and junior years. The dual-threat quarterback has compiled 2,818 yards of total offense and 17 total touchdowns in his career.

In the season opener, Hutton completed 13-of-22 (.591) for 159 yards and two touchdowns while adding 67 rushing yards on 14 carries and a touchdown. The senior also showed the poise necessary to lead a turnover-free offense.

In a week four win at WSC, he was named NSIC Offensive Player of the Week as he produced league-highs for the week in total offense (292) and rushing yards (120) while playing turnover-free football on the road and completing 75.0 percent (16-24) of his passes with 16 completions marking a career high. He also had a 76-yard TD run to put CSP ahead in the third quarter.

On the year, Hutton has produced a career-best 57.8 completion percentage (48-83) for 545 yards and three touchdowns, throwing just two INTs in four games. He leads the team in rushing, as well with 262 yards, a 5.0 average and two touchdowns.

Backing him up is senior **Jared Olsgaard**, a transfer from Alabama A&M by way of Minnesota State Community & Technical College. In addition to being the backup QB, Olsgaard has also been the team's early season punt returner, averaging 8.5 (4-34) and has also been featured as a wide receiver where he has one catch for 13 yards.

Depth at the position is provided by junior transfer **Johnny Saavedra** and redshirt freshmen **Darion Manning** and **Abe Schwartz**. Schwartz has earned a role on the roster as a special teams contributor, and leads the team in special teams tackles (4) and punt return tackles (3).

THREE DEEP WITH SENIOR WIDE RECEIVERS

Senior quarterback **Maxon Hutton** has three senior wide receiver targets with complimentary skillsets: fourth year starter **Marcus Gustaveson**, second year junior college transfer **MJ Williams** and graduate Division I transfer **Jabril Clewis**.

GUSTAVESON CLIMBING THE RECEIVING CHARTS

Fourth year starting wide receiver **Marcus Gustaveson** has established himself as one of CSP's top receivers in recent years. He has four career 100-yard performances and is climbing the CSP career receiving charts.

He's tied for eighth in career touchdown catches (18), 10th in receptions (115) and 10th in receiving yards (1,727). He's hauled in a pair of touchdowns, both in victories, and is second on the team with 14.2 per catch (5-71).

SOPHOMORE SAFETIES

Sophomore safety **Dez Bassett** enters 2019 as the team's starting strong safety (rover) and was the second leading tackler on the 2018 team as a redshirt freshman with 65. So far in 2019, Bassett has picked up 19 tackles with a season-high of seven in the 28-23 win at Upper Iowa.

Bassett's redshirt freshman 2018 season also included seven pass breakups and a 77-yard interception return for touchdown in a win at UMay in addition to the 65 total tackles.

Joining Bassett at the safety position are fellow sophomores **Rhett Sheehan** and **Parker Powers** at free safety.

Sheehan has started 14 of 15 career games with 49 tackles, producing 12 stops in four games as a sophomore with one pass breakup.

Powers has 32 career tackles, four pass breakups and an interception across 15 games. He has a pair of three tackle performances against Sioux Falls and MSU among his eight tackles in 2019.

LINEBACKERS PUTTING UP BIG NUMBERS IN 2019

A key benefit of having an experience, physical defensive line is the ability for the linebackers to be free to make plays.

In 2019, Concordia's linebackers opened the year with back-to-back NSIC Defensive Player of the Week honors.

Sophomore mike linebacker **Jake Portz** has emerged as one of the nation's elite tacklers early in 2019. His 11.3 per game average ranks 12th in the country and leads the Northern Sun. The team's leading tackler in 2018 as a redshirt freshman with 77, he's already more than halfway to that total with 45 through four games in 2019.

Portz produced 18 tackles in a 28-23 road win at Upper Iowa to earn NSIC Defensive Player of the Week honors and followed that up with 15 tackles against #3 Minnesota State.

The 18 tackle performance is the second most tackles in a game in school history, an NSIC single game high and the seventh most in a game in DII football through four weeks.

While Portz has grabbed the recent headlines, it was junior **WLB Dalton Smerchek** who had the impact performance in week one to earn NSIC Player of the Week honors.

In a 41-17 win over Sioux Falls, Smerchek made nine tackles, 1.5 for loss, forced a fumble at the goal line, recovered a muffed punt, had a pass breakup and pair of hurries. One of his tackles was a TFL at the goal line, forcing a field goal two plays later and one of his hurries came on fourth down in the second half as he continued to make impact plays of all kinds.

Initially a long snapper and key special teams contributor, Smerchek has turned into one of the top players on the defense in his junior season. In 26 career games, he's recorded 81 tackles, 4.5 for loss, three fumble recoveries and two forced fumbles.

Smerchek is second on the team with 24 tackles, adding 2.5 TFL, a sack, 1 FF and 1 FR in three games in 2019.

The unit is complimented by SLB **Gabe Nkumu** who is fifth on the defense with 21 tackles.

Nkumu rejoined the program after a year away when he played nine games as a freshman in 2017 with six tackles, 2.5 for loss, 1.5 sacks and a forced fumble.

CORNERS PRODUCE IN NEW ROLES

The Golden Bears have a pair of new starters at corner, junior transfer **Preston Piltoff** and junior **Lorenzo Kendricks** in his third year in the program. Kendricks was one of the team's co-captains in week one, making three tackles and falling on a blocked punt for a touchdown in a 41-17 win over Sioux Falls. He's played in 26 career games with 58 tackles and four pass breakups in his career.

Kendricks secured his first career interception in week three

against Minnesota State, the team's first of the year.

Piltoff had four tackles (three solo) in his debut with CSP, also adding a fumble recovery at the goal line and recovering a blocked punt in a busy first half in a 41-17 win over Sioux Falls. Through four weeks, Piltoff has registered 13 tackles with at least three in each of the first three games. He is tied for the team lead with three pass breakups.

LAUDET ASSUMES KICKING AND PUNTING DUTIES

Replacing one of the top kickers in the country is not an easy task, but the Golden Bears turned to an internal option with **Danny Laudet** who is in his third year in the program and has familiarity with the graduated **Jonas Schenderlein**.

Further, Schenderlein has remained in the program as a graduate assistant, working with Laudet and the specialists.

Laudet responded well to the additional duties immediately, converting 2-of-2 field goals (30, 29), all five PATs for 11 points, three of eight kickoffs for touchbacks in his debut at kicker in the 41-17 win over USF.

Through four weeks, he's cashed in all 11 of his PATs, has hammered nine kickoff touchbacks, has made 5-of-6 field goals including a long of 49 yards. He ranks 20th in the country in field goal percentage (.833), 26th in field goals made (1.25/game) and ninth in punting (44.0 avg).

As a punter, Laudet continued to deliver on his reputation for high, long hang time punts that confound opponents. He's averaging 44.0 on the season, ranking ninth in the country.

His early season performance was punctuated with an NCAA Division II long 82-yard punt from the back of his own end zone in a week four win at Wayne State.

He earned NSIC Special Teams Player of the Week honors for his week four performance, hitting the longest FG in the league for the week (second longest of 2019 in the NSIC) from 49 yards, bashing 5-of-6 kickoffs for touchbacks, averaging 51.0 yards on four punts and the league's season long of 82 yards.

His 43.19 season average and his career average of 41.00 puts him in line to contend for the season (41.32) and career (39.32) punting average records.

TRENDING TOPICS: QB PERCENTAGE

A point of emphasis for the Golden Bears entering 2019 is a more efficient passing game. Even a slight improvement in completion percentage and a decrease in interceptions can lead to a significant boost in wins.

Since **Shannon Currier** has returned to the program in 2016, when the Golden Bears complete at least 54 percent of passes, the team is an above .500 squad with a 7-5 record including wins in four of the last five when achieving that 54.0 percent mark.

Below is a look at year-by-year season results:

YEAR	C-A-I	PCT	YDS	TD	W-L
2016	202-402-10	50.2	2,351	15	2-9
2017	171-374-15	45.7	2,214	15	2-9
2018	145-293-15	49.5	1,873	15	5-6
2019	48-85-2	56.5	545	3	3-1

TRENDING TOPIC: SACKS / WINS CORRELATION

In the 37 games since head coach **Shannon Currier** has been back with the program since 2016, the CSP defense has produced 4-plus sacks 10 times and had more sacks than the opponent 14 times.

In the 4-plus sack games, Concordia has a 7-3 record and has won four of its last five games when sacking the quarterback four or more times including the 2019 season opener with six sacks in a 41-17 win over USF.

When producing more sacks than the opponent which factors line play on both sides, Concordia is 9-6 but has won four of the last five including the first two games of 2019 when CSP had a 6-2 advantage in sacks against Sioux Falls and 2-1 at Upper Iowa.

FOUR DIFFERENT PLAYERS WITH RUSHING TDS

In Concordia's 28-23 win at Upper Iowa in week two, the Golden Bears had four different players reach the end zone

on the ground, in order: **Cole Kirchoff**, **Shaq Johnson**, **Darios Crawley-Reid** and **Lajuan Preston**.

The last time Concordia had four different players score rushing touchdowns in the same game was a 73-13 win over Minnesota Crookston on October 7, 2005 when **Aaron Cawthorn** scored four rushing touchdowns while **James McNear**, **Brian Holmes** and **John Robinson** each had one.

GROUND CONTROL LEADS TO VICTORIES

Since 2016 when **Shannon Currier** returned to CSP's sidelines, Concordia has rushed for 200-plus yards 10 times, producing a 7-3 record including a week two 28-23 win at Upper Iowa with a 300-yard team effort.

By contrast, when Concordia holds opponents under 100 yards, a much tougher feat, the Golden Bears are 5-1. Five of those six sub-100 opponent rushing games came last year with CSP producing a 4-1 record, only falling 24-20 in the season finale at Winona State.

Just four times since 2016 have the Golden Bears rushed for 200-plus and held an opponent to under 100 yards in the same game - all coming in 2018 with Concordia beating Upper Iowa (34-7), UMary (17-7) and Minnesota Crookston (21-13) while losing at Winona State (20-24).
