#### THIS WEEK: GAME 1 OF BACK-TO-BACK VS BEAVERS

This Saturday, Concordia opens a pair of contests against NSIC North Division opponents nicknamed the Beavers. This week marks the third of four weeks of NSIC North-South play.

First, Concordia heads to Minot State to face a resurgent Beavers squad that has already topped last year's win total. After a 2-2 start in NSIC North Division play with back-to-back road wins in weeks 3 & 4 at UMary and Minnesota Crookston, Minot State has dropped two in a row to NSIC South opponents.

Next week, CSP will conclude NSIC North competition by hosting the Bemidji State Beavers for a noon kickoff on Oct. 26.

This week, Currier will embark on his longest road trip in the Northern Sun, having never travelled to Minot State in either of his two runs with the program.

Since rejoining the university in 2016, head coach Shannon Currier is 6-8 against the North overall, 4-3 against the North in home games but just 2-5 in NSIC North away games.

## NOTES ABOUT THE BEAVERS

Coming off of a 1-10 season a year ago, Minot State was picked 15th overall and 7th in the NSIC North Division. They've already exceeded those expectations, defeating UMary and Minnesota Crookston in weeks three and four to start out division play 2-2, doubling their previous season wins total in the process.

But the Beavers struggled with the NSIC South Division in the previous two weeks, falling to a 2-4 SMSU squad 21-17 in Minot before taking a 49-3 loss at Winona State last week.

So far, the passing game on both sides of the ball has vexed the Beavers, ranking 15th in the NSIC with 149 passing yards per game and ranking 14th in surrendering 222.5 per game to opponents.

**Ben Bolinske** is eighth in the league with 909 pass-yards, adding five TDs on 57.4 completions and brings 235 rushing yards to the table, as well to rank fifth in the NSIC in total offense (190.7).

His top target is **Lavante Bushnell** with 28-385 and two TDs, ranking fifth in catches & seventh in yards.

And while Minot runs the ball well with 149.3 yards per game on the ground, seventh best in the league, they are being outruled in allowing 236.7 to opponents, 14th in the league.

**Ali Mohamed**, a freshman, leads the ground game with 435 yards and a 5.3 average.

In all, Minot is 14th in the league in total offense (298.3) and 15th in total defense (459.2), over a 160 yard per game disadvantage.

On special teams, the Minot punting game has been stout, leading the league with 40.1 net yards per punt to offset some of the yardage disparities.

**JoseLuis Moreno** handles the kicking and punting, averaging 41.9 yards per punt (2nd NSIC) while ranking tied for fifth with six field goals made (6-8).

The Beavers also rank tied for last in the league with five red zone touchdowns, and have been there just 15 total times with five TDs and five FGs while opponents have scored 14 red zone TDs in 22 trips.

## 2019 TEAM CAPTAINS

CSP head coach **Shannon Currier** will have rotating team captains each week for the second year in a row in 2019. Captains are selected by the coaching staff based on performance on the field and as a leader in practice, meetings and day-to-day activities.

This week's game captains: senior offensive lineman **Rich Kelly** (7x) and senior quarterback **Maxon Hutton** (7x) on offense and juniors **Chris Garrett** (5x) and **Dalton Smerchek** (2x) on defense. This captain combination was also deployed for a week two road win at Upper Iowa.

*A full listing of the team captains is available on page 5.*

## DOBBS HONORS FALLEN FRIEND WITH NUMBER CHANGE

Senior defensive end **Jackson Dobbs** changed jersey numbers from 98 to 26 to honor **Billy Brown, Jr.**, a linebacker who graduated from CSP in May, 2018. Billy passed away shortly after graduating while working out in the Twin Cities in June. The two were close friends, and head coach **Shannon Currier** has opted to honor Brown by selecting a player who fits Billy's work ethic and commitment to the program to wear the number each season.

Last year, it was **Brandon Russell** who switched from 23 to 26 to honor his late friend.

Dobbs has racked up 152 career tackles, 26.0 TFL and 16.0 sacks in 34 games. As a sixth year senior, Dobbs has had a strong season in #26, posting 6.0 TFLs, 3.5 sacks and 28 total tackles.

## NSIC PLAYERS OF THE WEEK

The Golden Bears' strong 4-2 start has featured five different NSIC Player of the Week selections, covering four of the six weeks and all three award levels:

Wk	Opp	Player	Award	Stat
1	USF	Dalton Smerchek	Def	9 TT, 1.5 TFL, FF, FR
2	UIU	Jake Portz	Def	18 TT, 1.0 TFL

6	MSM	Chris Garrett	Def	6.5 TFL, 5.0 sk, 3 FF

## SERIES HISTORY: CONCORDIA 6, MINOT STATE 1

Concordia holds a commanding 6-1 lead entering the eighth contest between the schools in a series that began in 2008, before Minot State had moved into the NCAA Division II ranks or Northern Sun membership column.

Of the Golden Bears' six wins, each has been by at least a two-score margin with the closest CSP win being a 12-point victory (43-31) on the road at Minot State in 2011.

Concordia is 2-1 in three trips to Minot State, winning the previous two 43-31 in 2011 and the most recent road trip in 2015, 28-13. Concordia dropped its first road game to Minot State 24-21 in 2009.

CSP has shutout the Beavers twice in the eight meetings, including the last affair which is the only game that head coach **Shannon Currier** has coached against Minot State in either of his two CSP tenures (2000-03 & 2016-present). The second shutout of Minot was at Sea Foam Stadium in 2015, a 24-0 CSP win.

Currier will be making his first-ever trip to the longest conference road trip CSP faces.

## LAST MEETING, 2017: CONCORDIA 24, MINOT STATE 0

The Golden Bear defense held Minot State to 2-of-13 on third down, 0-of-1 on fourth down and scoreless in three trips to the red zone to record the season opening shutout at Sea Foam Stadium.

It was also defensive coordinator **Craig Stern's** return to the program. Stern, a fellow Cosmos, Minnesota native along with head coach **Shannon Currier**, coached the defense during Currier's first stint with the program (2000-03) before the two parted ways when Currier relocated to Truman State in Missouri. Currier rejoined Concordia's sidelines in 2016, with Stern following in 2017.

The pair never skipped a beat with the dominant win. After Minot registered 106 yards on its first three possessions, Stern's defense held the Beavers to just 42 yards on their next 14 plays spanning four possessions. The stretch went from the middle of the second quarter to the middle of the third.

By then, Concordia had mounted a 17-0 lead behind an 11-yard passing TD between sophomores **Maxon Hutton** and **Marcus Gustavson** and an 8-yard TD run by **Darnell Rolle** while **Jonas Schenderlein** adding a 22-yard field goal in the third quarter.

Freshman **Shaq Johnson** capped the scoring with a 5-yard TD run in the fourth.

Concordia held the Beavers to 30-for-64 rushing and limited sixth year starting QB **Zac Cunha** to 15-of-35 passing for 175 yards including four sacks with senior **Breon Hoosier** registering a pair from the safety position.

In his career debut, **Chris Garrett** showed a sign of what was to come, with a strip sack and recovery. Now a junior, Garrett has 31.5 career sacks and 12 forced fumbles in just 23 games.

Offensively, Gustavson led the way with his third career 100 yard receiving performance (6-116, TD) while Rolle had his first career 100 yard rushing game (17-107) after being held to 11-for-23 in the first half.

Hutton was 12-of-22 for 168 yards and a TD, adding 6-for-31 on the ground. Johnson, also making his debut, had 5-27 rushing including his first career touchdown.

## LAST WEEK: CONCORDIA 24, MSU MOORHEAD 17

On a cold, windy day complete with a rain/snow mix throughout, the results of the game were predictable based on the weather conditions, although not necessarily dictated by them.

Each team had a pair of costly punt-exchange miscues with CSP tackling the MSUM punter a pair of times after a botched snap while the Dragons countered with a pair of blocked punts.

There were nine total fumbles in the game, with each team losing one, and each team had an interception for an even turnover margin, thus negating any turnover or special teams advantages.

But one thing wasn't equal, and it mattered a lot. Concordia's defensive front completely dominated play, tying an NCAA Division II single game sack record with 14, and finishing three tackles for loss shy of the DII record, setting a new CSP record with 22.

In the final tally, Concordia held the Dragons to -97 rushing yards, a new school record for the Golden Bears.

Junior defensive end **Chris Garrett** was the catalyst, with a career-high 11 tackles, setting a school record with 6.5 tackles for loss, coming up one shy of the school mark with five sacks and adding three forced fumbles.

Garrett's sacks, TFLs and FFs were single-game NCAA Division II single game highs through six weeks. He would earn D2Football.com National and NSIC Defensive Player of the Week honors.

Garrett wasn't alone in the onslaught of Dragon quarterback **Matthew Plasterer** as six different Golden Bears had sacks including four with at least a pair. Redshirt freshman **Mark O'Reilly** had a breakout performance with three sacks, four tackles for loss and five tackles.

While the defensive line produced 13 of the 14 sacks, junior linebacker **Dalton Smerchek** added the other while contributing a big individual performance. He had 2.5 TFLs, a forced fumble and a fumble recovery and was second on the defense with six tackles.

Concordia started the game quickly and seemed to take control when freshman **Darios Crawley-Reid** scored on a 28-yard catch and run swing pass to the flat from senior **Maxon Hutton** midway through the first quarter. CSP scored again after tackling the Dragon punter at the one yard line, setting up what will likely be CSP's shortest drive of the year in plays (1), yards (1) and time (0:06), with **Shaq Johnson** trotting into the end zone with 6:39 to play in the first quarter.

From there, things slowed down to a halt for both teams, with the Dragons hitting a field goal with under a minute to play until the half while **Danny Laudet** countered with a 23-yard field goal early in the fourth quarter.

After building a 17-3 lead with 14-plus minutes to go, CSP saw its lead threatened as the Dragons scored their first TD with 7:24 to play, and then stopped CSP.

But the Golden Bear defense responded with three straight sacks after MSUM picked up a first down on the ensuing drive, backing them up to a 4th-and-42 from their own 7 yard line.

The result set CSP with excellent field position, allowing Crawley-Reid to score his second TD, a 17-yard run for a 24-10 lead with 2:20 to play.

Crawley-Reid was CSP's offensive leader with 86 combined yards on 12 touches (8-44 rush & 4-42 rec, 2 total TDs).

Johnson added 12-41 and a TD on the ground while Hutton connected with five different targets for 11-20 passing and 92 yards.

## PRESEASON &amp; RETURNING ALL-AMERICAN: CHRIS GARRETT

Junior defensive end **Chris Garrett** comes into 2019 as a D2Football.com Preseason All-America First Team selection. He got off to a strong start with at least 1.5 TFL in the first four games and at least 1.0 sacks in the first three games. Through the first half (6 games), he's had at least five tackles each game and has compiled 13.0 TFL and 9.0 sacks.

Through six games, he leads the country in sacks (1.5/game) for the second year in a row, also leading the nation with 0.67 forced fumbles per game (4 total), and is fifth nationally in tackles for loss (2.2/game), leading the NSIC. Rare for a pass rushing defensive end, Garrett is 14th in the NSIC in tackles (6.7/game), as well.

He is coming off a year in which he was named All-America First Team by the AFCA and Associated Press, Second Team by D2C-CA and Third Team by Don Hansen's Football Gazette.

Last year, he led the country with 1.65 sacks per game and was fourth in the nation with 1.90 tackles for loss per game.

He set the CSP single season sacks record with 16.5 in just 10 games in 2018, and set the single game TFL record in week six in 2019 with 6.5 against MSU Moorhead, adding 5 sacks, second most in CSP history to earn D2Football.com National Defensive Player of the Week for the second time in his career.

After finishing his sophomore year on a torrid pace with 14.0 sacks, 16.0 tackles for loss and 36 total tackles in the last six games, Garrett's streak has carried over into 2019, giving him

23.0 sacks, 29.0 TFL and 76 total tackles in a 12 game stretch.

## HEAD COACH SHANNON CURRIER | 8TH SEASON

Originally the 8th head coach of CSP football in 2000, Shannon Currier returned to lead the program for his 2nd stint in December, 2015.

He became the program's all-time wins leader on November 3, 2018 with a 16-10 win at SMSU.

In his first stint, he compiled a 32-12 (.727) record and brought the program its first NSIC Championship in 2003 when he was named NSIC Coach of the Year. The conference title also brought a berth in the Mineral Water Bowl, the first post-season game in school history.

He coached Concordia to four consecutive winning seasons and is the only coach in program history to achieve the feat - consecutive or cumulative.

## THE GRIFF MYTH - PROTECTING HOME TURF

The team also established the longest home winning streak in school history under his guidance. Known to teams of the era as the "Griff Myth," Concordia tallied 19 consecutive home victories down the street at Griffin Stadium. The streak began in 2002 and stretched two years after Currier left through the 2005 season, finally falling at the beginning of 2006.

In Currier's first four years, his teams only lost two home games, producing a record of 18-2 after winning his first and last nine home games.

He opened his return to the program with a 17-0 shutout win over U-Mary in 2016, snapping a 6-game home losing streak and a former school record 8-game overall losing streak. His CSP teams are 8-0 all-time in home openers and he holds a career 26-13 home mark at Concordia between Griffin & Sea Foam Stadium.

## CAREER AT TRUMAN

Following the program's 2003 NSIC title run, Currier accepted the head coach position at Truman State where he turned a losing program into a pair of 6-5 winning campaigns in his 3rd and 4th seasons.

His tenure was highlighted in his third year, leading the Bulldogs to a 6-3 record in a strong MIAA, finishing fourth in the league. He left the program following a 4-7 season in 2008 with a 20-35 overall record.

## PRIOR TO REJOINING CONCORDIA'S SIDELINES

Following his departure from Truman, Currier spent seven years working outside of the coaching profession as a senior sales manager with iHigh.com working to build a digital platform for high school sports, reaching up to 1.5 million Minnesotans in his final year with the company.

## NSIC BACKGROUND &amp; ST. PAUL PRIVATE EDUCATION

He arrived at Concordia in 1999 as offensive coordinator and recruiting coordinator for former head coach and athletics director Dan O'Brien, now an assistant coach for the University of Minnesota.

Prior to joining Concordia, Currier spent two years each in similar roles at Southwest Minnesota State and Minnesota Crookston following his start in college coaching at Bemidji State as an offensive graduate assistant where earned his master's degree in physical education.

A native of Cosmos, Minnesota, Currier was a quarterback at Hamline University where he graduated with a degree in physical education in 1993.

# FROM THE "GRIFF MYTH" TO "HOME SWEET FOAM"

Prior to head coach **Shannon Currier** returning to lead the Golden Bears, CSP had posted an 11-24 record at Sea Foam Stadium (2009 to 2015) and had never posted more than two home wins in a row with just two winning seasons since football returned to campus in 2009.

In Currier's first season back, the Bears won the 2016 home opener and did so again to start the 2017 season.

In 2017, CSP also nabbed a win in the home finale, a 37-20 win over SMSU that started a three game home winning streak including the first two games of 2018 for the first time in Sea Foam Stadium's history. It was also the first three game home winning streak since the 2005 NSIC Championship season, played down the street at St. Paul Central High School's Griffin Stadium.

In Currier's first term leading the Bears (2000-03), he posted an 18-2 home record at Griffin Stadium, starting the "Griff Myth," a 19-game home winning streak that began in 2002 and spanned four full seasons of perfect home football (2002, 2003, 2004, 2005).

Currier now holds a 26-13 career record in home games at Concordia, a perfect 8-0 mark in home openers, a 4-4 mark in home finales and led the team to a winning record at Sea Foam Stadium in 2018 for the third time since 2009.

# HOME SWEET FOAM: HOW SWEET IS IT?

With a 3-2 home record in 2018, Concordia-St. Paul enjoyed a home field advantage a year ago. The run game topped 200 yards in four out of five home games and held opponents to 131 yards or less four times. Concordia averaged 5.1 yards per carry in home games while opponents mustered just 3.1 yards per rush.

Overall, CSP held a 403.2 to 364.2 average total offense margin and racked up 5.9 yards per play while limiting foes to 4.8 in 2018 home games.

The defense also racked up 6.8 TFL per game while the offensive line limited the damage to just 3.4 opponent TFLs per home contest. Further, the defense held a 17-to-11 margin in sacks leading to 104-to-57 difference in lost yardage. The defense also stifled opponents on fourth down to just 2-for-12 (16.7%).

In the 2019 home opening win over Sioux Falls (41-17), Concordia won the turnover margin 2-0, registered six sacks and held the Cougars to 0-of-3 on fourth down and 4-of-13 on third down.

After a 29-3 loss to Minnesota State in week three, Concordia rebounded with a 24-17 home win over MSU Moorhead, holding the Dragons to school records -97 rushing yards and 22 tackles for loss while tying the NCAA Division II single game sacks record with 14.

# HOME OPENER SUCCESS

Concordia head coach **Shannon Currier** has improved to 8-0 in his CSP career in home openers including 4-0 at Sea Foam Stadium in his second stint. Across the eight home opener wins between Sea Foam and Griffin Stadium, Currier's Bears have averaged a 30.9 to 9.4 margin of victory, a total of 247 to 75.

# TOUGH HOME SLATE IN 2019 & OTHER SCHEDULE NOTES

After playing a tough road schedule a year ago, the flipped opponents in the South Division leads to a rough home slate in 2019. Concordia's six home opponents in 2019 combined for a 45-21 overall record last year, and only one of them (SMSU) had a losing season (4-7). The Golden Bears host, in order, Sioux Falls (7-4), Minnesota State (11-0), MSU Moorhead (8-3), Bemidji State (7-4), SMSU (4-7) and Winona State (8-3) in 2019.

Those opponents have combined for a 24-12 record in 2019, with only SMSU (2-4) producing a losing record.

CSP's last win over a nationally-ranked team was a 27-24 win vs #24 Wayne State in 2011 at Sea Foam Stadium and the last win over a nationally-ranked team on the road was a 28-26 win at #11 Minnesota State in CSP's 2010 Mineral Water Bowl campaign. CSP has now lost 18 straight games to ranked teams.

The Bears snapped a 13-game road losing streak in week seven in 2018 with a 17-7 win at UMary, snapped a 12-game NSIC South road losing streak in week 10 at SMSU in 2018 and in 2019 the program snapped a 10 game road night game losing streak with a 28-23 win over Upper Iowa in a streak that dated back to 2013.

# TURNOVERS MATTER

As CSP's program has grown under head coach **Shannon Currier**, the team's steady veteran offensive line has provided more protection for its quarterbacks, leading to more consistent ball control. Defensively, a talented and deep defensive line has helped create pressure in opposing backfields, leading to more forced fumbles and hurried passes leading to interceptions down field under third year defensive coordinator **Craig Stern**.

Since Currier has rejoined the program in 2016, Concordia has produced a 6-3 record when winning the turnover battle including four straight wins. In week two at Upper Iowa, the Golden Bears lost the turnover battle (2-0) but came away with a 28-23 win, just the second time they've done so in 18 games since 2016 when losing turnover margin. When turnovers are even, CSP is 5-6 since 2016.

# DEEP & EXPERIENCED ON THE LINE OF SCRIMMAGE

The 2019 Golden Bears' strength is up front, returning all but one combined starter between the offensive and defensive lines. While four year starting tackle **Terrell Taylor** graduated from the 2018 offensive line, the Golden Bears actually return five blockers with starting experience, along with all four starting defensive linemen. (*Games started listed below*)

On defense, the four starters: **Kelly Pierce** (31), **Jackson Dobbs** (31), **Dylan Wood** (26) and **Chris Garrett** (17) have played a majority of snaps together over the past three years. In weeks 2 & 3, senior **TJ Diallo** worked his way into the interior defensive line starting lineup while sophomore **Shawn Aarhus** got the start in week three against MSU.

On offense, **Rich Kelly** (36), **Ethan Aune** (26), **Tanner Haechten** (14), **Cris Wasylciw** (14) and **Matthew Montgomery** (8) have provided the Golden Bears with the muscle up front.

Montgomery earned the starting center role in 2018 as a red-shirt freshman before his season ended with injury early on, but is now in his third year in the program while Wasylciw was a transfer with prior experience.

In week four, it was redshirt freshman **Sam Marshalek** making his first career start in Haechten's spot due to injury while sophomore **Tyson Kauffman** earned the start in week six against MSU Moorhead. Beginning in week five, junior college transfer **Dejon Hart** cycled into the backup rotation at guard as the Bears have used a team effort to fill his void since week four.

**SENIORS FLANK GARRETT ON D-LINE**

While junior **Chris Garrett** garners the attention that comes with All-America and Preseason All-America honors, he's joined by four tenacious seniors who are accomplished in their own right: **Dylan Wood, TJ Diallo** and **Kelly Pierce** on the interior and **Jackson Dobbs** on the opposite end.

The statistical leader of that group, Dobbs has compiled 152 career tackles, 26.0 tackles for loss and 16.0 sacks across 34 games.

In 33 games, Pierce has 116 tackles, 20.0 for loss and 12.0 sacks while Wood has played in the most games (39) with 123 tackles, 19.0 for loss and 11.5 sacks. Diallo, a second year transfer, earned the start in weeks two and three alongside Wood on the interior and has made 29 tackles (1.0 TFL) in 17 career games.

So far in 2019, Pierce has 20 tackles, 3.5 TFL and 2.5 sacks, Dobbs with 28 tackles, 6.0 TFL and 3.5 sacks while Wood has 22 tackles, 2.5 TFL.

The depth on the defensive line is notable as six other defensive linemen have recorded at least a half sack with backups led by sophomore ends **Shawn Aarhus** and **Mark O'Reilly** with three sacks each while senior end **Cole Marmor** and sophomore end **Richard Ficciello** each have a sack.

The defensive line combined for 13 of an NCAA DII record-tying 14 sacks in a 24-17 week six win over MSU Moorhead, and five of the team's six sacks in the season opening 41-17 win over Sioux Falls. On the year, the defensive line has racked up 24 of the team's 27 sacks.

**SHAQ & LP LEAD A DEEP GROUND GAME**

The running back group is led by sophomore **Shaq Johnson** and junior **Lajuan Preston**, both Florida natives. Preston became an All-NSIC South Division honorable mention rusher a year ago when Johnson's season ended in week four against Wayne State.

Prior to his season ending injury in 2018, Johnson was on a torrid pace with over 100 combined rushing/receiving yards per game (367 rushing, 49 receiving) and five total TDs in four games.

Preston picked up where Johnson left off after Shaq's injury, gashing Minnesota Duluth, Northern State and Minnesota Crookston for 100-plus rushing yards in a four game stretch including a high of 21-141 against Northern State. He finished the year averaging 6.5 per carry with 704 rushing yards.

Although Preston suffered a season-ending injury in week four at Wayne State this season - the exact timetable and opponent as Johnson a year ago, 'LP' turned in a strong first four games with 177 yards at 5.5 per carry and a pair of TDs.

In the week four win at Wayne State, Preston surpassed 1,000 career rushing yards with 1,013 on 173 carries, averaging 5.9 per carry.

Johnson made his 2019 debut in week two, reaching 100-plus yards for the third time in his career with 12 carries for 118 yards, adding a 36 yard catch and 25 yard kickoff return for 179 all-purpose yards on 14 touches in a win at Upper Iowa. He also found the end zone for his ninth career touchdown (10 with passing included).

A versatile back, Johnson is second on the team (and leader of the RBs) with 183 rushing yards and is third on the team in both receptions (12) and receiving yards (121). He leads the team with 329 all-purpose yards despite missing two games.

Adding to CSP's ground threat is athletic quarterback **Maxon Hutton**. The senior, who had his second career 100-yard rushing game with 120 yards and a 76-yard TD run in week four at Wayne State, leads the team in rushing with 279 yards and a pair of scores.

All three have multiple 100-yard performances in their careers: Preston (3), Johnson (3) and Hutton (2).

**NEWCOMERS TO THE BACKFIELD**

**Darios Crawley-Reid** made his career debut in week two at Upper Iowa, and the true freshman got off to a strong start with 7-45 rushing and a touchdown and a 15 yard catch. Crawley-Reid is the younger brother of **Chris Garrett**.

He's been a consistent presence in the backfield ever since,

with 152 rushing yards, a team-high 5.6 average and a team-leading three rushing TDs. He's also fourth on the team in receptions (10) and receiving yards (96) and adds a receiving TD. His four total TDs lead the team, ahead of four others with two.

Division I transfer **Ethan Falaniko** from South Dakota also factors in the ground game. Falaniko is a physical back capable of blocking or providing a bruising presence with the ball, rushing for 14 yards on six attempts while seeing action in all but one game on the year.

It was senior **Cole Kirchoff** who drew the backfield start in week one, producing 21 combined yards on eight touches with 6-12 rushing and 2-9 receiving. He also found the end zone for the first time in week two at UIU.

Kirchoff joined the football roster in 2019 after a four year run with the baseball team where he was a starting outfielder with three homers, three triples, 17 stolen bases and was third on the team with 20 RBIs.

**HUTTON UNDER CENTER**

Senior quarterback **Maxon Hutton** has ascended to the starting quarterback role after serving as the backup as a sophomore and junior while making spot starts. The dual-threat QB topped 3,000 career yards of total offense in week five at SCSU. He now has 3,144 yards of total offense and 18 total TDs in his career (14 pass, 4 rush).

In 2019, Hutton has ascended to one of the more efficient and versatile QBs in the NSIC. He ranks third in completion percentage (.584) and sixth in pass efficiency (115.2). He's also committed just four turnovers on the year and engineers an offense that has committed just eight turnovers in six games, ranking 39th in the country and fourth in the NSIC.

He's already rushed for a career-high 279 yards on the year while adding 864 yards on 80-137 passing.

In the season opener, Hutton completed 13-of-22 (.591) for 159 yards and two touchdowns while adding 67 rushing yards on 14 carries and a touchdown. The senior also showed the poise necessary to lead a turnover-free offense.

In a week four win at WSC, he was named NSIC Offensive Player of the Week as he produced league-highs for the week in total offense (292) and rushing yards (120) while playing turnover-free football on the road and completing 66.7 percent (16-24) of his passes. The 16 completions would become a new career-high, temporarily. He also had a 76-yard TD run to put CSP ahead in the third quarter.

Backing him up is senior **Jared Olsgaard**, a transfer from Alabama A&M by way of Minnesota State Community & Technical College. In addition to being the backup QB, Olsgaard opened the year as the team's punt returner, averaging 8.5 (4-34). While taking a few reps under center in recent weeks, he's been featured more prominently as a receiver including a career-high six catches (25 yards) in week five at SCSU.

Olsgaard has recorded 9-57 receiving, 5-23 rushing and 4-34 on punt returns on the year.

Depth at the position is provided by junior transfer **Johnny Saavedra** and redshirt freshmen **Darion Manning** and **Abe Schwartz**. Schwartz has earned a role on the roster as a special teams contributor, and is tied for the team lead in special teams tackles (5) with a team-high (4) on punts.

**THREE DEEP WITH SENIOR WIDE RECEIVERS**

Senior quarterback **Maxon Hutton** has three senior wide receiver targets with complimentary skillsets: fourth year starter **Marcus Gustaveson**, second year junior college transfer **MJ Williams** and graduate Division I transfer **Jabril Clewis**.

In four games, the trio has combined for nearly 60 percent of the team's receiving yards and three of its four TD catches.

Clewis leads the team with 228 yards and a 16.3 average while Williams and Clewis each have 14 catches, Williams gaining 175 yards. Gustaveson (6-95) has two of the three TDs with Williams grabbing the other.

**GUSTAVESON CLIMBING THE RECEIVING CHARTS**

Fourth year starting wide receiver **Marcus Gustaveson** has established himself as one of CSP's top receivers in recent years. He has four career 100-yard performances and is climbing the CSP career receiving charts.

He's tied for eighth in career touchdown catches (18), 10th in receptions (116) and 10th in receiving yards (1,751). He's hauled in a pair of TDs in 2019, both in victories, and is second on the team with 15.8 per catch (6-95).

**SOPHOMORE SAFETIES**

Sophomore safety **Dez Bassett** entered 2019 as the team's starting strong safety (rover) and was the second leading tackler a year ago as a redshirt freshman with 65. Just past the midway point of 2019, Bassett is fourth on the team with 31 tackles with a season-high of eight in week five at SCSU.

Bassett's redshirt freshman 2018 season also included seven

pass breakups and a 77-yard interception return for touchdown in a win at UMary in addition to the 65 total tackles.

Joining Bassett at the safety position are fellow sophomores **Rhett Sheehan** and **Parker Powers** at free safety.

Sheehan has started 15 of 17 career games with 52 career tackles, producing 15 stops in six games in 2019, adding a pair of pass breakups.

Powers has 33 career tackles, five pass breakups and an interception across 17 games. He has a pair of three tackle performances against Sioux Falls and MSU among his nine tackles in 2019.

#### LINEBACKERS PUTTING UP BIG NUMBERS IN 2019

A key benefit of having an experienced, physical defensive line is the ability for the linebackers to be free to make plays.

In 2019, Concordia's linebackers opened the year with back-to-back NSIC Defensive Player of the Week honors.

Sophomore MLB **Jake Portz** has emerged as one of the nation's elite tacklers in 2019. His 9.8 per game average ranks 29th in the country and second in the Northern Sun. The team's leading tackler in 2018 as a redshirt freshman with 77, he's rapidly approaching that total with 59 through six games.

Portz produced 18 tackles in a 28-23 road win at Upper Iowa to earn NSIC Defensive Player of the Week honors and followed that up with 15 tackles against #3 Minnesota State.

The 18 tackle performance is the second most tackles in a game in school history, an NSIC single game high and the eighth most in a game in DII football through five weeks.

While Portz has been among the national leaders throughout the season, it was junior WLB **Dalton Smerchek** who had the impact performance in week one to earn NSIC Player of the Week honors.

In a 41-17 win over Sioux Falls, Smerchek made nine tackles, 1.5 for loss, forced a fumble at the goal line, recovered a muffed punt, had a pass breakup and pair of hurries. One of his tackles was a TFL at the goal line, forcing a field goal two plays later and one of his hurries came on fourth down in the second half as he continued to make impact plays of all kinds.

Initially a long snapper and key special teams contributor, Smerchek has turned into one of the top players on the defense in his junior season. In 28 career games, he's recorded 90 tackles, 7.0 for loss, four fumble recoveries and three forced fumbles.

Smerchek is third on the team with 27 tackles, adding 2.5 TFL, a sack, 1 FF and 1 FR in five games in 2019.

The unit is complimented by SLB **Gabe Nkumu** who is sixth on the defense with 25 tackles, adding two pass breakups.

Nkumu rejoined the program after a year away when he played nine games as a freshman in 2017 with six tackles, 2.5 for loss, 1.5 sacks and a forced fumble.

#### CORNERS PRODUCE IN NEW ROLES

The Golden Bears have a pair of new starters at corner, junior transfer **Preston Piltoff** and junior **Lorenzo Kendrick** in his third year in the program. Kendrick was one of the team's co-captains in week one, making three tackles and falling on a blocked punt for a touchdown in a 41-17 win over Sioux Falls. He's played in 28 career games with 59 tackles and five pass breakups in his career.

Kendrick secured his first career INT in week three against Minnesota State, the team's first of the year.

Piltoff had four tackles (three solo) in his debut with CSP, also adding a fumble recovery at the goal line and recovering a blocked punt in a busy first half in a 41-17 win over Sioux Falls. Through six weeks, Piltoff has registered 21 tackles with at least three in five of six games. He leads the team with five pass breakups.

easy task, but the Golden Bears turned to an internal option with **Danny Laudet** who is in his third year in the program and has familiarity with the graduated **Jonas Schenderlein**.

Further, Schenderlein has remained in the program as a graduate assistant, working with Laudet and the other specialists.

Laudet responded well to the additional duties immediately, converting 2-of-2 field goals (30, 29), all five PATs for 11 points, three of eight kickoffs for touchbacks in his debut at kicker in the 41-17 win over USF.

Through six weeks, Laudet is one of the nation's best at both jobs, ranking seventh in the country field goals per game (1.83), 14th in DII and second in the NSIC in FG pct (.846) and the nation's 22nd-ranked punter (41.6).

He's also cashed in all 14 of his PATs and has hammered 14 touchbacks on 29 kickoffs.

His early season performance was punctuated with an NCAA Division II long 82-yard punt from the back of his own end zone in a week four win at Wayne State.

He earned NSIC Special Teams Player of the Week honors for his week four performance, hitting the longest FG in the league for the week (second longest of 2019 in the NSIC) from 49 yards, bashing 5-of-6 kickoffs for touchbacks, aver-

aging 51.0 yards on four punts and the league's season long of 82 yards.

In week five, he was arguably even better, making a 4th quarter game-tying and go-ahead field goal and adding another go-ahead field goal in overtime at SCSU. He also delivered a 53-yard punt with a -2 return (55 net) late in the fourth quarter.

It was part of a 5-field goal performance, the first in the NSIC since 2010, a school record and the only recorded 5-for-5 field goal performance in league history dating back to when stats are displayed (1998-present).

His 41.62 season average and his career average of 40.16 puts him in line to contend for the season (41.32) and career (39.32) punting average records.

#### DEVIN FLAKES WEEK 1 BLOCK PARTY LEADS SPECIAL TEAMS

Freshman defensive back **Devin Flakes** got off to an exceptional start to his college career, blocking a pair of punts while seeing regular action on special teams in his debut as a true freshman. The blocked punts came in a 24-0 second quarter for CSP in a season-opening 41-17 win over Sioux Falls. The first, recovered by junior defensive back **Preston Piltoff**, set up a two play scoring drive while the second was recovered by junior defensive back **Lorenzo Kendrick** for a touchdown at the end of the quarter for a 27-7 halftime

### Lead over the Cougars

The special teams is led by third year special teams coordinator **Jake Munkwitz**, with the Golden Bears blocking 10 kicks and punts since 2017 in 25 games.

In addition to an increased ability to block kicks or disrupt an opponents kicking game with pressure, special teams standouts include sophomore **Hunter Thompson** with a team-high five tackles on kickoff returns and redshirt freshman **Abe Schwartz** with a team-high four tackles on punt coverage. Both players lead the team with five total special teams tackles while junior **Lorenzo Kendricks** has added four (2 KO, 2 punt).

### TRENDING TOPICS: QB PERCENTAGE

A point of emphasis for the Golden Bears entering 2019 is a more efficient passing game. Even a slight improvement in completion percentage and a decrease in interceptions can lead to a significant boost in wins.

Since **Shannon Currier** has returned to the program in 2016, when the Golden Bears complete at least 54 percent of passes, the team is an above .500 squad with an 8-6 record including wins in five of the last seven when achieving that 54.0 percent mark.

Below is a look at year-by-year season results:

YEAR	C-A-I	PCT	YDS	TD	W-L
2016	202-402-10	50.2	2,351	15	2-9
2017	171-374-15	45.7	2,214	15	2-9
2018	145-293-15	49.5	1,873	15	5-6
2019	80-139-4	57.6	864	4	4-2

### TRENDING TOPIC: SACKS / WINS CORRELATION

In the 39 games since head coach **Shannon Currier** has been back with the program since 2016, the CSP defense has produced 4-plus sacks 11 times and had more sacks than the opponent 15 times.

In the 4-plus sack games, Concordia has an 8-3 record and has won five of its last six games when sacking the quarterback four or more times.

When producing more sacks than the opponent which factors line play on both sides, Concordia is 10-6 but has won five of the last six including three times in 2019: 6-to-2 against USF in week one, 2-to-1 at Upper Iowa in week two and most recently 14-to-1 in week six against MSUM.

### FOUR DIFFERENT PLAYERS WITH RUSHING TDS

In Concordia's 28-23 win at Upper Iowa in week two, the Golden Bears had four different players reach the end zone on the ground, in order: **Cole Kirchoff**, **Shaq Johnson**, **Darios Crawley-Reid** and **Lajuan Preston**.

The last time Concordia had four different players score rushing touchdowns in the same game was a 73-13 win over Minnesota Crookston on October 7, 2005 when **Aaron Cawthorn** scored four rushing touchdowns while **James McNear**, **Brian Holmes** and **John Robinson** each had one.

On the year, four ball carriers have reached paydirt at least twice for Concordia in the run game: **Darios Crawley-Reid** (3), **Shaq Johnson** (2), **Lajuan Preston** (2) and **Maxon Hutton** (2) while **Cole Kirchoff** gives the team five backs who've scored on the ground.

### GROUND CONTROL LEADS TO VICTORIES

Since 2016 when **Shannon Currier** returned to CSP's sidelines, Concordia has rushed for 200-plus yards 10 times, producing a 7-3 record including a week two 28-23 win at Upper Iowa with a 300-yard team effort.

By contrast, when Concordia holds opponents under 100 yards, a much tougher feat, the Golden Bears are 6-1. Five of those six sub-100 opponent rushing games came last year with CSP producing a 4-1 record, only falling 24-20 in the season finale at Winona State.

This year, CSP's defense set a program record for fewest rushing yards allowed in a game by stifling (and sacking) MSU Moorhead for a loss of -97 rushing yards in a week six win.

Just four times since 2016 have the Golden Bears rushed for 200-plus and held an opponent to under 100 yards in the same game - all coming in 2018 with Concordia beating Upper Iowa (34-7), UMary (17-7) and Minnesota Crookston (21-13) while losing at Winona State (20-24).
