CSP LED BY "COACH C" - ALL-TIME WINS LEADER AT CSP

In 2018, head coach **Shannon Currier** became the school's all-time wins leader, winning his 41st game 16-10 at SMSU in week 10 on November 3, 2018, surpassing **Mark Mauer** (40-39), who coached the program for seven seasons from 2004-10.

Currier, now in his 10th overall season at Concordia, carries a 48-47 career record, has a 29-16 home record and is 9-0 in home openers. He's been head coach across two different stints, 2000 to 2003 and 2016-present while also serving as head coach at Truman State for five seasons from 2004-08. He was 2003 NSIC Coach of the Year, leading the program to its first NSIC Championship and the program's first-ever postseason appearance at the 2003 Mineral Water Bowl.

SMERCHEK SELECTED FOR BILLY BROWN'S #26 IN 2021

Senior linebacker **Dalton Smerchek** changed jersey numbers from 32 to 26 to honor **Billy Brown, Jr.**, a linebacker who graduated from CSP in May of 2018. Billy passed away in 2018 shortly after graduating while working out near his home in the Twin Cities in June. Head coach **Shannon Currier** has opted to honor Brown by selecting a player who fits Billy's work ethic and commitment to the program to wear the number each season.

A native of Casco, Wisconsin, Smerchek has played in all 40 games over his career, recording 153 tackles, 14.0 tackles for loss, 3.0 sacks, six fumble recoveries and five forced fumbles. In 2021, the senior has compiled 36 tackles (22 solo) with 3.5 for loss and a forced fumble.

He is a CoSIDA Academic All-America Second Team selection from 2020-21 and was an All-NSIC South Division honorable mention performer in 2019 when he made 60 tackles, 8.5 for loss, had three sacks, four fumble recoveries and three forced fumbles.

"It was an honor to wear Billy's number when the coaches asked me!" said Smerchek. "Billy was one of my main role models my freshman year, showing me how to take on college football and college in general. He strived to 'Be Great!' and brought others with him."

Prior #26 Billy Brown number recipients:

2018, **Brandon Russell** (23 to 26)

2019, **Jackson Dobbs** (98 to 26)

2020, none selected

2021, **Dalton Smerchek** (32 to 26)

NOTES ABOUT THE WOLVES

The Wolves are off to a 5-2 start overall behind a high scoring offense ranking second in the NSIC with 34.6 points per game and the league's third-ranked offense with 458.3 yards per game.

The Wolves are productive through the air, with the league's third-ranked pass attack with 316.4 passing yards per game and the most efficient pass attack (161.9) in the league with 24 TDs and just 2 INTs.

The Wolves have scored in 33 of 35 trips to the red zone, executing a league-best 25 red zone TDs and making all eight FG attempts.

The defense has been opportunistic, as well, leading the league with 13 INTs thanks, in part, to pressure up front as NSU is second in the NSIC with 19 sacks.

Hunter Trautman leads the offense, ranking third in the league with 2,176 passing yards while tying for the league high 24 TDs and just two INTs for a league-leading 161.1 efficiency. He also has 226 rushing yards and three TDs.

Dewaylon Ingram is his top target, as his 706 yards rank fourth in the NSIC, averaging 17.2 yards per catch with eight TDs while **Dakota Larson** is eighth in the NSIC with 607 yards at 12.6 per catch with nine TDs.

Brett Benton leads the ground game with 306 yards and three TDs while averaging 6.0 per carry.

Vance Barnes is dangerous in the return game with a league-high 532 kickoff return yards and a 24.2 avg.

Chase Teiken leads the defense with 48 tackles, ranking ninth in the NSIC while **Brennan Kutterer** (46), **Nate Robinson** (45) and **Chance Olson** (42) all rank in the league's top-20. Robinson's 13.5 TFLs is second-most in the league while Olson's five INTs lead the NSIC. While NSU is second in the league in sacks, no one has more than 3.0 but 11 players have at least 1.0.

NSIC PLAYERS OF THE WEEK

Following Concordia's first win of 2021, a 24-6 win over Upper Iowa in week two, **Andrew Egnarski** became the first Golden Bear to be named NSIC Player of the Week of 2021:

Wk	Opp	Player	Award	Stat
2	UIU	Andrew Egnarski	Def	11 TT, 3.5 SK, FF, FR

SERIES HISTORY: NORTHERN STATE 8, CONCORDIA 7

The Golden Bears won seven of the nine meetings between 2001 and 2011, but the Wolves have controlled the bookends of the series, winning the first two meetings in 1999 and 200 in CSP's first two years in the NSIC, and winning each of the last four contests played since 2012.

In St. Paul, Concordia is 5-3 against NSU and is 1-2 against the Wolves at Sea Foam Stadium which opened in 2009.

Coach Currier (2000-03 & 2016-present) holds a 3-3 record against the Wolves, beating Northern State three straight years from 2001-03, but NSU has won the two games since Currier's return in 2016 and 2018.

LAST MEETING, 2018: NORTHERN ST 35, CONCORDIA 28

The final margin on the scoreboard (7) nearly matched the final margin in the turnover battle (6), with Northern State leaving Sea Foam Stadium the victor with a 35-28 final.

Despite a season-high six turnovers, Concordia still had the ball in NSU territory in the fourth quarter, stalling on downs (4th & 3) at the NSU 44 yard line with 2:37 to play. CSP also fumbled a punt return at its own 16 yard line with 1:35 to play.

Concordia racked up 494 yards of total offense in the loss, rushing for 232 yards while holding NSU to 100 yards, and out-passing the Wolves 262-252. Concordia also had 27 first downs and a 34:00-26:00 time of possession advantage. CSP also converted 8-12 on third down and held NSU to 6-14.

The turnovers were decisive, as NSU returned an interception for a touchdown on CSP's opening drive at the NSU 21 yard line, and CSP also committed turnovers at the NSU 14, NSU 34 and NSU 15 yard lines to wipe out four scoring opportunities in the first three quarters. CSP also had an interception and a fumble in its own territory in the fourth quarter.

Northern State capitalized, scoring 28 points off turnovers.

After NSU took the first lead on the first quarter pick-6, the teams would see tie scores at 7, 14, 21, 28 with NSU answering each of CSP's scores as the Golden Bears never led.

CSP QB **Dom McKinzy** completed 19-31 for 262 yards and a TD and had a 1-yard rushing TD. His top target was wide receiver **MJ Williams** with 7-115 while **Keyon Walters** had 5-52 with a TD.

Lajuan Preston had his second-straight 100-yard rushing performance, rushing for 141 yards on 21 carries (6.7) while **Emanuel Jones** had 10-74 on the ground including a 36-yard TD run.

After Jones' 36 yard TD run with 10:36 to play, CSP defensive lineman **Kelly Pierce** came up with a 4th down sack as the Wolves turned it over on downs with 6:42 to play.

But the Wolves intercepted the next play and returned it to the 6-yard line, scoring on the next play for the 35-28 lead with under six minutes to go.

Wolves QB **Hunter Trautman** completed 16-27 for 235 yards and four TDs while **Dakota Larson** had 7-141 and two TDs.

Chris Garrett had 2.5 sacks among his seven total tackles, and cornerback **Marcus Haskins** had his five game INT streak come to a close but added a pair of pass breakups for 13 PBUs on the year and 18 total passes defended.

LAST WEEK: UM DULUTH 33, CONCORDIA 13

The Golden Bears held the host Bulldogs off the scoreboard for nearly the entire first half on their homecoming game at Malosky Stadium before **Curt Cox** made a 51-yard field goal off the crossbar as time expired for a 3-0 lead.

It was the first of four field goals made by Cox when UMD had the wind at its backs in the second and third quarters, converting from 33, 31, 28 in the third with his final field goal as time expired in the quarter.

In the fourth quarter as CSP had the wind shift back to its favor, the Golden Bears scored a pair of touchdowns through the air, a 67-yarder from **Abe Schwartz** to **Mason Van Zeeland** on the first play of a drive and a late 2-yard connection from Schwartz to **Brian Lankford-Johnson**. But UMD also reached the end

zone three times in the quarter, the first extending its lead to 19-0 early in the fourth quarter before Van Zeeland's 67-yarder, with two more UMD touchdowns after for a 33-7 lead with under three minutes to go.

Schwartz completed 12-22 for 154 yards and two TD passes while rushing six times for 28 yards in his first career start.

Van Zeeland led the receivers with 2-73 and the 67 yard TD while Schwartz connected with seven different targets.

Jaylin Richardson led the ground game with a season-high 18 carries, totaling 40 yards.

The defense was led by **Richard Ficociello's** two sacks among his four solo tackles while cornerback **Preston Piltoff** had three pass breakups and a tackle for loss.

FROM THE "GRIFF MYTH" TO "HOME SWEET FOAM"

Prior to head coach **Shannon Currier** returning to lead the Golden Bears, CSP had posted an 11-24 record at Sea Foam Stadium (2009 to 2015) and had never posted more than two home wins in a row with just two winning seasons since football returned to campus in 2009.

In Currier's first season back, the Bears won the 2016 home opener and did so again to start the 2017 season.

In 2017, CSP also nabbed a win in the home finale, a 37-20 win over SMSU that started a three game home winning streak including the first two games of 2018 for the first time in Sea Foam Stadium's history. It was also the first three game home winning streak since the 2005 NSIC Championship season, played down the street at St. Paul Central High School's Griffin Stadium.

In Currier's first term leading the Bears (2000-03), he posted an 18-2 home record at Griffin Stadium, starting the "Griff Myth," a 19-game home winning streak that began in 2002 and spanned four full seasons of perfect home football (2002, 2003, 2004, 2005).

Currier now holds a 29-16 career record in home games at Concordia, a perfect 9-0 mark in home openers, a 4-4 mark in home finales and led the team to a winning record at Sea Foam Stadium in 2018 for the third time since 2009.

The Golden Bears are now 11-14 at Sea Foam Stadium under Currier since 2016 including winning seasons in 2018 (3-2) and 2019 (4-2) with a 1-2 start at home in 2021 for an 8-6 home record across the past three seasons.

HOME OPENER SUCCESS

Concordia head coach **Shannon Currier** has improved to 9-0 in his CSP career in home openers including 5-0 at Sea Foam Stadium in his second stint. Across the nine home opener wins between Sea Foam and Griffin Stadium, Currier's Bears have average a 30.1 to 9.0 margin of victory, a total of 271 to 81.

NEW TO THE NORTH

The 2021 Golden Bears have shifted to the NSIC North Division after the elimination of football at St. Cloud State University and the University of Minnesota Crookston - both former members of the North Division.

The result of the 14-team NSIC is two 7-team divisions, where each program plays the other six teams once every year, rotating between home sites, while facing five of the seven teams from the opposite division.

Previously, CSP played seven games against the NSIC South Division, with that total cut down by two in 2021; and played the NSIC North four times, with that total increased by two.

In 2021, Concordia will not face Wayne State for the first time

The Golden Bears will now face every NSIC North team at home every other year, which means they will welcome MSU Moorhead to Sea Foam Stadium for just the third time when the Dragons visit St. Paul on November 6. Meanwhile, Minnesota Duluth won't come to St. Paul this year, and has only played at Sea Foam Stadium twice as well, in 2012 and 2016.

Under head coach **Shannon Currier**, the Golden Bears are 16-13 against the NSIC North Division teams across his career and 5-9 against NSIC North Division teams since rejoining the program in 2016.

TURNOVERS MATTER

Since head coach **Shannon Currier** rejoined the program in 2016, Concordia has produced a 9-5 record when winning the turnover battle. Meanwhile, when losing the turnover battle, CSP is 2-22 and CSP is 5-8 when turnovers are even.

CSP hadn't committed an offensive turnover until week four this year, with the -3 against SMSU leading to a 34-24 loss as the Mustangs outscored CSP 14-0 in points off turnovers.

HEAD COACH SHANNON CURRIER | 10TH SEASON

Originally the 8th head coach of CSP football in 2000, Shannon Currier returned to lead the program for his 2nd stint in December, 2015.

He became the program's all-time wins leader on November 3, 2018 with a 16-10 win at SMSU.

In his first stint, he compiled a 32-12 (.727) record and brought the program its first NSIC Championship in 2003 when he was named NSIC Coach of the Year. The conference title also brought a berth in the Mineral Water Bowl, the first post-season game in school history.

He coached Concordia to four consecutive winning seasons and is the only coach in program history to achieve the feat - consecutive or cumulative.

THE GRIFF MYTH - PROTECTING HOME TURF

The team also established the longest home winning streak in school history under his guidance. Known to teams of the era as the "Griff Myth," Concordia tallied 19 consecutive home victories down the street at Griffin Stadium. The streak began in 2002 and stretched two years after Currier left through the 2005 season, finally falling at the beginning of 2006.

In Currier's first four years, his teams only lost two home games, producing a record of 18-2 after winning his first and last nine home games.

QB SHUFFLE IN WEEK SIX

In Concordia's 42-14 loss in week six, four different players completed a pass in the contest. Starter **Conner Cordts** (1-of-1) left the game following a running play in the first quarter, did not return and is no longer listed on the team's official two-deep. Sophomore backup **Abe Schwartz** (5-of-8) also left the game following a running play and did not return to the field, but was able to return and start week 7 at UMD. Third string freshman quarterback **Bryce Sievers** made his most extended appearance under center, finishing the rest of the game and leading the team in pass completions (9), attempts (16) and yards (83).

SCHWARTZ ASCENDS TO QB ROLE

Sophomore quarterback **Abe Schwartz**, now in his fourth year in the program, has assumed the starting quarterback position in the season's second half. He had attempted just one pass prior to the 2021 season, but in his first start in week 7 at UMD, completed his first career TD pass on a 67-yard deep sideline

He opened his return to the program with a 17-0 shutout win over U-Mary in 2016, snapping a 6-game home losing streak and a former school record 8-game overall losing streak. His CSP teams are 9-0 all-time in home openers and he holds a career 29-16 home mark at Concordia between Griffin & Sea Foam Stadium.

CAREER AT TRUMAN

Following the program's 2003 NSIC title run, Currier accepted the head coach position at Truman State where he turned a losing program into a pair of 6-5 winning campaigns in his 3rd and 4th seasons.

His tenure was highlighted in his third year, leading the Bulldogs to a 6-3 record in a strong MIAA, finishing fourth in the league. He left the program following a 4-7 season in 2008 with a 20-35 overall record.

PRIOR TO REJOINING CONCORDIA'S SIDELINES

Following his departure from Truman, Currier spent seven years working outside of the coaching profession as a senior sales manager with iHigh.com working to build a digital platform for high school sports, reaching up to 1.5 million Minnesotans in his final year with the company.

NSIC BACKGROUND & ST. PAUL PRIVATE EDUCATION

He arrived at Concordia in 1999 as offensive coordinator and recruiting coordinator for former head coach and athletics director Dan O'Brien, now an assistant coach for the University of Minnesota.

Prior to joining Concordia, Currier spent two years each in similar roles at Southwest Minnesota State and Minnesota Crookston following his start in college coaching at Bemidji State as an offensive graduate assistant where earned his master's degree in physical education.

A native of Cosmos, Minnesota, Currier was a quarterback at Hamline University where he graduated with a degree in physical education in 1993.

route to **Mason Van Zeeland**, and added his second TD pass late in the game to **Brian Lankford-Johnson**. He finished the game taking all of the snaps under center, completing 12-22 for 154 yards, two TDs and one INT, adding 6-28 rushing with a long of 11. On the year, Schwartz is 19-36 for 198 yards with a 2-2 TD-INT ratio.

FRESHMAN QB CONNER CORDTS

The Golden Bears entered 2021 with freshman **Conner Cordts** declared the starter, just the second freshman opening day starting quarterback for the program since moving to NCAA Division II in 1999, joining CSP Athletic Hall of Famer, two-time NSIC Champion and a former Harlon Hill candidate **James McNear** (2002-05).

Cordts is the seventh freshman to start a game at quarterback since CSP football has been a Division II program (1999) - all of them having used a redshirt season prior to making their debut.

He made his debut at Winona State, completing 25-of-40 for 130 yards while leading the team in rushing with 39 yards on 11 attempts. He did not commit any turnovers.

His breakout game was a week 2 win over Upper Iowa, completing 20-of-27 for 249 yards and two touchdowns, once again playing turnover-free football under center.

Cordts topped the 300-yard mark for total offense in a game for the first time in week 4 against SMSU, passing for 260 yards and three TDs and rushing for 41 yards on nine attempts (301).

It took him until his fourth career game until committing his first turnover, an interception that snapped a streak of 111 consecutive passes without an INT to start his career.

Injured in week six, the rookie signal-caller committed only one turnover in 2021 and has a new streak of 28 passes without an INT. The team does not publicly release injury status updates or timelines for return.

Below is a look at each of the six, their first career start, their final freshman season statistics and their full career totals:

TRENDING TOPICS: QB PERCENTAGE

A point of emphasis for the Golden Bears is a more efficient passing game. Even a slight improvement in completion percentage and a decrease in interceptions can lead to a significant boost in wins.

Since **Shannon Currier** has returned to the program in 2016, when the Golden Bears complete at least 54 percent of passes, the team holds a 10-11 record (.476), outpacing the program's greater 16-35 record (.314) during the same span. *(continued)*

PILTOFF PRESEASON NATIONALLY-RANKED CORNERBACK

Senior cornerback **Preston Piltoff** is on the national map, ranked as the #4 cornerback in the country by CFB Network entering the 2021 season. He led the league in pass breakups as a junior in 2019, also leading the team with two interceptions including one for a 92 yard touchdown - the longest INT in the NSIC in 2019.

In 2021, he is fifth on the team with 31 tackles along with 23 solo stops and a team-high seven pass breakups. His seven PBUs rank third in the Northern Sun, just one shy of the co-league leaders. He had a season-high three pass breakups in week 7 at UMD.

Piltoff is a junior college transfer, competing at Grossmont College in 2018 with 36 tackles, eight pass breakups and two interceptions after an All-Conference freshman year at Shasta College with 16 tackles and five pass breakups.

CONCORDIA ST CLOUD GOLDEN HUSKIES

At the conclusion of the 2019 football season, the administrations at St. Cloud State University and the University of Minnesota Crookston made the difficult decision to end their football programs.

Immediately, the CSP coaches put together a plan and worked with Concordia administration to provide an opportunity for student-athletes to continue to pursue their goals towards graduating from college while remaining members of an NSIC football program.

Coach Currier and his staff successfully recruited 11 members of the 2019 SCSU football team, and one from UMC.

Robby Carrillo, Luke Dunsmoor, Jake Edwards, Nathan Gimza, Taylon Hensley, Sarek Hoerth, Robert Kraklow, Dominic LaCombe, Luke Shepherd, Mason Van Zeeland and Nick Webley all joined Concordia from SCSU while Ryan Martin changed his golden from the Eagles to the Bears. They've been part of the campus community since the pandemic shortened spring 2020 semester and were with us through the 2020-21 academic year.

Of that group, all have challenged for a travel roster spot while **Robert Kraklow (LT)**, **Taylon Hensley (RG)**, **Luke Shepherd (TE)**, **Nathan Gimza (WR)** and **Mason Van Zeeland (WR)** have earned at least one start.

Kraklow is a returning All-NSIC North Division Second Team offensive lineman, while Gimza was leading the team in catches (11), yards (153) and long (65) before an injury has held him out after three games.

Van Zeeland leads the team with a 23.9 yard per catch average and receiving yards (287) with a pair of touchdowns. Half of Van Zeeland's 12 catches have been for at least 25 yards including his season-long of 67 yards for a TD in week 7 against UMD.

Shepherd had ascended to the top of the TE depth chart before falling victim to injury ahead of week 4 and has not returned while Hensley made his first start at right guard in week 7.

DIVISION I TRANSFERS

The Golden Bears have infused the roster with nine players who have experience as members of NCAA Division I programs on the roster. Of the nine, seven have earned starts this season:

Ethan Falaniko, RB, South Dakota
Kyree Jackson, WR, Kentucky State
Mel Jeudy, DT, Eastern Kentucky (Alderson Broaddus)
Robert Kraklow, OL, Northern Illinois (St. Cloud State)
Brian Lankford-Johnson, RB, Purdue
Kyle Moses, CB, UNLV
Jake Richardson, DE, South Dakota
Jaylin Richardson, RB, Northern Iowa
Kevin Ventura-Cortes, TE, Abilene Christian

THREE FRESHMEN CLASSES?

Due to the COVID-19 pandemic forcing the cancellation of NSIC football in 2021, and the eligibility waivers handed down by the NCAA, the Golden Bears have a large number of freshmen on the roster. The roster includes 25 redshirt freshmen, players who did not compete in 2019 in their first year of college football whether it was at CSP or elsewhere.

Key contributors from the redshirt-freshmen group include starting wide receiver **Mason Van Zeeland** (12-287, 2 TD), starting guard **Brody Card** (6 GS), while **Elliott Wolfe** and **Taylor Hensley** each picked up starts in week 6 & 7, respectively. Joining Van Zeeland on the outside, **Evan Peterson** has played all seven games with 5-32 receiving and a 40-yard TD pass.

Defensively, in the secondary both cornerback **McKinley Egland-Young** (3 GS) and safety **Davaris Cheeks** (2 GS) have cracked the starting lineup. Up front, **Isaac Reed** had received early playing time before an injury has kept him from rejoining the lineup.

Overall, a number of others from the 2019 redshirt freshmen group have earned playing time and spots on the travel roster, as well.

The bigger number is 57 true freshmen, players who had their first season as college student-athletes in the 2020-21 academic year that didn't lose eligibility, as well as first year players new to Concordia in 2021-22.

Second year freshmen (COVID-freshmen) who have made an impact on the field include: starting right tackle **Jac Carver** who ascended into the starting role in week 4 and earned three starts before missing week 7 due to injury, starting linebacker **Caden Baarts** who earned his first career start in week 5, starting safety **Cyrus McClure** (2 GS) who has been in and out of the lineup due to injury, special teams safety **Anthony Ukofia**, special teams linebackers **Brayden Hilgemann**, **Max Giannini**, **Karson Vigeland** and **El-Osiris Jeudy**, kicker **Sam Henson**, special teams defensive back **Kahlil Robinson**, starting quarterback **Conner Cordts**, backup quarterback **Bryce Sievers**, starting running back **Jaylin Richardson**, and reserve running back **Brandon Marenco**. Tight ends **Riley Heller** and **Jack Dodd** also earned playing time the past three weeks.

True first year freshmen making an early impact on the roster include: wide receiver **Jahiem Arnold**, punter **Parker Dahlman** and defensive tackle **Brad Walker** while two other true freshmen have travelled but yet to make their debuts: running backs **Keron Franklin** and **TJ Holmes**.

SKILL POSITION TURNOVER

The Golden Bears entered 2021 looking to replace all but one passing attempt (**Abe Schwartz**), 88 percent of its rushing yards with its leading returner being **Lajuan Preston** (177) and over 90 percent of its receptions with its leader being **Kevin Ventura-Cortes** (11-76).

PRESTON BOOSTED BY DI TALENT IN BACKFIELD

Concordia's running game entered 2021 led by junior **Lajuan Preston**, the top returner from a strong and versatile rushing attack in 2019. "LP" has played in 31 career games with 1,123 rushing yards and a 5.7 career average. His breakout year was in 2018 when he averaged 6.5 per carry and rushed for 704 yards.

He was off to another strong start in 2019 with 177 yards in four games with two touchdowns and a 5.5 average before a season-ending injury.

He had his biggest outing of 2021 in week 6 against Bemidji State, breaking a 71-yard TD run early in the third quarter amid a 9-83 rushing day. He's the team's second leading rusher with 110 yards and leads the team in average among players with at least 20 carries, although he missed week 7 due to injury and is not listed among the team's 2-deep.

He's aided by Purdue junior transfer **Brian Lankford-Johnson** and Northern Iowa freshman transfer **Jaylin Richardson**.

Lankford-Johnson played in 12 games including a start in 2016 as a freshman for the Boilermakers, earning Big Ten Freshman of the Week honors with 18 carries for 127 yards and a touchdown against Illinois and finished the year second on the team with 314 yards on the ground and 6.5 per carry, adding the team's longest run (48) and 11 catches for 90 yards. He played in six games as a sophomore with 22-86 rushing before deciding to transfer to CSP for the spring

2020 term.

Richardson was a highly recruited RB from the Kansas City area, initially committing to Kansas before signing with Northern Iowa where he was an early enrollee in spring 2020. He made his debut in the 2021 COVID shortened spring season for the Panthers, and retained his full eligibility for his first year with CSP.

In 2021, Richardson leads the CSP backfield with 74 carries for 234 rushing yards with two TDs and has added 15-85 receiving. He had team-highs of 7-69 receiving in his debut at Winona State.

Lankford-Johnson is third on the team with 96 rushing yards including a long run of 27 at Minnesota State.

New to the scene, second year freshman running back **Brandon Marenco** made his debut in week 5 at Minnesota State with eight carries for 67 yards and the team's longest run of the year, a 36-yard TD against the Mavericks.

GROUND CONTROL LEADS TO VICTORIES

Since 2016 when **Shannon Currier** returned to CSP's sidelines, Concordia has rushed for 200-plus yards 11 times, producing an 8-3 record.

By contrast, when Concordia holds opponents under 100 yards, the Golden Bears are also 8-3.

Just five times since 2016 have the Golden Bears rushed for 200-plus and held an opponent to under 100 yards in the same game - with CSP producing a 4-1 record in those contests, most recently a 2019 week 10 win over SMSU.

OFFENSIVE LINE NOTES

While the Golden Bears replaced four starting offensive linemen, the unit brings back plenty of experience led by transfer tackle **Robert Kraklow**, an All-NSIC North Division Second Team performer at St. Cloud State and former Division I player at Northern Illinois.

The top returner is guard **Matthew Montgomery**, a regular starter at center in 2019, while new center **Sam Marshalek** had stepped into a starting guard role late in 2019. The two players flipped positions on the line for 2021.

At the other tackle opposite Kraklow, freshman **Jac Carver**, a second year player, ascended to the top of the depth chart and started weeks 4, 5 and 6 before missing week 7 due to

injury while the other guard spot has been primarily occupied by **Brody Card**, a redshirt freshman in his third year with six starts in the first seven weeks.

The Golden Bears also roll out a sixth offensive lineman multiple times per game, with backup tackle **Jake Edwards** frequently utilized in that capacity. Edwards is atop the depth chart at right tackle in week 7.

Earning first career starts in weeks six and seven have been **Elliott Wolfe** and **Taylor Hensley**, respectively.

On the year, nine different offensive linemen have earned starts up front, with three others also earning game reps.

BROTHERLY LOVE

The 2021 Concordia-St. Paul roster features four sets of brothers: **Jake** and **Jaylin Richardson**, **Mel** and **El-Osiris Jeudy**, **Robby** and **Austin Carrillo**, and **Justin** and **Connor Higgins**.

The **Richardsons**, from Kansas City, are newcomers to the program in 2021 as Division I transfers.

Jake, a senior, transferred to CSP from South Dakota where he played 25 games across three seasons for the Coyotes, securing 16 tackles, 5.0 for loss and 5.0 sacks along with two forced fumbles and a fumble recovery. At CSP, he's picked up a pair of sacks, 4.0 tackles for loss and 10 tackles on the year. He's also added a forced fumble and fumble recovery.

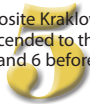

Jaylin, a freshman, transferred to CSP from Northern Iowa where he competed during UNI's shortened spring season in 2021 and was not charged a season of eligibility due to the COVID-19 pandemic. He made his college football debut against #5 South Dakota State, recording a tackle. He's been a key part of CSP's backfield in 2021, leading the backfield with 74-234 rushing and a pair of TD runs along with 15-85 receiving while contributing 112 combined kick/punt return yards for a team-leading 431 all-purpose yards.

The **Jeudys** are from Miami, Florida with **Mel** joining the program as a transfer prior to the 2020 spring term and **El-Osiris** being a freshman during the 2020-21 academic year.

Mel, a junior nose tackle, played three games at Alderson Broaddus University, a Division II program in 2019 after spending his first two years of college football at Division I Eastern Kentucky, including a redshirt season. The junior has played all seven games for CSP including six starts up front. His six tackles and 3.0 TFLs in week 6 doubled his season tackles total and pushed him to 4.0 TFLs on the year. He now has 13 total tackles and 4.0 TFLs.

El-Osiris, a freshman linebacker, has also appeared in all five-games, primarily as a special teams contributor.

The **Carrillos** are offensive linemen from Case High School in Racine, Wisconsin with **Robby** joining the program prior to the 2020 spring term as a transfer from St. Cloud State with

four years of eligibility remaining after redshirting with the Huskies in the final season of SCSU's program. He made his CSP debut in week 5 at MSU and has played three weeks in a row. **Austin** is a true first year freshman.

The **Higgins** are defensive acks from Rochester, Minnesota and the only set of brothers from this group to both join CSP as freshmen. Graduates of John Marshall High School, the duo are each preparing to make their college football debuts.

ACADEMIC ALL-AMERICANS ON DEFENSE

The Golden Bears have a pair of defensive starters who earned CoSIDA Academic All-America Second Team honors for the 2020-21 academic year, that was held without a season: **Shawn Aarhus** and **Dalton Smerchek**.

Smerchek, a senior linebacker, is a returning 2019 All-NSIC South Division honorable mention performer when he had 60 tackles, 7.5 tackles for loss, 3.0 sacks, led the NSIC with four fumble recoveries and ranked second in the league with three forced fumbles.

He has played in 40 career games with 153 tackles, 14.0 TFL, 3.0 sacks, six fumble recoveries and five forced fumbles.

Through seven games, he is fourth on the defense with 36 tackles, 3.5 TFLs and handles long/short snapping duties as a special teams standout. He has made seven tackles in a game this season four different times.

Aarhus is a junior defensive tackle who has played in 29 career games while stepping into a starting role in 2021. He has 61 total tackles, 7.5 TFL, 5.5 sacks and three fumble recoveries in his career. In 2021, he is tied for the team lead among CSP defensive linemen with 24 tackles.

EXPERIENCED LINEBACKERS GROUP

All three of Concordia's starting linebackers from 2019's 6-5 squad returned for 2021: senior whip **Dalton Smerchek**, junior mike **Jake Portz** and junior sam **Gabe Nkumu**.

Smerchek and Portz earned All-NSIC South Division honorable mention honors in 2019 as Smerchek led the league in fumble recoveries and added 8.5 TFL with 60 tackles while Portz was second in the league with 105 tackles and had an 18 tackle performance, third most in a game in school history. Nkumu, meanwhile, topped Portz's 18 tackles with 19, an NSIC single-game high for 2019 as he finished second on the team with 73 tackles.

Smerchek has produced four games with seven tackles and added 3.5 TFLs, ranking fourth on the defense with 36 total tackles.

Nkumu was fifth on the defense with 18 tackles including 3.0 TFL through four weeks before missing the last three games due to injury, and Portz has contributed 24 tackles while making at least three in each of the last six games.

The unit was bolstered with the emergence of **Andrew Egnarski**, who has ascended to the starting MLB spot. He had his breakout effort in week 2 against Upper Iowa with a team-high 11 tackles, 3.5 TFL, 3.5 sacks, a forced fumble and recovery, earning NSIC Defensive Player of the Week honors.

His 3.5-sack performance is an NSIC single game high while the 3.5 TFL are tied for fourth-most in a game in the NSIC this year.

On the year, Egnarski is eighth in the league with 3.5 sacks and 18th with 42 tackles. He is second on the team with 5.5 TFLs and has one of the team's four interceptions.

Adding depth at the position is **Foster Conzet** at the whip, and a tribute to the quality and the depth at the linebacker position, Conzet is second on the team and ranks 24th in the NSIC with 40 total tackles.

With an injury to Nkumu prior to week 5, freshman **Caden Baarts** made his first career start, making a season-high five tackles, a team high for the game, in week 5 at MSU. He has 17 tackles and a pair of pass breakups on the year.

has produced 4-plus sacks 13 times and had more sacks than the opponent 20 times.

In the 4-plus sack games, Concordia has a 10-3 record and has won six of its last seven games when sacking the quarterback four or more times including week 2's five sack performance against Upper Iowa.

When producing more sacks than the opponent which factors line play on both sides, Concordia is 12-9 since 2016.

DEFENSIVE LINE SEES MAJOR TURNOVER

The 2021 Golden Bears were supposed to feature the return of two-time All-American and two-time NSIC sack champion **Chris Garrett**, the NCAA DII career record holder with 15 forced fumbles and CSP career sack record holder.

But Garrett was drafted following the cancelled COVID season in the seventh round by the Los Angeles Rams, making the 53 man roster this fall.

He made his NFL debut in week 3 as the Rams beat defending Super Bowl champion Tampa Bay 34-24. In the win, Garrett played four defensive snaps (5%) and six on special teams (20%).

Leaving the program after 2019 with Garrett were the other three outgoing senior starting linemen, as well as three key rotation reserves.

In 2021, the Golden Bears have filled the defensive line with three players who played key roles in 2019: ends **Richard Ficociello** and **Mark O'Reilly** and tackle **Shawn Aarhus** while impact transfers **Mel Jeudy** joined Aarhus in the middle and **Jake Richardson** joined the defensive end rotation.

Aarhus has played in 29 career games with 61 tackles, 7.5 TFL and 5.5 sacks, Ficociello has played in 22 career games with 47 tackles, 9.5 TFL and 4.0 sacks and O'Reilly has secured 24 tackles, 8.5 TFL and 4.0 sacks across 18 career games.

In 2021, Ficociello has been the top performer, tied for the team lead with Aarhus with 24 total tackles while producing a team-high 5.5 TFLs and second-best 3.0 sacks. Despite missing a pair of games, Richardson has added 4.0 TFL and 2.0 sacks with one FF and one FR from the end. Jeudy has matched Richardson's 4.0 TFL from the interior.

The unit also features SCSU transfer **Luke Dunsmoor** and returns **Keegan Larson** and **Carter Hislop** with freshman **Brad Walker** cracking the rotation in his first year in the program.

Dunsmoor has come on strong as a reserve, making 17 tackles with 1.5 TFL on the year, with 13 of those tackles coming during a three game stretch against USF, SMSU and MSU.

Walker has also started to come into his own, making his

first career sack in week 7 at UMD with a season-high three total tackles against the Bulldogs.

ROOKIE KICKING GAME

Concordia-St. Paul has featured some of the top kickers and punters in the Northern Sun as well as nationally over the past decade, and in 2021 the kicking and punting jobs will be handled by a pair of talented freshmen: second year kicker **Sam Henson** and first year punter **Parker Dahlman**.

Henson was recently named to the Fred Mitchell Award Watch List for September, become the fourth consecutive kicker to be recognized by the national award which is presented to the top placekicker in small college football (FCS, DII, DIII, NAIA, NJCAA). He's one of 10 named to the list and one of three from NCAA Division II and the only one from the Northern Sun.

Henson had a standout debut, converting his only two field goal attempts from 38 and 48 yards, before adding 3-3 PAT and 1-2 FG in a week 2 win over Upper Iowa. His 48 yard field goal is the third longest in the Northern Sun this year. Overall, Henson is 5-7 on field goal attempts with his only misses coming from 40 and 52 yards and he leads the team in scoring with 27 points including 12-12 on PATs while adding six kickoff touchbacks in his rookie season.

Dahlman has been busy so far, as well and is fourth in the league with a 40.8 season punting average on a league-high 48 punts. His 10 punts of 50-plus yards leads the league and he's tied for the league lead with 10 pinned inside the 20.

His 77 yard punt at Sioux Falls is the third longest in the league so far and he holds the fifth-ranked single game punting average on the year, 50.2 (at USF).

His first seven game average (40.8) puts him within striking distance of CSP single season (41.3) and career (39.3) punting average records.

(see full punting records on page 11)

THE SHORT & THE LONG OF IT - DRIVE SUMMARY

Concordia's 18 scoring drives have come from varying times, play numbers, yards and results. On the year, CSP has had four 1-play drives from explosive 40-plus yard touchdowns and three drives of 12-plus plays that spanned 4-plus minutes each.

Eight of the team's 13 touchdowns have come from 25-plus yards, as well.

Since week 3, it's been either long, plotting drives or quick strikes, below is a look at the team's scoring drives this season:
