#### THIS WEEK: CSP WELCOMES MSU FOR HOMECOMING

This Saturday, Concordia will play its first afternoon game of the 2022 season for homecoming at Sea Foam Stadium with a noon kickoff against Minnesota State University, Mankato.

It's the final NSIC North-South battle for CSP as Concordia looks for its first victory of 2022 and head coach Shannon Currier's first win against MSU in his sixth game against the Mavericks. CSP will also seek its first win over MSU at Sea Foam Stadium in MSU's seventh trip to CSP's on-campus stadium (2009-present).

#### WEATHER OUTLOOK

Saturday in St. Paul is forecast for a high of 72 degrees with mostly sunny conditions and a light 5-10mph SE wind.

#### STRENGTH OF SCHEDULE

The Golden Bears have had a daunting first third of the season, with an opponent record of 15-1 through four weeks with a 3-1 Minnesota State squad on the horizon. Concordia has faced the league's only three unbeaten teams.

Entering week five, CSP holds the 3rd-toughest strength of schedule in Division II football, a mark that will continue to become more firm in the coming weeks with the addition of a 3-1 Minnesota State squad, and back-to-back 2-2 NSIC North Division foes to open division play against Bemidji State and Minnesota Duluth.

While unable to put a positive mark in the win column, the Golden Bears have remained competitive, tied with #25 Augustana (now 4-0) late in the third quarter as the Vikings are now ranked #11 in the nation, followed by a 14-6 road loss to Southwest Minnesota State (now 3-1) after trailing 7-6 in the fourth quarter, and in week three fell 44-23 to Sioux Falls but played to a 24-23 margin after falling into a 20-0 first half deficit in a comeback attempt against a 4-0 Cougars team.

#### CSP LED BY "COACH C" - ALL-TIME WINS LEADER AT CSP

In 2018, head coach Shannon Currier became the school's all-time wins leader, winning his 41st game 16-10 at SMSU in week 10 on November 3, 2018, surpassing Mark Mauer (40-39), who coached the program for seven seasons from 2004-10.

Currier, now in his 11th overall season at Concordia, is closing in on becoming the first coach to reach the 50-win milestone with a 48-55 career record. He has a 29-20 home record and is 9-1 in home openers. He's been head coach across two different stints, 2000 to 2003 and 2016-present while also serving as head coach at Truman State for five seasons from 2004-08. He was 2003 NSIC Coach of the Year, leading the program to its first NSIC Championship and the program's first-ever postseason appearance at the 2003 Mineral Water Bowl.

#### COACHES SHOW RETURNS TO TWIN CITIES RADIO IN 2021

The Coaches Show with Shannon Currier is back on the Twin Cities airwaves for a fourth season, once again hosted by Wally Langfellow of Minnesota Score. The show airs following the Minnesota high school football game of the week, typically on Friday evenings in the 9 p.m. to 10 p.m. hour on KYCR 1440 AM radio, available in the Twin Cities metro area.

This week's show airs live on Friday night and features guests junior center Sam Marshalek and sophomore linebacker Brayden Hilgemann.

For fans who miss the show or are outside of the radio station's Twin Cities reach, the entire show is accessible via the CSP Bears Podcast, available in Spotify, Apple Podcasts, Stitcher and Google Play Music. It will typically be uploaded late Friday night (after the initial air time) or Saturday morning prior to the game. Search 'CSP Bears' into your favorite podcast provider!

#### 2022 TEAM CAPTAINS

CSP head coach Shannon Currier features rotating team captains each week for the fourth year in a row in 2022. Captains are selected by the coaching staff based on performance on the field and as a leader in practice, meetings and day-to-day activities.

This week's game captains are: senior defensive end Luke Dunsmoor (3x), sophomore punter Parker Dahlman (1x), sophomore quarterback Conner Cordts (3x) and sophomore wide receiver Jack Munstersteiger (1x)

A full listing of the team captains is available on page 5.

**NOTES ABOUT THE MAVERICKS**

MSU has been nationally-ranked this season and is coming off of a 31-28 homecoming win over UMary in a back-and-forth game that saw the visiting Marauders open up 14-0 before MSU scored 24-straight. UMary countered with two more TDs to reclaim a fourth quarter 28-24 lead before MSU went back on top. The Mavericks needed an INT in the end zone to thwart UMary's late game comeback bid. MSU's lone loss came two weeks ago, falling 23-22 at Northern State, while picking up close wins at Bemidji State (37-34) in the season opener and at home against UMD (17-10) in week two.

MSU is being out-gained by opponents, allowing 365.5 yards per game (225.7 passing, 139.8 rushing) while the offense has piled up just 304.8 yards per game (207.7 passing, 97.0 rushing). But while the yardage tells one story, the other side of the story is the nation's third-best punt return unit, leading the NSIC with 25.3 yards per return led by **Trey Vaval's** second-ranked punt return average (25.7, 10-257) and **Nyles Williams** at 27.0 (3-81). The kickoff return unit is also explosive with Vaval averaging 31.7 (3-95) and Williams at 21.7 (10-217). Vaval leads the league and is 11th in the country with 343 combined return yards while Williams is right behind him in the NSIC and 16th in the country with 298. MSU also features the nation's fifth-ranked punter as **Max Pelham** leads the NSIC with a 43.9 punt average and the team holds the same ranks with a 41.39 net average, allowing MSU to eat up yardage disparities on special teams.

Freshman **Camden Dean** is the leading passer of three QBs for MSU, completing 28-48 (58.3%) for 427 yards and four TDs with three INTs. **Mitchell Randall** (22-53-3) adds 304 passing yards and a TD and **Hayden Ekern** has played in one game, completing 9-16 for 100 yards with a TD and an INT. Randall adds 45 carries for 115 yards and a TD on the ground with his 38.3 rushing yards per game right in line with the team's rushing leader, **Shen Butler-Lawson** (36-154, 2 TDs). Dean and Ekern also have added a rushing TD from the QB position.

While the QB position has shifted through the early parts of the season, the team's top target, **Jalen Sample**, has racked up 21 catches for 303 yards and three touchdowns while playing in each of the first four games with **Nyles Williams** adding 13-197 and a TD. Sample ranks fourth in the league in receptions and receiving touchdowns and fifth in receiving yards.

**CHEEKS SELECTED FOR BILLY BROWN'S #26 IN 2022**

Sophomore safety **Davaris Cheeks** changed jersey numbers from his new number (14) to #26 to honor the memory of **Billy Brown, Jr.**, a linebacker who graduated from CSP in May of 2018. Billy passed away in 2018 shortly after graduating while working out near his home in the Twin Cities that summer. Head coach **Shannon Currier** has opted to honor Brown by selecting a player who fits Billy's work ethic and commitment to the program to wear the number each season.

"Billy Brown's legacy has been talked about since the day I became a part of this football program, and rightfully so," said Cheeks. "The mark he left was one that was full of love for this team, passion for the game, and doing whatever it took to win. It is an honor to be able to wear that jersey as I know he is watching down on us and has sowed a seed that will never be forgotten."

Cheeks, a native of Aurora, Illinois, debuted in game action in 2021 with the jersey number 31, after redshirting in 2019 and missing 2020 due to the COVID-19 season cancellation. As a third-year member of the program, Cheeks played in seven games, including four starts at safety, finishing the year with 17 tackles (10 solo) with a season-high six tackles at UMD (10/16).

He's played all four games in 2022 with six tackles and a fumble recovery as a reserve safety and key member of the special teams. In 11 career games, Cheeks has 23 career tackles, a pass breakup and a pair of fumble recoveries.

He served last year as the CSP Student-Athlete Advisory Committee President and this year was appointed as the NSIC's NCAA Division II National SAAC representative. Further, he was elected as the 2022-23 CSP Student Body President and appointed as one of the first two student-athletes to serve on the NCAA Division II President's Council, the highest-ranking body of NCAA DII governance.

Cheeks is a public relations major at Concordia with a minor in business management and marketing.

**Prior #26 Billy Brown number recipients:**

- 2018, **Brandon Russell** (23 to 26)
- 2019, **Jackson Dobbs** (98 to 26)
- 2020, none selected
- 2021, **Dalton Smerchek** (32 to 26)
- 2022, **Davaris Cheeks** (14 to 32)

**SERIES HISTORY: MINNESOTA STATE 13, CONCORDIA 2**

The Golden Bears and Mavericks square-off for the 16th time this Saturday at Sea Foam Stadium as CSP looks to snap a 10-game losing streak to MSU. CSP is also seeking its first home win (0-6) and first win under head coach **Shannon Currier** (0-5) against the Mavericks.

Concordia's last win over MSU was a 28-26 triumph in 2010 at Blakeslee Stadium for the program's first-ever win in Mankato paced by a game-winning blocked field goal by future NFL Draft pick and Super Bowl champion **Zach Moore**. The win improved CSP to 2-3 against MSU in the first five meetings in the series. CSP went on to earn a trip to the Mineral Water Bowl in an 8-3 finish to NSIC play that season, the program's third Mineral Water Bowl bid, each coming between 2003 and 2010.

In the 10-game skid to MSU, CSP has not come closer than a 20-point margin, however.

Concordia's lone home win over MSU was in the 2005 season at Griffin Stadium (35-21) prior to MSU joining the NSIC in a non-conference contest before CSP went on to capture the NSIC Championship and earn the program's second trip to the Mineral Water Bowl in a three span (2003, 2005) and second of three overall (2003, 2005, 2010).

**LAST MEETING, 2021: #17 MSU 58, CSP 10**

The Golden Bears fell to #17 Minnesota State on the Mavericks' homecoming game at Blakeslee Stadium.

Concordia rushed for 148 yards on 27 attempts as a squad on the road led by **Brandon Marenco's** breakout game with 8-67 and a 36-yard TD run. But MSU countered by producing 53-350 on the ground with five rushing touchdowns, only needing to attempt 13 passes (5-13) with two of those going for scores.

MSU scored via the big play to build its lead, ripping off a 41-yard TD run, 53-yard punt return and 42-yard TD pass for a 24-0 lead

early in the second quarter en route to a 38-0 halftime lead.

Concordia secured a second half INT from linebacker **Andrew Eg-narski**, setting up a short 25-yard Sam Henson field goal.

The defense added 9.0 team tackles for loss with defensive end **Jake Richardson** adding a sack.

Offensively, **Brian Lankford-Johnson** had 9-39 rushing with a long of 27 and **Jaylin Richardson** rushed 11 times for 38 yards with a long of 15.

MSU racked up its 350 team rushing yards despite lacking an individual 100-yard rusher with **Charles Coleman** leading the team with 88 yards on just six carries with a pair of touchdowns. **JD Ekowa** also had a pair of rushing TDs from the QB position, rushing four times for 27 yards while completing just 1-8 passing for 16 yards and an INT.

**Hayden Ekern** was the more effective MSU passer, completing 4-5 for 81 yards and two TDs and adding 9-27 rushing.

**LAST WEEK: WAYNE STATE 48, CONCORDIA 21**

Facing a third undefeated team in four weeks in a fourth-straight night game caught up with the Golden Bears, who fell 48-21 at Wayne State last Saturday.

Trailing 14-0 early in the second quarter, sophomore running back **Jaylin Richardson** broke free for a 31-yard run and capped off the drive a few plays later with a 9-yard touchdown run.

Trailing 20-7 with just over five minutes to play, the Golden Bears opened a drive from their own 25 yard line with a fumble on a broken play, setting up the Wildcats with a short field, scoring on a 3rd-and-goal from the 8-yard line for a 27-7 advantage.

CSP was then unable to capitalize on a short field after a WSC missed onside kick attempt with the Wildcats executing with 55 seconds left before halftime to score with seven seconds on the clock in a 27-point quarter for a 34-7 halftime lead to put the game out of reach going into the locker room.

Concordia added a pair of touchdowns, **Conner Cordts'** first career rushing score in the third quarter and a **Bryce Sievers** to **Julius Reynolds** 13-yard strike early in the fourth on Reynolds' first career catch and Sievers' second career TD pass.

Richardson finished the game 10-56 rushing, added 2-19 receiving and a 20-yard kickoff return for a team-high 95 all-purpose yards and a touchdown.

Wide receiver **Drew Enke** had 3-73 receiving with a long of 51 yards while **Jack Munstersteiger** had a team-high four catches, a career-best, going for 36 yards.

Cordts finished 9-15 for 111 yards without an INT and was only sacked once. Sievers completed 4-7 for 44 yards and a TD while adding a 15-yard run and **Jaylen DeVries** also handled QB duties for a pair of fourth quarter drives, completing a pair of passes for 35 yards and a long of 26 while adding four rushing attempts with a long of six yards in his CSP debut.

Wayne State was led by quarterback **Nick Bohn** who completed 15-19 for 227 yards and three TDs, adding 11-46 rushing with a rushing TD. Backup QB **Tavian Willis** was 3-5 for 39 yards.

The Wildcats rushed for 252 yards and four TDs without a 100-yard rusher, led by **Anthony Watkins** (14-89, TD) and **Jacob Keiser** (9-82, TD).

CSP's defense was led by career-high tackling efforts by sophomore **El-Osirius Judy** (8) and freshman cornerback **Zantavious Graham** (7) while the front seven produced seven TFLs and a sack with safety **Davaris Cheeks** adding a fumble recovery and **Isaac Reed** adding a blocked PAT.

**FROM THE "GRIFF MYTH" TO "HOME SWEET FOAM"**

Prior to head coach **Shannon Currier** returning to lead the Golden Bears, CSP had posted an 11-24 record at Sea Foam Stadium (2009 to 2015) and had never posted more than two home wins in a row with just two winning seasons since football returned to campus in 2009.

In Currier's first season back, the Bears won the 2016 home opener and did so again to start the 2017 season.

In 2017, CSP also nabbed a win in the home finale, a 37-20 win

over SMSU that started a three game home winning streak, including the first two games of 2018, for the 3-game streak in Sea Foam Stadium's history. It was also the first 3-game home winning streak since the 2005 NSIC Championship season, played down the street at St. Paul Central High School's Griffin Stadium.

In Currier's first term leading the Bears (2000-03), he posted an 18-2 home record at Griffin Stadium, starting the "Griff Myth," a 19-game home winning streak that began in 2002 and spanned four full seasons of perfect home football (2002, 2003, 2004, 2005).

Currier now holds a 29-20 career record in home games at Concordia, a solid 9-1 mark in home openers, a 4-4 mark in home finales and led the team to a winning record at Sea Foam Stadium in 2018 for the third time since 2009.

The Golden Bears are now 11-18 at Sea Foam Stadium under Currier since 2016 including winning seasons in 2018 (3-2) and 2019 (4-2), the only back-to-back winning seasons in Sea Foam Stadium's history.

#### HOME OPENER SUCCESS

Concordia head coach **Shannon Currier** holds a 9-1 record in his CSP career in home openers including 5-1 at Sea Foam

Stadium in his second stint. Across the nine home opener wins between Sea Foam and Griffin Stadium, Currier's Bears have average a 30.1 to 9.0 margin of victory, a total of 271 to 81.

#### ADJUSTING TO THE NORTH

The Golden Bears have shifted to the NSIC North Division in the 2021 season after the elimination of football at St. Cloud State University and the University of Minnesota Crookston - both former members of the North Division.

The result of the 14-team NSIC is two 7-team divisions, where each program plays the other six teams once every year, rotating between home sites, while facing five of the seven teams from the opposite division.

## HEAD COACH SHANNON CURRIER | 11TH SEASON

Originally the 8th head coach of CSP football in 2000, Shannon Currier returned to lead the program for his 2nd stint in December, 2015.

He became the program's all-time wins leader on November 3, 2018 with a 16-10 win at SMSU.

In his first stint, he compiled a 32-12 (.727) record and brought the program its first NSIC Championship in 2003 when he was named NSIC Coach of the Year. The conference title also brought a berth in the Mineral Water Bowl, the first postseason game in school history.

He coached Concordia to four consecutive winning seasons and is the only coach in program history to achieve the feat - consecutive or cumulative.

#### THE GRIFF MYTH - PROTECTING HOME TURF

The team also established the longest home winning streak in school history under his guidance. Known to teams of the era as the "Griff Myth," Concordia tallied 19 consecutive home victories down the street at Griffin Stadium. The streak began in 2002 and stretched two years after Currier left through the 2005 season, finally falling at the beginning of 2006.

In Currier's first four years, his teams only lost two home games, producing a record of 18-2 after winning his first and last nine home games.

\* - NSIC Champions | # - NSIC Coach of the Year | ^ - Mineral Water Bowl

He opened his return to the program with a 17-0 shutout win over U-Mary in 2016, snapping a 6-game home losing streak and a former school record 8-game overall losing streak. His CSP teams are 9-1 all-time in home openers and he holds a career 29-20 home mark at Concordia between Griffin & Sea Foam Stadium.

#### CAREER AT TRUMAN

Following the program's 2003 NSIC title run, Currier accepted the head coach position at Truman State where he turned a losing program into a pair of 6-5 winning campaigns in his 3rd and 4th seasons.

His tenure was highlighted in his third year, leading the Bulldogs to a 6-3 record in a strong MIAA, finishing fourth in the league. He left the program following a 4-7 season in 2008 with a 20-35 overall record.

#### PRIOR TO REJOINING CONCORDIA'S SIDELINES

Following his departure from Truman, Currier spent seven years working outside of the coaching profession as a senior sales manager with iHigh.com working to build a digital platform for high school sports, reaching up to 1.5 million Minnesotans in his final year with the company.

#### NSIC BACKGROUND & ST. PAUL PRIVATE EDUCATION

He arrived at Concordia in 1999 as offensive coordinator and recruiting coordinator for former head coach and athletics director Dan O'Brien, now an assistant coach for the University of Minnesota.

Prior to joining Concordia, Currier spent two years each in similar roles at Southwest Minnesota State and Minnesota Crookston following his start in college coaching at Bemidji State as an offensive graduate assistant where earned his master's degree in physical education.

A native of Cosmos, Minnesota, Currier was a quarterback at Hamline University where he graduated with a degree in physical education in 1993.

Previously, CSP played seven games against the NSIC South Division, with that total cut down by two starting in 2021; and previously played the NSIC North four times, with that total increased by two.

In 2021, Concordia did not face Wayne State for the first time since joining the league in 1999, or Augustana for the first time since 2004, including four non-conference games with the Vikings each year from 2004 to 2007 with Augie joining the NSIC in 2008.

In 2022, Concordia will not face Winona State, halting an annual series that dates back to 1999 (22 games) and Upper Iowa, halting a streak of 15-straight meetings dating back to UIU's entry to the NSIC for the 2006-07 academic year.

The Golden Bears will now face every NSIC North team at home every other year, welcoming MSU Moorhead to Sea Foam Stadium for just the third time last year. Meanwhile, Minnesota Duluth heads to Sea Foam Stadium for the third-time ever this year, previously playing in St. Paul in 2012 and 2016.

Under head coach **Shannon Currier**, the Golden Bears are 16-17 against the NSIC North Division teams across his career and 5-13 against NSIC North Division teams since rejoining the program in 2016. The Golden Bears are seeking their first division win as members of the NSIC North Division (0-6).

**TURNOVERS MATTER**

Since head coach **Shannon Currier** rejoined the program in 2016, Concordia has produced a 9-6 record when winning the turnover battle. Meanwhile, when losing the turnover battle, CSP is 2-23 and CSP is 5-12 when turnovers are even.

Through four weeks, CSP is -2 in turnover margin but the scoring margin doesn't reflect it, with CSP outscored 28-6 off turnovers.

**SOPHOMORE QBs BECOME SEASONED**

In 2021, freshman quarterbacks **Conner Cordts** and **Bryce Sievers** became the seventh and eighth players to start a game at quarterback as a freshman (or redshirt freshman) since Concordia made the jump to NCAA Division II in 1999.

Cordts joined elite company in becoming just the second freshman to start a season opener at quarterback, joining **James McNear**, who is a CSP and NSIC Hall of Famer and ended his career as the Division II leader in career total offense, playing from 2002-05.

Cordts started the first six games before a season-ending injury derailed his rookie season, committing just one turnover with one INT in 141 pass attempts after starting his career INT-free for 111 passes. Sievers earned playing time in six games, starting three.

Below is a table breaking down CSP's history with freshmen at the QB position in their debut seasons and career results:

**SOPHOMORE QB CONNER CORDTS**

The Golden Bears entered the 2021 season with **Conner Cordts** declared the starter, just the second freshman opening day starting quarterback for the program since moving to NCAA Division II in 1999, joining CSP Athletic Hall of Famer, two-time NSIC Champion and a former Harlon Hill candidate **James McNear** (2002-05).

Cordts became the seventh freshman to start a game at quarterback since CSP football has been a Division II program (1999) - all of them having used a redshirt season prior to making their debut.

His freshman breakout game was a week 2 win over Upper Iowa in 2021, completing 20-of-27 for 249 yards and two touchdowns, playing turnover-free football under center.

Cordts topped the 300-yard mark for total offense in a game for the first time in week 4 against SMSU last year, passing for 260 yards and three TDs, adding 9-41 rushing (301 total offense).

It took him until his fourth career game until committing his first turnover, an interception that snapped a streak of 111 consecutive passes without an INT to start his career.

Injured in week six, the rookie signal-caller committed only one turnover in 2021.

In 2022, Cordts had his first career 300-yard passing performance, completing 18-46 for 306 with three TDs and one INT against Sioux Falls, averaging 17 yards per completion in the first 300-yard passing game since November 4, 2017 (Ron Johnson, at Augustana). Cordts also achieved a career-high of 365 yards of total offense and 59 rushing yards in the contest.

Below is a game-by-game breakdown of Cordts in 2022:

**TRENDING TOPICS: QB PERCENTAGE**

A point of emphasis for the Golden Bears is a more efficient passing game. Even a slight improvement in completion percentage and a decrease in interceptions can lead to a significant boost in wins.

Since **Shannon Currier** has returned to the program in 2016, when the Golden Bears complete at least 54 percent of passes, the team holds a 10-14 record (.417), with team producing a 6-26 record (.188) when completing sub-54 percent.

Below is a look at year-by-year season results:

**CONCORDIA ST CLOUD GOLDEN HUSKIES**

Concordia's week two road trip to face Southwest Minnesota State featured seven former St. Cloud State Huskies facing their former head coach **Scott Underwood**, who now patrols the SMSU sidelines in his first season with the Mustangs.

At the conclusion of the 2019 football season, the administrations at St. Cloud State University and the University of Minnesota Crookston made the difficult decision to end their football programs.

Immediately, the CSP coaches put together a plan and worked with Concordia administration to provide an opportunity for student-athletes to continue to pursue their goals towards graduating from college while remaining members of an NSIC football program.

**Coach Currier** and his staff successfully recruited 11 members of the 2019 SCSU football team, and one from UMC.

Robby Carrillo, Luke Dunsmoor, Jake Edwards, Nathan Gimza, Taylon Hensley, Sarek Hoerth, Robert Kraklow, Dominic LaCombe, Luke Shepherd, Mason Van Zeeland and Nick Webley

all joined Concordia from SCSU while Ryan Martin changed his golden from the Eagles to the Bears. They became a part of the campus community during the pandemic shortened spring 2020 semester and continued through the 2020-21 academic year.

In 2022, seven of the Huskies: Carrillo, Duns Moor, Edwards, Gimza, Hensley, Hoerth, LaCombe and Shepherd, along with Martin from UMC, remain with team.

Meanwhile, Kraklow joined the coaching staff as a first-year graduate assistant working with the OL.

Look for the group to continue making a strong impact on the field for the Golden Bears.

**DIVISION I TRANSFERS**

For the second year in a row, the Golden Bears have infused the roster with nine players who have experience as members of NCAA Division I programs on the roster. Of the nine, eight have seen significant game action early in the season, and all nine have made strong contributions during their time with the program. Below is a listing of the nine DI transfers on the roster:

- Adrian Adams**, WR, North Dakota State
- Lucas Becker**, DL, South Dakota
- Jaylen DeVries**, QB, Southern Illinois
- Drew Enke**, WR, Northern Iowa
- Ethan Falaniko**, RB, South Dakota
- Gayflor Flomo**, RB, Kansas
- Mel Jeudy**, DT, Eastern Kentucky (Alderson Broaddus)
- Jaire Moore**, RB, Northern Colorado
- Jaylin Richardson**, RB, Northern Iowa

**STRONG START FOR THE SECONDARY**

Through the first two weeks of 2022, Concordia's secondary had been both stout in stopping opponents and flashing big-play ability with turnovers, ranking seventh in the country in fewest passing yards allowed and in interceptions.

The Golden Bears how rank fourth in the NSIC, allowing 175.5 passing yards per game with four interceptions, three coming from sophomore safety **Cyrus McClure** who is fourth in the country in INTs/game, leading the league.

The safety unit also features strong contributions from sixth-year senior **Rhett Sheehan** who is seventh in the NSIC with 7.54 tackles per game and leads the defense with 3.0 TFLs on the year.

The corners, led by sophomore **McKinley Eglund-Young** and true freshman **Zantavious Graham** along with a spot-start from redshirt freshman **Quintin Balentine** and key rotation playing time from redshirt freshman Hudson Jean and true freshman Dylan Phillips, have provided the coverage which has allowed just 175.5 passing yards per game.

**GROUND CONTROL LEADS TO VICTORIES**

Since 2016 when **Shannon Currier** returned to CSP's sidelines, Concordia has rushed for 200-plus yards 12 times, producing an 8-4 record.

By contrast, when Concordia holds opponents under 100 yards, the Golden Bears hold a similar record at 8-3.

Just five times since 2016 have the Golden Bears rushed for 200-plus and held an opponent to under 100 yards in the same game - with CSP producing a 4-1 record in those contests, most recently a 2019 week 10 win over SMSU.

**DIVISION I BACKFIELD**

Concordia's running game entering the 2022 season features its top four backs as Division I transfers: Northern Iowa transfer **Jaylin Richardson**, now a sophomore in his second year at CSP, has opened the year as the lead back.

In week one, Richardson topped the team in offensive touches against Augustana with 16 (11-30 rush, 5-59 rec).

He had his best game as a college running back in week two at SMSU, rushing for 175 yards on 12.5 per carry (14-175). He got stronger as the game wore on, with 9-151 in the second half, ripping off runs of 20, 31 and 74 yards in the process.

In week three, he led the team in carries (9) and tied for the team lead with three receptions to finish with 12 touches for 67 yards and in week four he led the team with 90 all-purpose yards on 10-51 rushing with a TD, 2-19 receiving and a 20-yard kickoff return.

He leads the league and is 18th in the country in yards per carry (6.6), ranks fifth in the NSIC with 290 rushing yards, seventh in the NSIC with 118.3 all-purpose yards per game and leads the team with 12 receptions (12-118).

Richardson was a highly recruited RB from the Kansas City area, initially committing to Kansas before signing with Northern Iowa where he was an early enrollee in spring 2020. He made his debut in the 2021 COVID shortened spring season for the Panthers, and retained his full eligibility for his CSP career.

In 2021, Richardson led CSP with 61.6 all-purpose yards per game, playing in seven games with three starts. He was second on the team in rushing yards (234) while leading the backfield with two rushing TDs. He added 15-85 rec and 5-99 on KR.

In his two seasons with CSP, Richardson has compiled 524 rushing yards in 11 games, averaging 4.4 yards per carry with three TDs while adding 27-203 receiving, 8-164 on kickoff returns and 4-13 on punt returns for 904 all-purpose.

He's aided by Kansas transfer **Gayflor Flomo** who had 7-18 rushing including a TD run in the season opener and through four games has 20-74 rushing and 3-68 on kick returns (22.7).

Flomo, originally from the metro (Fridley) and graduate of Totino-Grace High School, was a standout at Iowa Western Community College out of high school before transferring to Kansas where he was an Academic All-Big 12 Second Team selection, playing in nine games and earning six carries for the Jayhawks.

A transfer from Northern Colorado, **Jaire Moore** is right behind Flomo for season rushing, with 22-68 while adding a pair of catches for 90 yards, with his receptions going for 26 yards at SMSU and a 64-yard TD against USF. With his big plays in the pass game, he ranks fourth on the team with 158 all-purpose yards.

Moore is originally from Dallas, Texas and rushed 12-38 for Northern Colorado in 2021, spending three seasons there including a redshirt and a missed year due to COVID-19.

Senior running back **Ethan Falaniko**, a transfer from South Dakota, returns healthy for the 2022 season after missing 2021 due to injury. He spent three seasons with the Coyotes before heading to St. Paul where he's now in his fourth year, a career disrupted by the missed COVID season as well as a medical hardship. He picked up an 11-yard reception in week three against Sioux Falls and earned a start in week four at Wayne State.

Concordia's backfield also includes **Daimarion Nelson**, a St. Paul native who had 15-52 rushing last year with a TD as well as true freshman **Daniel Hornacek** who has made his early impact on the field as a member of the special teams, securing his first snaps on offense in week four at Wayne State with a carry for two yards and a 26-yard reception.

**BROTHERLY LOVE**

The 2021 Concordia-St. Paul roster features two sets of brothers: **Mel & El-Osiris Jeudy**, along with **Robby & Austin Carrillo**.

The **Jeudys** are from Miami, Florida with Mel joining the program as a transfer prior to the 2020 spring term and El-Osiris being a freshman during the 2020-21 academic year.

**Mel**, a senior nose tackle, played three games at Alderson Broaddus University, a Division II program in 2019 after spending his first two years of college football at Division I Eastern Kentucky, including a redshirt season. He has played in 14 career games for CSP including nine starts up front. In 2021, he put up 22 total tackles and 4.0 TFLs. He's made eight tackles in 2022 through four weeks including a 5-tackle performance against USF.

**El-Osiris**, a sophomore linebacker, has appeared in 13 career games, primarily as a special teams contributor as a freshman in 2021. He's seen action on special teams and at linebacker in 2022, making 17 tackles in four games. He made his first career start in week three against USF, making a career-high six tackles, starting again in week four at WSC with another career-high of eight tackles against the Wildcats.

The **Carrillos** are offensive linemen from Case High School in Racine, Wisconsin with **Robby** joining the program prior to the 2020 spring term as a transfer from St. Cloud State with four years of eligibility remaining after redshirting with the Huskies in the final season of SCSU's program.

**Robby** played each of the final seven games in 2021 while **Austin** redshirted in his first year in the program in 2021, but the brothers each appeared in the first three games to start the 2022 season. In week four, Austin didn't make the trip while Robby earned his first career start at right tackle and is listed atop the week five two-deep.

**FRESHMEN DEBUTS**

A number of players made their Golden Bear debuts as freshmen or redshirt freshmen early on this season.

On defense, new starters up front include redshirt freshman **Keyshawn Pettis** (14 tackles, 0.5 TFL), and **Isaac Reed** (6 tackles, 2 QB hurries) on the interior of the defensive line along with **Drake Teal** (7 tackles, 0.5 TFL, 0.5 sacks) and **Javon Jones** (3 tackles, 1 QB hurry) on the edge.

Redshirt freshman **Richard Wauer** has started all four games at outside linebacker, collecting 18 total tackles. Redshirt freshman **Jawon Carr** saw time as a reserve and special teams contributor in week one before picking up his first start at SMSU in week two when he produced back-to-back six-tackle performances in weeks 2-3 and has 14 tackles on the year.

True freshman **Zantavious Graham** has been the team's starting cornerback this year, with 11 tackles (10 solo) and two pass breakups in four games while redshirt freshman corner **Quintin Balentine** has also cycled into the CB position, making three tackles and picking up his first start in week three, with true freshman **Dylan Phillips** and redshirt freshman **Hudson Jean** have also cycled in at corner, playing in a pair of games with Hudson making two tackles, and Phillips with one.

Offensively, redshirt freshman **Jacob Cannon** has secured a pair of key receptions early (2-21) with a long of 11 at tight end while redshirt freshman tackle **Austin Carrillo** is the only freshman or redshirt freshman to see time along the offensive line so far.

The skill position group has seen running back **Daniel Hornacek** receive playing time each week on special teams before making his debut on offense in week four at Wayne State, receiving his first carry for two yards and his first reception for 26 yards. In the pass game, redshirt freshman **Troy Ellison** had his first two catches in week three against Sioux Falls for 48 yards, breaking a TD for 32 yards and now has 3-56 receiving in two games. Redshirt freshman receiver **Julius Reynolds** had his first career catch in week four at Wayne State, getting into the end zone for a 13-yard TD catch.

Redshirt freshman quarterback **Jaylen DeVries** made his debut in week four at Wayne State, completing a pair of passes for 35 yards while adding four carries for a yard with a long run of six.

Finally, while a number of other freshmen have seen the field in various packages and on special teams, the specialists received key contributions from new snappers **Peyton Ihns** (long), a true freshman, and **Caydon Christensen** (short), a redshirt freshman.

**SHEEHAN LEADS THE SAFETIES**

Sixth-year senior **Rhett Sheehan** has remained a top leader in the program, putting together strong performances in each of the first three weeks.

He opened the season with a strong performance with eight tackles including two for loss while helping shut down the Viking pass game to just 7-14 for 62 yards on the evening.

He continued in week two by matching his career-high with 10 tackles at SMSU, adding another TFL while helping limit the Mustangs to 106 passing yards on 8-17 passing with two INTs.

His 3.0 tackles for loss on the year have already set a new career-high for the veteran safety, who has made a team-high 30 tackles in four games in 2022.

Sheehan is seventh in the NSIC with 7.5 tackles per game while sparking a secondary that is fourth in the Northern Sun with 175.5 passing yards allowed per game.

As a junior in 2021, Sheehan was an All-NSIC North Division Second Team safety, ranking second on the team and 23rd in the NSIC with 63 total tackles. His three interceptions, all in CSP's five home games, ranked ninth in the Northern Sun, and he racked up 85 return yards in the process while adding two pass breakups for five passes defensed, second-most on the team while contributing a team-leading two forced fumbles.

In his career, Sheehan has secured 173 tackles and 6.0 TFLs across 37 games with a career-high 63 tackles in 2021. He has 12 career passes defensed, three interceptions and two forced fumbles with one fumble recovery.

**MCCLURE FINDS THE BALL**

While Sheehan has been the sure-tackler in the secondary, it's been sophomore **Cyrus McClure** from the other safety position creating the turnovers with three interceptions in four games to start the 2022 season, ranking fourth in the country and leading the Northern Sun.

He had two INTs in the first quarter of the 2022 opener against Augustana, and added another INT against SMSU in week two - the first three picks of his career.

He played in eight games as a freshman in 2021, including four starts, making 26 tackles with a pair of pass breakups, a forced fumble and a blocked kick.

He's taken his game to a new level to start 2022, adding 21 tackles which ranks third on the CSP defense, to go with his three INTs.

**HILGEMANN STEPS UP**

Sophomore linebacker **Brayden Hilgemann** has cracked the starting linebacker group at the MIKE position in the first four games, and is second on the team and 15th in the NSIC with 27 total tackles, he has one of the team's two sacks and he intercepted a pass at SMSU deep in the red zone in the fourth quarter in a tight week two loss to the Mustangs.

He filled a void created with **Andrew Egnarski** missing the first two games of the season, although Egnarski returned to

the lineup in week three, making five tackles in his season debut against Sioux Falls and has now made 11 tackles with 1.0 TFL in two games in his return to the defense.

Hilgemann played all 11 games in 2021, primarily on special teams, making 16 total tackles with 0.5 TFL.

In the 2022 opener in his first career start, Hilgemann produced a career-high eight tackles with a sack and a TFL. In week two, he showed consistency in his hometown of Marshall, Minnesota, adding seven tackles to go with his INT. He's had at least five tackles in each game this season.

Meanwhile, Egnarski led the 2021 team with 68 total tackles, earning NSIC Defensive Player of the Week honors in CSP's week two win over Upper Iowa with 11 tackles, 3.5 TFLs, 3.5 sacks, a forced fumble and fumble recovery. He produced 6.0 TFLs, tied for the team lead with 5.0 sacks and had an INT on the season.

**TRENDING TOPIC: SACKS / WINS CORRELATION**

In the 59 games since head coach **Shannon Currier** has been back with the program since 2016, the CSP defense has produced 4-plus sacks 14 times and had more sacks than the opponent 20 times.

In the 4-plus sack games, Concordia has a 10-4 record and has won six of its last eight games when sacking the quarterback four or more times.

When producing more sacks than the opponent which factors line play on both sides, Concordia is 12-9 since 2016.

**DUNSMOOR LEADS DEFENSIVE LINE**

The 2022 Concordia defensive line has been led by senior defensive end **Luke Dunsmoor**, who made a career-high nine tackles in week two at SMSU while playing against his former head coach Scott Underwood. The St. Cloud State transfer is fourth on the defense and leads the position group with 18 tackles on the season, adding a pair of quarterback hurries including his first of the year in week one on a pass that was deflected by **McKinley Eglad-Young** and intercepted by **Cyrus McClure**.

As a Golden Bear, Dunsmoor has played in 15 games, starting three times in the 2022 season, and has amassed 46 total tackles with 5.5 TFLs and a 1.0 sacks.

Other defensive ends making an impact early on include redshirt freshman starter **Drake Teal** (7 tackles, 0.5 sacks) who has started twice at the other edge, sophomore transfer **Lucas Becker** (8 tackles, 1.0 TFL) with two starts on the edge from South Dakota and sophomore **Ryan Martin** (5 tackles), a transfer from Minnesota Crookston in his third year at CSP. **Keegan Larson** made his 2022 debut in week three, making a tackle for loss against USF and earned his first start of the season in week four at WSC.

On the interior, Northern State transfer tackle **Koffi Gbekle** is tied for the DL-lead in tackles with Dunsmoor with 18, and redshirt freshman **Keyshawn Pettis** has added 14 tackles while **Isaac Reed** (6 tackles) and **Mel Jeudy** (8 tackles) have also made a difference up front. So far, Reed leads the DTs with three starts, while Gbekle and Pettis each have a pair and Jeudy has started once.

The team also features numerous defensive linemen making their way back into the lineup from off-season injury, bolstering the unit over the course of the season.

**CONTINUITY DEFINES OFFENSIVE LINE**

The 2022 offensive line is defined by its continuity, with nearly the entire two-deep having played together for at least three seasons and many having gained valuable playing experience last season.

Junior center **Sam Marshalek** is the leader up front, entering the year with 21 games and 13 starts under his belt. Left tackle **Jake Edwards** is credited by the coaching staff as being among the league's best at his position, starting five games last year and playing in all 11.

The line features four former St. Cloud State players: Edwards, guards **Taylon Hensley** and **Sarek Hoerth** who have each started at CSP and **Robby Carrillo**, who also earned his first career start in week four at WSC.

The group also features starting guard **Elliott Wolfe** and sophomore tackle **Jac Carver** who started the first three.

As a unit, the offensive line ranks 38th in the country and fourth in the NSIC with 1.25 sacks allowed per game, and ranks 41st in the country and fourth in the NSIC in fewest TFLs allowed per game (5.00). They've paved the way for sophomore running back **Jaylin Richardson** to produce the nation's 18th-ranked rushing average, leading the league with 6.6 yards per carry while the three quarterbacks have combined for just three interceptions in 137 pass attempts.

**WIDE RECEIVERS & TIGHT ENDS**

Concordia's pass game is built upon its depth, with five different receivers picking up at least nine catches and 90 yards: **Jaylin Richardson** (12-118), **Drew Enke** (11-169, TD), **Jack Munsterteiger** (10-90), **Joey Farley** (9-124, TD) and **Nathan Gimza** (9-91).

From the wide receivers group, **Evan Peterson** (5-31), **Troy Ellison** (3-56, TD) and **Jaheim Arnold** (1-34) and **Julius Reynolds** (1-13, TD) have all seen action, as well.

The tight ends have been led by **Jacob Cannon** (2-21) in the pass game while the squad's other tight ends to appear offensively include **Jack Dodd**, **Brock Thornton** and **Riley Heller** while **CJ Picazo** has changed to #44 to accommodate a role as a tight end, as well.

While Richardson leads the running backs in the pass game, **Jaire Moore** gives the Golden Bears a sixth player with at least 90 receiving yards (2-90, TD) including a 64-yard TD while **Daniel Hornacek** (1-26), **Ethan Falaniko** (1-11) and **Gayflor Flomo** (1--5) each have a catch out of the backfield.

**HENSON IN THE KICKING GAME**

Concordia-St. Paul has featured some of the top kickers and punters in the Northern Sun as well as nationally over the past decade, and after new kickers debuted in 2021, the two roles will be consistent once again in 2022 with the kicking game led by sophomore **Sam Henson**.

Henson entered the 2022 season as the 13th-ranked kicker in Division II football by The College Football Network and 20th-ranked by FBPI Football.

He was a three-time Fred Mitchell Award Watch List candidate in 2021, hitting the monthly recognition chart in September, October and November for the award that honors the top placekicker for their on-field and volunteer service in small college football (FCS, DII, DIII, NAIA, NJCAA).

Henson had a standout debut season in 2021, leading the NSIC and ranking 21st nationally with a 76.9 field goal percentage (10-13) while hitting 10-11 from inside of 50 yards with a long of 48 which he converted in his career debut at Winona State.

He ranked 40th in the country and fifth in the NSIC with 0.91 field goals made per game, a well.

He led the team in scoring in 2021 with 48 points, averaged 53.3 yards on 41 kickoffs with 10 touchbacks and made two field goals in a game twice.

In 2022, he's 3-7 on field goals, with his misses all being from 42-plus yards (42, 46, 47, 50) while connecting on each of his trips to the red zone from 22, 24 and 25 yards.

He added his third career 2-field goal performance in week two at SMSU.

He's never missed a kick inside of 40 yards at Concordia, going 10-10 in his two seasons while hitting 25-26 on PAT attempts.

He's added power to his kickoffs in 2022, upping his average to 59.1 yards with four touchbacks on 15 kickoffs.

**DAHLMAN IN THE PUNTING GAME**

Like the kicking game, sophomore **Parker Dahlman** continues to provide one of the top legs to CSP for his second year as the Golden Bear punter.

In 2022, Dahlman has averaged 39.4 yards on 15 punts, but more importantly has dropped three inside the 20, has three fair catches and a pair of 50-plus yard punts (57, 61) and has held opponents to just one punt return attempt for -4 yards for a standout 37.0 net punting average.

In week two at SMSU, Dahlman put together three punts for a consistent 41.0 average with a long of 45 and all three punts pinning SMSU inside the 20.

In week four, he averaged 49.0 yards on three punts with a long of 61 yards at Wayne State, the fifth-best single game average in school history with at least two punts in a game.

As a freshman in 2021, Dahlman ranked fifth in the league with a 40.1 season punting average on a league-high 67 punts. His 12 punts of 50-plus yards topped the league charts, and his 14 punts inside the 20 finished two off the league lead, ranking third. He forced 12 fair catches and only had five touchbacks.

His 77 yard punt at Sioux Falls was the third longest in the league last year and the third-longest in program history.

His top single-game effort in his career, a 6-punt, 50.2 average at Sioux Falls (2021) with four punts of 50-plus yards, ranks as the best single-game punting average with at least five punts in a game.

In his young career, Dahlman's 39.99 career average is on pace to be a career record and his name is already plastered on the game, season and career punting charts for the program. *(see full punting records on page 11)*

**SUPER BOWL CHAMPIONS**

Concordia-St. Paul football has produced two Super Bowl winning players in the last decade: **Zach Moore** as a rookie with the 2014 New England Patriots and **Chris Garrett** as a rookie with the 2021 Los Angeles Rams.

A member of CSP's inaugural football team in 1969, **Michael Bailey** was signed by the Dallas Cowboys during preseason with the Cowboys eventually winning the Super Bowl and awarding Bailey a ring in recognition of his time with the organization.

Additionally, the CSP coaching staff has a Super Bowl ring as wide receivers coach **Michael Floyd**, now in his second year in the program, was a member of the 2016 New England Patriots title team.

**Zach Moore**, a 2014 NFL Draft Pick by the New England Patriots in the 6th round (198 overall), with a strip sack of Chicago Bears quarterback **Jay Cutler** in his rookie season in 2014. Moore was CSP football's first-ever NFL Draft selection and played in 26 games (2 starts) across five years in the NFL, suiting up for the Patriots, Minnesota Vikings (2015), Dallas Cowboys (2016) and Arizona Cardinals (2018) while also spending an offseason with the Carolina Panthers (2018).

**Chris Garrett**, a 2021 NFL Draft Pick by the LA Rams in the 7th round (252 overall), was CSP's second NFL Draft pick and helped the Rams to the Super Bowl as a rookie, turning heads in a preseason game against the Raiders with 1.5 sacks including a strip-sack, an additional TFL and a pass breakup. Last week (9/14), he signed a free agent contract to the Minnesota Vikings practice squad for the 2022 season.

**Michael Floyd** captured a Super Bowl while a member of the New England Patriots in 2016. He played 2012 games in seven NFL seasons, amassing 266 catches, 3,959 yards and 25 TDs with his top season in 2013 for the Arizona Cardinals with 65-1,049 and 5 TDs. He was a 2012 NFL Draft First Round pick of the Cardinals (13 overall).

**Michael Bailey** was a standout for the Comets' inaugural team in 1969 and again in 1970, compiling 1,652 yards and 25 rushing TDs, earning a spot on the Dallas Cowboys during preseason of their 1971 Super Bowl season.
